MNRF-8B	Aquatic Habitat/ Alternatives Assessment effluent discharge locations		Responses from MNRF, MOECC and DFO confirm government agencies were not a source for this information. Please update the EA to reflect this.	CMC acknowledges that the MNRF, MOECC, and DFO were not the source of this information.	Please confirm whether MNRF, MOECC and DFO have been removed as a source for critical spawning habitat identification at Alternative Site #2. Please update EA to reflect this.	The EIS/EA will be revised to indicate that the MNRF, MOECC and DFO were not a source of this information.	N/A
