Dear Madam:

**Re: Request for Remote Participation in Oral Argument
Northern Gateway Project Hearings
Hearing Order OH-4-2011
File No. OF-Fac-Oil-N304-2010-01 01**

Pursuant to the Joint Review Panel's decision of June 20, 2013 with respect to the scheduling of the "bottom-up" portion of oral argument in the above referenced matter, ForestEthics Advocacy, Living Oceans Society and Raincoast Conservation Foundation (the "Coalition") intend to present their bottom-up oral argument remotely by teleconference. Further, the Coalition intends to avail itself of the teleconference option to be on-line remotely for the duration of the bottom-up argument of all parties including Northern Gateway.

The Coalition awaits further instructions from the Panel with respect to the teleconference option for the bottom-up argument.

Sincerely,

Barry Robinson
