Hello,

I wish to register with the Joint Review Panel Hearing for the Marathon Palladium Project, General Session to have my written submission below considered. I do not need translation services or legal representation.

My submission below is my opinion on the Marathon Palladium Project as an individual who cares about the future of the area.

----- WRITTEN SUBMISSION FOR PUBLIC HEARING, GENERAL SESSION -----

Dear Review Panel:

This project has so many economic benefits for small communities at a time when we are in desperate need of an economic boost. This mine would allow families to remain at home to grow and flourish, would support opportunities for Indigenous communities and persons, and open up access to further exploration and development. The project includes environmental considerations and collaboration with FN partners as well.

Sincerely,
Stephen Wilson
