VOLUME 3: TABLE OF CONTENTS

AUTHORSHIP

ABBREVIATIONS AND ACRONYMS

DEFINITIONS

16 Local Government Revenue 16-1

16.1 Approach 16-1
16.1.1 Regulatory and Policy Setting 16-1
16.1.2 Key Issues and Identification of Potential Effects 16-2
16.1.3 Standard Mitigation Measures and Effects Addressed 16-3
16.1.4 Selection of Key Indicators 16-3
16.1.5 Spatial and Temporal Boundaries 16-4
16.1.5.1 Spatial Boundaries 16-4
16.1.5.2 Temporal Boundaries 16-5

16.2 Information Sources and Methodology 16-5
16.2.1 Literature Review 16-5
16.2.2 Interviews 16-5

16.3 Baseline Conditions 16-6
16.3.1 Revenues 16-6
16.3.2 Expenditures 16-7
16.3.3 Consolidated Revenues and Expenditures, 2010 16-8

16.4 Effects Assessment 16-11
16.4.1 Effects Assessment Construction Change in Local Government Revenue and Expenditures 16-11
16.4.2 Timing and Magnitude of Local Population Growth Due to Project-Related Activities 16-11
16.4.3 Legal and Policy Factors 16-12
16.4.4 Change in Land Use 16-12
16.4.5 Mitigation Measure – Change in Local Government Revenue and Expenditure 16-14

16.5 Summary of Effects Assessment and Mitigation Measures 16-14
16.5.1 Other Mitigation Options Considered 16-15

16.6 Residual Effects 16-16

16.7 Cumulative Effects Assessment 16-16

16.8 Monitoring and Follow-up 16-16

References 16-17

Literature Cited 16-17

Internet Sites 16-17

Personal Communications 16-20

17 Labour Market 17-1

17.1 Approach 17-1
17.1.1 Regulatory and Policy Setting 17-1
17.1.2 Key Issues and Identification of Potential Effects 17-3
17.1.3 Standard Mitigation Measures and Effects Addressed 17-4
17.1.4 Selection of Key Indicators 17-5

17.1.5 Spatial and Temporal Boundaries 17-5
17.1.5.1 Spatial Boundaries 17-5
17.1.5.2 Temporal Boundaries 17-6

17.2 Information Sources and Methodology 17-7
17.2.1 Literature Review 17-7
17.2.2 Interviews 17-7
17.2.3 Data Management, Mapping, and Modelling 17-7
17.2.4 Aboriginal Community and Traditional Knowledge 17-8

17.3 Baseline Conditions 17-8
17.3.1 Labour Force by Occupation and Industry Affiliation 17-8
17.3.2 Job Search, Unemployment, Demographic Characteristics, and Turnover 17-9
17.3.3 Labour Force and Skills, Shortages and Surpluses 17-10
17.3.4 Labour Market Outlook 17-11
17.3.5 Aboriginal Peoples 17-12
17.3.5.1 Aboriginal Labour Force Indicators 17-12
17.3.5.2 Aboriginal Labour Force and Skills 17-14

17.4 Effects Assessment 17-17
17.4.1 Effects Assessment – Change in Demand for Direct and Indirect Construction Phase Labour – General Population 17-18
17.4.2 Comparison of Project Labour Requirements with Labour Supply 17-19
17.4.2.1 General Population 17-19
17.4.2.2 Aboriginal Peoples 17-20
17.4.2.3 Summary 17-23
17.4.3 Mitigation Measures – Change in Demand for Labour 17-23
17.4.3.1 Recruitment 17-24
17.4.3.2 Local Labour Market Participation 17-24
17.4.3.2.1 General Population 17-24
17.4.3.2.2 Aboriginal Peoples 17-25

17.5 Summary of Effects Assessment and Mitigation Measures 17-25
17.5.1 Other Mitigation Options Considered 17-26

17.6 Residual Effects 17-26

17.7 Cumulative Effects Assessment 17-26

17.8 Monitoring and Follow-Up 17-26

References 17-27

Literature Cited 17-27

Personal Communications 17-28

18 Regional Economic Development 18-1

18.1 Approach 18-1
18.1.1 Regulatory and Policy Setting 18-1
18.1.2 Key Issues and Identification of Potential Effects 18-2
18.1.3 Standard Mitigation Measures and Effects Addressed 18-3
18.1.4 Selection of Key Indicators 18-4
18.1.5 Spatial and Temporal Boundaries 18-4
18.1.5.1 Spatial Boundaries 18-4
18.1.5.2 Temporal Boundaries 18-5

18.2 Information Sources and Methodology 18-5

18.2.1 Literature Review 18-5
18.2.2 Interviews 18-6
18.2.3 Data Management, Mapping, and Modelling 18-6
18.2.4 Aboriginal Community and Traditional Knowledge 18-6

18.3 Baseline Conditions 18-7
18.3.1 Business Profile – General Population 18-7
18.3.1.1 Establishments and Locations 18-7
18.3.1.2 Business Licences 18-8
18.3.2 Business and Contractor Capabilities and Capacity 18-10
18.3.2.1 Community Economic Dependencies 18-10
18.3.2.2 Local participation in major projects 18-11
18.3.2.3 Project Business Directory 18-12
18.3.2.4 Services for Building Business Capabilities and Capacity 18-13
18.3.3 Outlook for Regional Economic Development 18-14
18.3.4 Business Profile – Aboriginal Peoples 18-15

18.4 Effects Assessment 18-19
18.4.1 Effects Assessment – Construction – Change in Contract Opportunities in the LAA 18-20
18.4.2 Mitigation Measures – Construction – Change in Contract Opportunities in the LAA 18-22
18.4.3 Effects Assessment – Construction – Comparison of the Project's Contracting Requirements with Regional Economic Business and Contracting Profile, Capabilities and Capacity 18-22
18.4.3.1 General Population 18-22
18.4.3.2 Aboriginal Peoples 18-23
18.4.4 Mitigation Measures – Construction – Comparison of the Project's Contracting Requirements with Regional Economic Business and Contracting Profile, Capabilities and Capacity 18-25
18.4.4.1 General Population 18-25
18.4.4.2 Aboriginal Peoples 18-25

18.5 Summary of Effects Assessment and Mitigation Measures 18-26
18.5.1 Other Mitigation Measures Considered 18-27

18.6 Residual Effects 18-27

18.7 Cumulative Effects Assessment 18-27

18.8 Monitoring and Follow-Up 18-27

19 Current Use of Lands and Resources for Traditional Purposes 19-1

19.1 Approach 19-1
19.1.1 Regulatory and Policy Setting 19-1
19.1.2 Key Issues and Identification of Potential Effects 19-2
19.1.3 Standard Mitigation Measures and Effects Addressed 19-9
19.1.4 Selection of Key Indicators 19-10
19.1.5 Spatial and Temporal Boundaries 19-10
19.1.5.1 Spatial Boundaries 19-10
19.1.5.2 Temporal Boundaries 19-11

19.2 Information Sources and Methods 19-12
19.2.1 Literature Review 19-12
19.2.2 Incorporation of Traditional Use information 19-13
19.2.3 Data Management, Mapping and Modelling 19-13
19.3 Baseline Conditions 19-13
19.3.1.1 Blueberry River First Nations 19-19
19.3.1.1.1 Background – Blueberry River First Nations 19-19
19.3.1.1.2 Current and Reasonably Anticipated Future Use of Lands and Resources – Blueberry River First Nations 19-19
19.3.1.1.3 Current Hunting and Trapping – Blueberry River First Nations 19-20
19.3.1.1.4 Current Fishing – Blueberry River First Nations 19-22
19.3.1.1.5 Current Use of Plants, Trees, and Additional Resources – Blueberry River First Nations 19-23
19.3.1.1.6 Trails, Places, and Other Cultural Features – Blueberry River First Nations 19-23
19.3.1.2 Saulteau First Nations 19-24
19.3.1.2.1 Current and Reasonably Anticipated Future Use of Lands and Resources – Saulteau First Nations 19-24
19.3.1.2.2 Current Hunting and Trapping – Saulteau First Nations 19-25
19.3.1.2.3 Current Fishing – Saulteau First Nations 19-29
19.3.1.2.4 Current Use of Plants, Trees, and Additional Resources – Saulteau First Nations 19-30
19.3.1.2.5 Trails, Places, and Other Cultural Features – Saulteau First Nations 19-32
19.3.1.3 Treaty 8 Tribal Association 19-33
19.3.1.3.1 Background – Treaty 8 Tribal Association 19-33
19.3.1.3.2 Current and Reasonably Anticipated Future Use of Lands and Resources – Treaty 8 Tribal Association 19-34
19.3.1.3.3 Current Hunting and Trapping – Treaty 8 Tribal Association 19-35
19.3.1.3.4 Current Fishing – Treaty 8 Tribal Association 19-37
19.3.1.3.5 Current Use of Plants, Trees, and Additional Resources – Treaty 8 Tribal Association 19-37
19.3.1.3.6 Trails, Places, and Other Cultural Features – Treaty 8 Tribal Association 19-38
19.3.1.4 McLeod Lake Indian Band 19-39
19.3.1.4.1 Background – McLeod Lake Indian Band 19-39
19.3.1.4.2 Current and Reasonably Anticipated Future Use of Lands and Resources – McLeod Lake Indian Band 19-40
19.3.1.4.3 Hunting and Trapping – McLeod Lake Indian Band 19-40
19.3.1.4.4 Current Use of Plants, Trees, and Additional Resources – McLeod Lake Indian Band 19-40
19.3.1.4.5 Trails, Places, and Other Cultural Features – McLeod Lake Indian Band 19-41
19.3.1.5 Duncan's First Nation 19-41
19.3.1.5.1 Background – Duncan's First Nation 19-41
19.3.1.5.2 Current and Reasonably Anticipated Future Use of Lands and Resources – Duncan's First Nation 19-41
19.3.1.5.3 Current Hunting and Trapping – Duncan's First Nation 19-41
19.3.1.5.4 Current Fishing – Duncan's First Nation 19-42
19.3.1.5.5 Current Use of Plants, Trees, and Additional Resources – Duncan's First Nation 19-43
19.3.1.5.6 Trails, Places, and Other Cultural Features – Duncan's First Nation 19-43
19.3.1.6 Horse Lake First Nation 19-44
19.3.1.6.1 Background – Horse Lake First Nation 19-44

19.3.1.6.2 Current and Reasonably Anticipated Future Use of Lands and Resources – Horse Lake First Nation 19-44
19.3.1.6.3 Current Hunting and Trapping – Horse Lake First Nation 19-44
19.3.1.6.4 Fishing – Horse Lake First Nation 19-45
19.3.1.6.5 Current Use of Plants, Trees, and Additional Resources – Horse Lake First Nation 19-45
19.3.1.6.6 Trails, Places, and Other Cultural Features – Horse Lake First Nation 19-46
19.3.1.7 Dene Tha' First Nation 19-46
19.3.1.7.1 Background – Dene Tha' First Nation 19-46
19.3.1.7.2 Current Use of Lands and Resources by Members of the Dene Tha' First Nation 19-47
19.3.1.7.3 Current Hunting and Trapping – Dene Tha' First Nation 19-47
19.3.1.7.4 Current Fishing – Dene Tha' First Nation 19-48
19.3.1.7.5 Current Use of Plants, Trees, and Additional Resources – Dene Tha' First Nation 19-48
19.3.1.7.6 Trails, Places, and Other Cultural Features – Dene Tha' First Nation 19-48
19.3.1.8 Fort Nelson First Nation 19-48
19.3.1.8.1 Background – Fort Nelson First Nation 19-48
19.3.1.8.2 Current and Reasonably Anticipated Future Use of Lands and Resources – Fort Nelson First Nation 19-49
19.3.1.9 Athabasca Chipewyan First Nation 19-49
19.3.1.9.1 Background – Athabasca Chipewyan First Nation 19-49
19.3.1.9.2 Current and Reasonably Anticipated Future Use of Lands and Resources – Athabasca Chipewyan First Nation 19-50
19.3.1.10 Beaver First Nation 19-51
19.3.1.10.1 Background – Beaver First Nation 19-51
19.3.1.10.2 Current and Reasonably Anticipated Future Use of Lands and Resources – Beaver First Nation 19-51
19.3.1.11 Deninu K'ue First Nation 19-51
19.3.1.11.1 Background – Deninu K'ue First Nation 19-51
19.3.1.11.2 Current and Reasonably Anticipated Future Use of Lands and Resources – Deninu K'ue First Nation 19-51
19.3.1.12 Kelly Lake Métis Settlement Society 19-52
19.3.1.12.1 Background – Kelly Lake Métis Settlement Society 19-52
19.3.1.12.2 Current and Reasonably Anticipated Future Use of Lands and Resources – Kelly Lake Métis Settlement Society 19-52
19.3.1.12.3 Current Hunting and Trapping – Kelly Lake Métis Settlement Society 19-53
19.3.1.12.4 Trails, Places, and Other Cultural Features – Kelly Lake Métis Settlement Society 19-53
19.3.1.13 Kwadacha First Nation 19-53
19.3.1.13.1 Background – Kwadacha First Nation 19-53
19.3.1.13.2 Current and Reasonably Anticipated Future Use of Lands and Resources – Kwadacha First Nation 19-54
19.3.1.14 Little Red River Cree Nation 19-55
19.3.1.14.1 Background – Little Red River Cree Nation 19-55
19.3.1.14.2 Current and Reasonably Anticipated Future Use of Lands and Resources – Little Red River Cree Nation 19-55
19.3.1.15 Mikisew Cree First Nation 19-56
19.3.1.15.1 Background – Mikisew Cree First Nation 19-56
19.3.1.15.2 Current and Reasonably Anticipated Future Use of Lands and Resources – Mikisew Cree First Nation 19-56
19.3.1.16 Salt River First Nation 19-57
19.3.1.16.1 Background – Salt River First Nation 19-57

19.3.1.16.2 Current and Reasonably Anticipated Future Use of Lands and Resources – Salt River First Nation 19-57
19.3.1.17 Smith's Landing First Nation 19-58
19.3.1.17.1 Background – Smith's Landing First Nation 19-58
19.3.1.17.2 Current and Reasonably Anticipated Future Use of Lands and Resources – Smith's Landing First Nation 19-58
19.3.1.18 Sturgeon Lake Cree Nation 19-59
19.3.1.18.1 Background – Sturgeon Lake Cree Nation 19-59
19.3.1.18.2 Current and Reasonably Anticipated Future Use of Lands and Resources – Sturgeon Lake Cree Nation 19-59
19.3.1.19 Tallcree First Nation 19-59
19.3.1.19.1 Background – Tallcree First Nation 19-59
19.3.1.19.2 Current and Reasonably Anticipated Future Use of Lands and Resources – Tallcree First Nation 19-59
19.3.1.20 Tsay Keh Dene First Nation 19-60
19.3.1.20.1 Background – Tsay Keh Dene First Nation 19-60
19.3.1.20.2 Current and Reasonably Anticipated Future Use of Lands and Resources – Tsay Keh Dene First Nation 19-60
19.3.1.21 Woodland Cree First Nation 19-61
19.3.1.21.1 Background – Woodland Cree First Nation 19-61
19.3.1.21.2 Current and Reasonably Anticipated Future Use of Lands and Resources – Woodland Cree First Nation 19-61
19.3.1.22 Fort Chipewyan Métis Nation Local 125 19-61
19.3.1.22.1 Background Fort Chipewyan Métis Local 125 19-61
19.3.1.22.2 Current and Reasonably Anticipated Future Use of Lands and Resources – Fort Chipewyan Métis (Local 125) 19-62
19.3.1.23 Métis Nation of Alberta Region 6 19-62
19.3.1.23.1 Background Métis Nation of Alberta Region 6 19-62
19.3.1.23.2 Current and Reasonably Anticipated Future Use of Lands and Resources – Métis Nation of Alberta Region 6 19-62
19.3.1.24 Métis Nation of British Columbia 19-63
19.3.1.24.1 Background – Métis Nation BC 19-63
19.3.1.24.2 Current and Reasonably Anticipated Future Use of Lands and Resources – Métis Nation BC 19-63
19.3.1.25 Northwest Territory Métis Nation 19-64
19.3.1.25.1 Background – Northwest Territory Métis Nation 19-64
19.3.1.25.1 Current and Reasonably Anticipated Future Use of Lands and Resources – Northwest Territory Métis Nation 19-64
19.3.1.26 Paddle Prairie Métis Settlement Society 19-64
19.3.1.26.1 Background – Paddle Prairie Métis Settlement Society 19-64
19.3.1.26.2 Current and Reasonably Anticipated Future Use of Lands and Resources – Paddle Prairie Métis Settlement Society 19-65
19.4 Effects Assessment 19-65
19.4.1 Effects Assessment – Construction – Change in Fishing Opportunities and Practices 19-67
19.4.2 Effects Assessment – Operations – Change in Fishing Opportunities and Practices 19-74
19.4.3 Mitigation Measures – Change in Fishing Opportunities and Practices 19-77
19.4.4 Effects Assessment – Change in Hunting and Trapping Opportunities and Practices During Construction and Operations 19-77
19.4.5 Mitigation Measures – Change in Hunting and Trapping Opportunities and Practices During Construction and Operations 19-83
19.4.6 Effects Assessment – Change in Cultural and Traditional Uses of the Land 19-83

19.4.7 Mitigation Measures – Change in Cultural and Traditional Uses of the Land 19-94
19.4.8 Summary of Effects Assessment and Mitigation Measures 19-95
19.4.9 Other Mitigation Options Considered 19-99

19.5 Residual Effects 19-99
19.5.1 Current Use of Lands and Resources for Traditional Purposes – Fishing 19-99
19.5.2 Current Use of Lands and Resources for Traditional Purposes – Hunting and Trapping 19-99
19.5.3 Characterization of Residual Effects 19-99
19.5.4 Standards or Thresholds for Determining Significance 19-105
19.5.5 Determination of Significance of Residual Effects 19-105

19.6 Cumulative Effects Assessment 19-108
19.6.1 Screening of Cumulative Effects 19-109
19.6.1.1 Cultural and traditional uses of the land 19-109
19.6.2 Description of Cumulative Effects 19-110
19.6.2.1 Alliance Pipeline Sunrise Meter Station Relocation 19-110
19.6.2.2 Carbon Creek Coal Mine 19-110
19.6.2.3 Dokie Wind Energy Project 19-111
19.6.2.4 Groundbirch Mainline 19-111
19.6.2.5 Provident Beatton River Replacement Project 19-111
19.6.2.6 Wildmare Wind Energy Project 19-112
19.6.2.7 Wartenbe Wind Energy Project 19-112
19.6.2.8 General Oil and Gas and Forestry Activities 19-113

19.7 Monitoring and Follow-up 19-114

20.2.2.1.5 Regional Climate Change 20-12
20.2.2.2 Land Capability: Baseline Description 20-13
20.2.3 Agricultural Suitability of Lands 20-13
20.2.4 Agricultural Utility 20-15

20.2.4.1 Agricultural Utility: Method 20-15
20.2.4.2 Agricultural Utility: Baseline Description 20-17
20.2.5 Agricultural Land Use 20-17
20.2.6 Agricultural Tenures on Crown Land 20-17
20.2.7 Agricultural Operations 20-18
20.2.7.1 Interviews 20-18
20.2.7.2 Statistics Canada Data 20-19
20.2.7.2.1 Land Use 20-19
20.2.7.2.2 Agricultural Sector Characteristics 20-20
20.2.8 Agricultural Economies 20-22
20.2.8.1 Marketing 20-22
20.2.8.2 Agricultural Population and Employment 20-23
20.2.8.3 Economic Returns from Farming 20-24
20.2.9 Food Production and Consumption 20-24
20.2.9.1 Historical Food Self-Reliance in British Columbia 20-24
20.2.9.2 Food Self-Reliance in the Peace Agricultural Region 20-25

20.3 Effects Assessment 20-26
20.3.1 Effects Assessment – Construction – Agricultural Land Base 20-27
20.3.1.1 Primary Construction Activities 20-27
20.3.1.2 Dam, Generating Station, and Spillways 20-27
20.3.1.3 Reservoir 20-28
20.3.1.4 Transmission Line to Peace Canyon 20-29
20.3.1.5 Highway 29 Realignment 20-29
20.3.1.6 Construction Access 20-30
20.3.1.7 Quarried and Excavated Materials 20-31
20.3.1.8 Worker Accommodation 20-32
20.3.2 Effects Assessment – Operations – Agricultural Land Base 20-33
20.3.2.1 Reservoir 20-33
20.3.2.2 Changes in Groundwater Elevations 20-34
20.3.2.3 Transmission Line 20-34
20.3.3 Summary and Comparison of Permanent Losses of Agricultural Lands 20-34
20.3.3.1 Permanent Land Loss by Capability 20-34
20.3.3.2 Permanent Land Loss by Utility 20-38
20.3.4 Mitigation Measures – Agricultural Land Base 20-40
20.3.4.1 Construction Activities 20-41
20.3.4.1.1 Temporary Loss of Agricultural Land 20-41
20.3.4.1.2 Permanent Loss of Agricultural Land 20-41
20.3.5 Effects Assessment – Construction – Agricultural Operations 20-44
20.3.5.1 On-Farm Effects 20-45
20.3.5.2 Permanent Loss of Cultivated Land 20-47
20.3.5.3 Permanent Loss of Grazing Land 20-48
20.3.6 Effects Assessment – Operations – Agricultural Operations 20-49
20.3.7 Mitigation Measures – Agricultural Operations 20-51
20.3.7.1 Construction 20-51
20.3.7.1.1 Permanent Loss of Agricultural Land 20-51
20.3.7.1.2 Farm Operational Effects 20-51
20.3.7.2 Operation Activities 20-53
20.3.7.2.1 Wildlife Damage 20-53
20.3.7.2.2 Crop Drying 20-53
20.3.7.2.3 Change in Groundwater Elevation 20-53
20.3.7.2.4 Unauthorized Public Access to Farm Properties 20-53
20.3.7.2.5 Livestock Access to the Reservoir 20-54
20.3.8 Effects Assessment – Construction – Agricultural Economic Activity 20-54

20.3.8.1 Agricultural Land in the Project Activity Zone 20-54
20.3.8.2 Agricultural Land Use Without the Project 20-55
20.3.8.3 Foregone Agricultural Economic Activity 20-55
20.3.8.4 Agricultural Economic Activity Without the Project 20-56
20.3.8.5 Agricultural Economic Activity During Construction 20-58
20.3.8.6 Net Foregone Primary Agricultural Economic Activity 20-59
20.3.8.7 Foregone Secondary Agricultural Economic Activity 20-60
20.3.9 Effects Assessment – Operations – Agricultural Economic Activity 20-62
20.3.10 Mitigation Measures – Change in Agricultural Economic Activity 20-62
20.3.10.1 Construction 20-62
20.3.10.1.1 Permanent Loss of Agricultural Land 20-62
20.3.10.2 Operations 20-64
20.3.11 Effects Assessment – Construction – Food Production and Consumption 20-64
20.3.11.1 Short-Term Effects 20-65
20.3.11.2 Long-Term Effects 20-65
20.3.12 Effects Assessment – Operations – Food Production and Consumption 20-66
20.3.13 Mitigation Measures – Change in Food Production and Consumption 20-66

List of Appendices

Appendix A Economic Assessment Supporting Documentation:

Part 1) Economic Assessment Interview Methodology;
Part 2) Project Economic Impacts: BC Input-Output Model, BC Stats;
Part 3) Labour Market: Additional Baseline Information;
Part 4) Economic Development Offices and Plans

Appendix B First Nations Community Baseline Reports:

Part 1) Approach to Gathering and Integrating Community Baseline Information;

Part 2) Blueberry River First Nations

- Community Baseline Report
- Community Baseline Amendment Report
- EIS Integration Summary Table

Part 3) Duncan's First Nation

- Community Baseline Report
- EIS Integration Summary Table

Part 4) Horse Lake First Nation

- Community Baseline Report
- Community Baseline Amendment Report
- EIS Integration Summary Table

Part 5) McLeod Lake Indian Band

Part 6) Saulteau First Nations

- Community Baseline Report
- Community Baseline Amendment Report
- EIS Integration Summary Table

Part 7) Doig River First Nation, Halfway River First Nation, Prophet First Nation, West Moberly First Nations

- Community Baseline Report
- EIS Integration Summary Table

Appendix C Land and Resource Use Assessment Supporting Documentation:

Part 1) Land and Resource Use Assessment Interview Methodology;
Part 2) Land and Resource Management Plans and GIS Methodology;
Part 3) Oil, Gas and Energy Exploration and Production Activity;
Part 4) Harvest of Fish and Wildlife Resources;
Part 5) Outdoor Recreation and Tourism, and Navigation;
Part 6) Visual Resources Supporting Figures

Appendix D Agricultural Assessment Supporting Documentation

Appendix E Outdoor Recreation Mitigation Plan

Appendix F Current Use of Lands and Resources for Traditional Purposes Summary
