Dear Mr. Gould,

I would like to follow up with you on my email below.

Thanks,
Quincy

Subject: Echo Hill - Federal EA

Dear Mr. Gould,

I understand that Hillsborough Resources Ltd. recently requested the British Columbia Environmental Assessment Office to remove the Echo Hill project from the provincial EA process. I would like to check with you if Hillsborough Resources Ltd. is planning to submit a similar request to the Canadian Environmental Assessment Agency.

Regards,

Quincy Leung
