EAB12-NEW	Errata and Commitments Registry		<p>An Errata to the EA report is needed in order to incorporate all the necessary changes to the EA that were identified by the Ministry and other technical reviewers in their comments, as well as changes outlined your Addendum Report. To see an example, refer to Appendix C of the Rainy River Ministry Review.</p> <p>In addition, please update the Commitments Registry to incorporate all the commitments made in your responses to public, Aboriginal communities and government agency comments on the final EA.</p>	<p>Necessary changes have been incorporated in this Version 3 EIS/EA. In discussion with MOECC and CEAA it was agreed that an errata table is not required.</p> <p>The commitment registry has been updated to incorporate all commitments made by CMC in response to comments.</p>
