ERRATA

Monday, June 17, 2013 – Volume 176

Paragraph No. and Excerpt:	Should Read:
<p>1023:</p> <p>“Environmental assessment is intended to identify significant environmental effects of a project before the project has been started and identify the practicable <u>litigation</u> measures that can reduce those effects.”</p>	<p>“Environmental assessment is intended to identify significant environmental effects of a project before the project has been started and identify the practicable <u>mitigation</u> measures that can reduce those effects.”</p>
<p>1058:</p> <p>“At paragraph 1440 of its argument, Northern Gateway states that it intends to have at least one major on-water recovery task force on <u>sight</u> within the confined channel assessment area, or CCAA, within six to 12 hours.”</p>	<p>“At paragraph 1440 of its argument, Northern Gateway states that it intends to have at least one major on-water recovery task force on <u>site</u> within the confined channel assessment area, or CCAA, within six to 12 hours.”</p>
<p>1059:</p> <p>“Northern Gateway's gap -- I'm sorry, <u>NUCA's</u> gap analysis has prepared for the Haisla Nation, demonstrated what is needed in regard to open water task forces. And Northern Gateway chose not to submit their own gap analysis or call into question the <u>NUCA</u> findings in this regard.”</p>	<p>“Northern Gateway's gap -- I'm sorry, <u>Nuka's</u> gap analysis has prepared for the Haisla Nation, demonstrated what is needed in regard to open water task forces. And Northern Gateway chose not to submit their own gap analysis or call into question the <u>Nuka</u> findings in this regard.”</p>
<p>1068:</p> <p>“At paragraphs 1444 and following, Northern Gateway <u>request</u> changes to the response exercise regime proposed in Condition 168. Northern Gateway does so in part on the basis that the requirements are in excess of industry best practices.”</p>	<p>“At paragraphs 1444 and following, Northern Gateway <u>requests</u> changes to the response exercise regime proposed in Condition 168. Northern Gateway does so in part on the basis that the requirements are in excess of industry best practices.”</p>
<p>1074:</p> <p>“Announced drills and exercises <u>allows</u> significant planning and preparation time which can lead to the impression of preparedness and response effectiveness that may not be matched without lead time -- lead up time.”</p>	<p>“Announced drills and exercises <u>allow</u> significant planning and preparation time which can lead to the impression of preparedness and response effectiveness that may not be matched without lead time -- lead up time.”</p>
