MOE Hydrology-1	Hydrology	N/A	<p>I have completed hydrology review of the Hammond Reef Gold Mine EA. My review consisted of:</p> <ul style="list-style-type: none"> (1) Addendum to the final EIS/EA Report, dated June 2015; (2) Final EA of December 2013; (3) Hydrology technical report, version 1, dated February 2013; (4) Hydrology technical report, version 2, dated December 2013; and (5) Seine River WMP of 2004-2014 (the approved and most up-to-date version of the Plan). <p>The scope of my review was to comment on reasonableness and accuracy of the hydrology and water balance modelling work.</p>	Thank you for your comment.
