We are counsel for the Canadian Association of Petroleum Products (“CAPP”). CAPP hereby requests leave to provide an oral reply argument on the bottom-up portion of the proceeding, if any, by telephone.

CAPP takes no position on the parties’ request to participate in real time on the bottom up portion; however, CAPP does not foresee a need to participate in this manner.

CAPP would support sitting extended hours on Thursday, June 20, as it may facilitate holding some or all of the bottom-up portion of the hearing on Friday, June 21.

Yours very truly,

LAWSON LUNDELL LLP
