MNRF-17B	Emergency Response		MNRF feels the revised Alternative Assessment TSD remains lacking in providing a thorough assessment of alternatives. Specifically for the components of the project that will require authorization from MNRF.	Additional information provided in the following: 1) Supplemental Assessment of Access Road and Transmission Line Routing Alternatives in Part 4 of the Version 3 Alternatives Assessment TSD 2) Comprehensive Alternatives Assessment Tables for the Construction, Operation, and Closure Phases in Part 3 of the Version 3 Alternatives Assessment TSD	The supplementary documents provided are appreciated and they are an improvement over previous submissions. MNRF defers to MOECC regarding use of the Bounding Scenario approach. This comment was addressed by CMC through submission of supplementary documents (received December 2016).	Acknowledged	N/A
