
HAMMOND REEF GOLD PROJECT RESPONSE TO COMMENTS ON FINAL EIS/EA

COMMENT –T-57

Source: Canadian Environmental Assessment Agency

Summary of Comment

Section 6.3.2.6.2 states that the approach in the protection of special sites has been agreed to by the Aboriginal communities.

Proposed Action

Confirm which Aboriginal communities are in agreement.

Reference to EIS

Section 6.3.2.6.2

Response

Canadian Malartic Corporation has presented and sought agreement for the approach to the protection of special sites with the Fort Frances Chiefs Secretariat and the Métis Nation of Ontario Consultation Committee. Both the FFCS and the MNO agreed that Canadian Malartic Corporation's approach was reasonable.
