

INSPECTION SUMMARY

Project Name: Greenstone Gold Mine

Proponent Name: Greenstone Gold Mines

Inspection Date: October 05, 2023

Project Description:

Greenstone Gold Mines will be carrying out the construction, operation, decommissioning and abandonment of an open-pit gold mine and on-site metal mill located approximately five kilometers south of Geraldton, Ontario, at the intersection of Highway 11 (Trans-Canada Highway) and Michael Power Boulevard. As proposed, the gold mine would have an ore production capacity of 30,000 tons per day, and the metal mill would have an ore input capacity of 30,000 tons per day.
