

Public Hearing Schedule

Notes on the Hearing Schedule:

- The Panel has developed this hearing schedule based on the information provided by the parties to date. While the Panel has attempted to accommodate the availability of the parties where possible, it was not possible to accommodate all requests.
- Parties are reminded that the schedule will be adjusted as necessary according to the progress of the hearing. Parties must be prepared to appear as needed.
- Cross-examination of parties will occur immediately following their direct evidence and proceed by party in order of registration.
- Final arguments will be scheduled in the future.
