Table of Contents

10. Surface Water Quantity Assessment	10-1
10.1 Introduction	10-1
10.1.1 Regulatory and Policy Setting	10-2
10.2 Scope of the Assessment	10-3
10.2.1 Valued Components and Measurement Indicators	10-3
10.2.2 Indigenous and Stakeholder Consultation	10-3
10.2.3 Assessment Boundaries	10-4
10.2.3.1 Spatial Boundaries	10-4
10.2.3.2 Temporal Boundaries	10-4
10.2.3.3 Administrative Boundaries	10-7
10.2.3.4 Technical Boundaries	10-7
10.3 Regional and Local Overview	10-7
10.3.1 Regional Environment	10-8
10.3.2 Local Environment	10-8
10.4 Existing Conditions	10-9
10.4.1 Existing Regional and Local Information	10-10
10.4.1.1 Hydrology	10-10
10.4.1.2 Climate Change	10-10
10.4.2 Baseline Programs	10-12
10.4.2.1 Methods	10-12
10.4.2.2 Results	10-15
10.5 Project Effects Assessment	10-23
10.5.1 Thresholds for Determining Significance of Residual Effects	10-23
10.5.2 Project Effects	10-24
10.5.2.1 Project Interactions	10-24
10.5.2.2 Discussion of Potential Effects	10-29
10.5.2.3 Transboundary Effects	10-30
10.5.3 Mitigation Measures	10-31
10.5.4 Characterization of Residual Effects, Significance, Likelihood and Confidence	10-32
10.5.4.1 Hydrology Assessment Methods	10-33
10.5.4.2 Potential Residual Effects Assessment	10-37
10.5.4.3 Summary of Potential Residual Effects	10-76
10.5.4.4 Characterization of Residual Effects	10-76
10.5.4.5 Summary of Residual Effects Assessment	10-81
10.6 Cumulative Effects Assessment	10-83
10.6.1 Overview of Project Residual Effects	10-83
10.6.1.1 Assessment Boundaries	10-83
10.6.2 Identifying Past, Present, and Reasonably Foreseeable Projects and/or Activities	10-84
10.6.3 Identification of Potential Cumulative Effects	10-89
10.6.4 Mitigation for Cumulative Effects	10-90
10.6.5 Characterization of Residual Cumulative Effects	10-90
10.6.5.1 Base Case	10-91
10.6.5.2 Project Case	10-91

10.6.5.3	Future Case	10-92
10.6.6	Determination of Significance of Residual Cumulative Effects.....	10-95

Table of Contents

12.	Fish and Fish Habitat Assessment	12-1
12.1	Introduction	12-1
12.1.1	Regulatory and Policy Setting	12-2
12.1.1.1	Aquatic Species of Conservation Concern	12-5
12.2	Scope of the Assessment	12-6
12.2.1	Valued Components and Measurement Indicators	12-6
12.2.1.1	Fish Valued Components	12-7
12.2.1.2	Benthic Invertebrate Valued Component	12-10
12.2.2	Indigenous and Stakeholder Consultation	12-11
12.2.3	Assessment Boundaries	12-11
12.2.3.1	Spatial Boundaries	12-11
12.2.3.2	Temporal Boundaries	12-20
12.2.3.3	Administrative Boundaries	12-22
12.2.3.4	Technical Boundaries	12-23
12.3	Regional and Local Overview	12-23
12.4	Existing Conditions	12-24
12.4.1	Existing Regional and Local Information	12-24
12.4.1.1	Regional and Local Environment	12-24
12.4.1.2	Transboundary Environment	12-29
12.4.2	Baseline Programs	12-31
12.4.2.1	Methods	12-31
12.4.2.2	Results	12-45
12.5	Project Effects Assessment	12-78
12.5.1	Thresholds for Determining Significance of Residual Effects	12-78
12.5.2	Project Effects	12-79
12.5.2.1	Project Interactions	12-79
12.5.2.2	Discussion of Potential Effects	12-89
12.5.2.3	Transboundary Effects	12-107
12.5.3	Mitigation Measures	12-108
12.5.3.1	Mitigation Specific to Project Effects	12-109
12.5.3.2	Summary of Mitigation Measures for Fish and Fish Habitat	12-118
12.5.4	Characterization of Residual Effects	12-124
12.5.4.1	Assessment Methods	12-124
12.5.4.2	Assessment of Potential Residual Effects	12-127
12.5.4.3	Characterization of Residual Effects, Significance, Likelihood, and Confidence	12-138
12.5.4.4	Summary of Residual Effects Assessment	12-145
12.6	Cumulative Effects Assessment	12-150
12.6.1	Overview of Residual Effects	12-150
12.6.2	Assessment Boundaries	12-151
12.6.2.1	Spatial Boundaries	12-151
12.6.2.2	Temporal Boundaries	12-153
12.6.2.3	Administrative Boundaries	12-153
12.6.2.4	Technical Boundaries	12-153

12.6.3	Identifying Past, Present, and Reasonably Foreseeable Projects and/or Activities	12-153
12.6.4	Identification of Cumulative Effects	12-156
12.6.4.1	Assessment Methods	12-157
12.6.4.2	Scenarios Descriptions and Assumptions	12-158

Table of Contents

20. Effects of the Environment on the Project	20-1
20.1 Introduction	20-1
20.2 Scope of the Assessment	20-1
20.2.1 Spatial Boundaries	20-2
20.2.2 Temporal Boundaries	20-2
20.2.3 Thresholds for Determining Significance	20-2
20.2.4 Indirect Effects of the Environment	20-2
20.3 Assessment of Extreme Weather Events on the Project	20-2
20.3.1 Extreme Precipitation Events	20-3
20.3.1.1 Potential Effects on the Project	20-4
20.3.1.2 Mitigation Measures	20-4
20.3.1.3 Characterization of Residual Effects of Extreme Precipitation Events	20-5
20.3.2 Extreme Temperatures	20-5
20.3.2.1 Potential Effects on the Project	20-6
20.3.2.2 Mitigation Measures	20-7
20.3.2.3 Characterization of Residual Effects of Extreme Temperatures	20-7
20.3.3 Extreme Winds	20-7
20.3.3.1 Potential Effects on the Project	20-9
20.3.3.2 Mitigation Measures	20-9
20.3.3.3 Characterization of Residual Effects of Extreme Winds	20-9
20.3.4 Extreme Hydrological Events	20-10
20.3.4.1 Potential Effects on the Project	20-10
20.3.4.2 Mitigation Measures	20-11
20.3.4.3 Characterization of Residual Effects of Extreme Hydrological Events	20-11
20.3.5 Characterization of Residual Effects of Extreme Weather on the Project	20-12
20.4 Assessment of Geophysical Events on the Project	20-12
20.4.1 Avalanches	20-12
20.4.1.1 Potential Effects on the Project	20-12
20.4.1.2 Mitigation Measures	20-13
20.4.1.3 Characterization of Residual Effects of Avalanches	20-13
20.4.2 Seismic Events	20-13
20.4.2.1 Potential Effects on the Project	20-14
20.4.2.2 Mitigation Measures	20-14
20.4.2.3 Characterization of Residual Effects of Seismic Events	20-15
20.4.3 Landslides	20-15
20.4.3.1 Potential Effects on the Project	20-15
20.4.3.2 Mitigation Measures	20-15
20.4.3.3 Characterization of Residual Effects of Landslides	20-15
20.4.4 Characterization of Residual Effects of Geophysical Events on the Project	20-16
20.5 Assessment of Forest Fires on the Project	20-16
20.5.1.1 Potential Effects on the Project	20-16
20.5.1.2 Mitigation Measures	20-16
20.5.2 Characterization of Residual Effects of Forest Fires on the Project	20-17
20.6 Assessment of Climate Change on the Project	20-18

20.6.1	Regulatory Context.....	20-18
20.6.2	Past Regional Climate Change.....	20-18
20.6.3	Regional Climate Change Projections.....	20-18

Table of Contents

21. Accidents and Malfunctions Assessment	21-1
21.1 Introduction	21-1
21.2 Assessment Approach and Methodology	21-2
21.2.1 Identification of Potential Accidents and Malfunctions	21-4
21.2.2 Effects Assessment	21-4
21.2.2.1 Determination of Significance, Likelihood, and Confidence	21-4
21.2.3 Risk Assessment	21-6
21.3 Identification of Potential Accidents or Malfunctions	21-8
21.4 Effects Assessment of Accidents or Malfunctions	21-9
21.4.1 Potential Interactions between Accidents or Malfunctions and Valued Components	21-9
21.4.2 Release of Hazardous Materials	21-9
21.4.2.1 Description of Scenarios	21-9
21.4.2.2 Mitigation Measures	21-11
21.4.2.3 Characterization of Residual Effects	21-13
21.4.2.4 Determination of Significance	21-17
21.4.3 Loss of Containment	21-17
21.4.3.1 Description of Scenario	21-17
21.4.3.2 Mitigation Measures	21-18
21.4.3.3 Characterization of Residual Effects	21-20
21.4.3.4 Determination of Significance	21-24
21.4.4 Uncontrolled Detonation of Explosives	21-24
21.4.4.1 Description of Scenario	21-24
21.4.4.2 Mitigation Measures	21-25
21.4.4.3 Characterization of Residual Effects	21-26
21.4.4.4 Determination of Significance	21-28
21.4.5 Fire	21-28
21.4.5.1 Description of Scenario	21-28
21.4.5.2 Mitigation Measures	21-29
21.4.5.3 Characterization of Residual Effects	21-29
21.4.5.4 Determination of Significance	21-34
21.4.6 Slope Failure	21-34
21.4.6.1 Description of Scenario	21-34
21.4.6.2 Mitigation Measures	21-35
21.4.6.3 Characterization of Residual Effects	21-37
21.4.6.4 Determination of Significance	21-40
21.4.7 Wildlife Encounter	21-40
21.4.7.1 Description of Scenario	21-40
21.4.7.2 Mitigation Measures	21-41
21.4.7.3 Characterization of Residual Effects	21-42
21.4.7.4 Determination of Significance	21-42
21.4.8 Vehicle or Equipment Collision	21-43
21.4.8.1 Description of Scenario	21-43
21.4.8.2 Mitigation Measures	21-44

Table of Contents

22. Human and Ecological Health Assessment	22-1
22.1 Introduction	22-1
22.1.1 Regulatory and Policy Setting	22-2
22.2 Scope of the Assessment	22-3
22.2.1 Valued Components and Measurement Indicators	22-4
22.2.2 Indigenous and Stakeholder Consultation	22-14
22.2.3 Assessment Boundaries	22-15
22.2.3.1 Spatial Boundaries	22-15
22.2.3.2 Temporal Boundaries	22-18
22.2.3.3 Administrative Boundaries	22-19
22.2.3.4 Technical Boundaries	22-19
22.3 Regional and Local Overview	22-19
22.4 Existing Conditions	22-20
22.4.1 Existing Regional and Local Information	22-20
22.4.2 Baseline (Risk Assessment) Studies	22-21
22.4.2.1 Methods	22-21
22.4.2.2 Results	22-24
22.5 Project Effects Assessment	22-30
22.5.1 Thresholds for Determining Significance of Residual Effects	22-30
22.5.2 Project Effects	22-30
22.5.2.1 Project Interactions	22-30
22.5.2.2 Discussion of Potential Effects	22-30
22.5.2.3 Transboundary Effects	22-33
22.5.3 Mitigation Measures	22-33
22.5.4 Characterization of Residual Effects, Significance, Likelihood and Confidence	22-36
22.5.4.1 Assessment Methods	22-36
22.5.4.2 Potential Residual Effects Assessment	22-40
22.5.4.3 Characterization of Residual Effects	22-51
22.5.4.4 Summary of Residual Effects Assessment	22-55
22.6 Cumulative Effects Assessment	22-56
22.6.1 Overview of Residual Effects	22-56
22.6.2 Assessment Boundaries	22-57
22.6.3 Identifying Past, Present, and Reasonably Foreseeable Projects and/or Activities	22-57
22.6.4 Identification of Cumulative Effects	22-58
22.6.4.1 Potential Cumulative Effects on Terrestrial Wildlife Health	22-59
22.6.4.2 Potential Cumulative Effects on Aquatic Wildlife Health	22-60
22.6.4.3 Potential Cumulative Effects on Human Health	22-62
22.6.5 Mitigation for Cumulative Effects	22-64
22.6.6 Characterization of Residual Cumulative Effects	22-64
22.6.6.1 Terrestrial Wildlife Health	22-64
22.6.6.2 Aquatic Wildlife Health	22-66
22.6.6.3 Human Health	22-68
22.6.7 Summary of Cumulative Effects Assessment	22-69

23.7.1.2	Lands and Resources Sector	23-58
23.7.1.3	Traditional Knowledge and Language Sector	23-68
23.7.1.4	Social and Health Sector	23-72
23.7.1.5	Education and Employment Sector	23-77
23.7.1.6	Economic Investment Sector	23-78
23.7.2	Summary of Ktunaxa Nation's Rights and Interests	23-81
23.8	Assessment of the Effects of the Changes to the Environment on Ktunaxa Nation	23-89
23.8.1	Assessment Methods	23-89
23.8.1.1	Thresholds for Determining the Significance of Residual Effects	23-89
23.8.1.2	Determination of Valued Components	23-90
23.8.1.3	Assessment Boundaries for the Effects of Changes to the Environment on the Ktunaxa Nation	23-97
23.8.2	Potential Effects of the Changes to the Environment on Ktunaxa Nation	23-101
23.8.2.1	Project Components and Interactions	23-102
23.8.2.2	Characterization of Potential Residual Effects of the Changes to the Environment on the Ktunaxa Nation	23-102
23.8.2.3	Summary of Residual Effects Characterization	23-169
23.8.3	Cumulative Effects Assessment of the Changes to the Environment on Ktunaxa Nation	23-169
23.8.3.1	Cumulative Effects Assessment Methods	23-172
23.8.3.2	Identifying Past, Present, and Reasonably Foreseeable Projects and/or Activities	23-175
23.8.3.3	Identification of Potential Cumulative Effects of Changes to the Environment on Ktunaxa Nation	23-187
23.8.3.4	Potential Residual Cumulative Effects of the Changes to the Environment on Ktunaxa Nation	23-190
23.8.3.5	Summary of Cumulative Effects Assessment of Changes to the Environment on Ktunaxa Nation	23-208
23.9	Overview of the Changes to the Environment on Ktunaxa Nation and their Perspectives	23-211
23.10	Indigenous Impact Management Plan	23-214
23.10.1	Water Sector Impact Management	23-217
23.10.2	Lands and Resources Sector Impact Management	23-230
23.10.2.1	Fishing	23-230
23.10.2.2	Hunting and Trapping	23-231
23.10.2.3	Harvesting and Gathering	23-233
23.10.3	Traditional Knowledge and Language Sector Impact Management	23-234
23.10.4	Social and Health and Economic Investment Sectors Impact Management	23-236
23.10.5	Summary of the Indigenous Impact Management Plan	23-238
23.11	Assessment of Potential Impacts on Ktunaxa Nation Rights and Interests	23-238
23.11.1	Assessment Methods	23-239
23.11.1.1	Limitations of the Impact on Rights and Interests Assessment	23-240
23.11.1.2	Assessment Boundaries	23-241

23.11.2 Potential Impact on Ktunaxa Nation Rights and Interests	23-241
23.11.2.1 Characterization of Severity of Adverse Impacts on Ktunaxa Nation's Rights and Interests	23-242
23.11.2.2 Summary of Impact on Ktunaxa Nation's Rights and Interests Assessment	23-294
23.12 Follow-up Strategy	23-301
23.13 References	23-302

-------------	------------------------------------

Table of Contents

24. Shuswap Band (Kenpesq't)	24-1
24.1 Introduction	24-1
24.1.1 Indigenous Communities	24-2
24.1.2 Regulatory and Policy Setting	24-3
24.1.2.1 Indigenous Communities	24-3
24.1.2.2 Regulatory Setting	24-4
24.1.2.3 Regional Land Use Policies and Plans	24-6
24.2 Environmental Setting	24-8
24.2.1 Atmospheric Environment	24-8
24.2.2 Acoustic Environment	24-9
24.2.3 Soils and Terrain	24-9
24.2.4 Groundwater and Surface Water	24-11
24.2.5 Fish and Fish Habitat	24-12
24.2.6 Terrestrial Ecosystems and Vegetation	24-13
24.2.7 Wildlife and Wildlife Habitat	24-15
24.2.8 Physical and Cultural Heritage	24-17
24.2.9 Social and Economic Conditions	24-17
24.3 Overview of the Assessment Methodology	24-18
24.4 Introduction to the Shuswap Band	24-20
24.4.1 Information Sources	24-21
24.4.1.1 Limitations of Information Sources	24-21
24.5 Shuswap Band Consultation and Engagement Summary	24-21
24.5.1 Engagement Protocols	24-22
24.5.2 Project Development and Pre-Application Engagement	24-22
24.5.3 Future Engagement	24-23
24.5.4 Preliminary Understanding of Rights and Interests	24-24
24.6 Shuswap Band Baseline Conditions and Rights and Interests	24-30
24.6.1 Governance	24-30
24.6.2 History and Ethnography	24-33
24.6.3 Language	24-35
24.6.4 Population	24-35
24.6.5 Community, Reserve, and Traditional Territory	24-36
24.6.5.1 Community and Reserve Lands	24-38
24.6.6 Shuswap Band's Rights and Interests: Historic and Current Use of Lands and Resources for Traditional Purposes	24-40
24.6.6.1 Fishing	24-44
24.6.6.2 Hunting and Trapping	24-46
24.6.6.3 Harvesting and Gathering	24-48
24.6.6.4 Ceremonial/Sacred Areas	24-49
24.6.6.5 Access and Travel Routes	24-51
24.6.6.6 Physical and Cultural Heritage	24-52
24.6.6.7 Social and Health Conditions	24-54
24.6.6.8 Economic Conditions	24-59
24.6.7 Summary of Shuswap Band's Rights and Interests	24-61

24.7	Assessment of the Effects of the Changes to the Environment on Shuswap Band	24-65
24.7.1	Thresholds for Determining the Significance of Residual Effects.....	24-66
24.7.2	Assessment Methods.....	24-67
24.7.2.1	Assessment Boundaries for the Effects of Changes to the Environment on Shuswap.....	24-68
24.7.3	Potential Effects of the Changes to the Environment on the Shuswap Band	24-72
24.7.3.1	Project Components and Interactions	24-73
24.7.3.2	Characterization of Potential Residual Effects of the Changes to the Environment on Shuswap Band	24-73
24.7.3.3	Summary of Potential Residual Effects of Changes to the Environment on the Shuswap Band.....	24-123
24.7.4	Cumulative Effects Assessment of the Changes to the Environment on Shuswap Band	24-123
24.7.4.1	Cumulative Effects Assessment Methods	24-126
24.7.4.2	Identifying Past, Present, and Reasonably Foreseeable Projects and/or Activities	24-129
24.7.4.3	Identification of Potential Cumulative Effects of Changes to the Environment on the Shuswap Band.....	24-133
24.7.4.4	Potential Residual Cumulative Effects of the Changes to the Environment on the Shuswap Band.....	24-137
24.7.4.5	Summary of Cumulative Effects Assessment of the Changes to the Environment on the Shuswap Band.....	24-147
24.8	Overview of the Changes to the Environment on Shuswap Band and their Perspectives	24-150
24.9	Indigenous Impact Management Plan	24-151
24.9.1	Use of Lands and Resources for Traditional Fishing Purposes.....	24-154
24.9.2	Use of Lands and Resources for Traditional Hunting and Trapping Purposes	24-165
24.9.3	Use of Lands and Resources for Traditional Harvesting and Gathering Purposes	24-166
24.9.4	Physical and Cultural Heritage, and Change to any Structure, Site, or Thing that is of Historical, Archaeological, Paleontological, or Architectural Significance.....	24-168
24.9.5	Social, Health, and Economic Conditions.....	24-169
24.9.6	Summary of the Indigenous Impact Management Plan	24-171
24.10	Assessment of Potential Impacts on Shuswap Band’s Rights and Interests.....	24-171
24.10.1	Assessment Methods.....	24-172
24.10.1.1	Limitations of the Impact on Rights and Interests Assessment	24-173
24.10.1.2	Assessment Boundaries	24-174
24.10.2	Potential Impact on Shuswap Band’s Rights and Interests.....	24-174
24.10.2.1	Characterization of Severity of Adverse Impacts on Shuswap Band’s Rights and Interests.....	24-175
24.10.2.2	Summary of Impact on Shuswap Band’s Rights and Interests Assessment.....	24-210

Appendix 24-A. Summary of Indigenous Consultation

Table of Contents

25. Stoney Nakoda Nations (Iyarhe Nakoda)	25-1
25.1 Introduction	25-1
25.1.1 Indigenous Communities	25-2
25.1.2 Regulatory and Policy Setting	25-3
25.1.2.1 Indigenous Communities	25-3
25.1.2.2 Regulatory Setting	25-4
25.1.2.3 Regional Land Use Policies and Plans	25-6
25.2 Environmental Setting	25-8
25.2.1 Atmospheric Environment	25-8
25.2.2 Acoustic Environment	25-9
25.2.3 Soils and Terrain	25-9
25.2.4 Groundwater and Surface Water	25-11
25.2.5 Fish and Fish Habitat	25-12
25.2.6 Terrestrial Ecosystems and Vegetation	25-13
25.2.7 Wildlife and Wildlife Habitat	25-15
25.2.8 Physical and Cultural Heritage	25-16
25.2.9 Social and Economic Conditions	25-17
25.3 Overview of the Assessment Methodology	25-18
25.4 Introduction to Stoney Nakoda Nations (Iyarhe Nakoda)	25-20
25.4.1 Information Sources	25-21
25.4.1.1 Limitations of Information Sources	25-21
25.5 Consultation and Engagement Summary	25-21
25.5.1 Engagement Protocols	25-22
25.5.2 Project Development and Pre-Application Engagement	25-22
25.5.3 Future Engagement	25-23
25.5.4 Preliminary Understanding of Rights and Interests	25-24
25.6 Stoney Nakoda Nations Baseline Conditions and Rights and Interests	25-25
25.6.1 Governance	25-25
25.6.2 History and Ethnography	25-26
25.6.3 Language	25-26
25.6.4 Population	25-27
25.6.5 Community, Reserves, and Traditional Territory	25-27
25.6.5.1 Community and Reserve Lands	25-31
25.6.6 Stoney Nakoda Rights and Interests: Historic and Current Use of Lands and Resources for Traditional Purposes	25-33
25.6.6.1 Fishing	25-36
25.6.6.2 Hunting and Trapping	25-37
25.6.6.3 Harvesting and Gathering	25-39
25.6.6.4 Ceremonial/Sacred Areas	25-40
25.6.6.5 Access and Travel Routes	25-42
25.6.6.6 Physical and Cultural Heritage	25-43
25.6.6.7 Social and Health Conditions	25-44
25.6.6.8 Economic Conditions	25-48
25.6.7 Summary of Stoney Nakoda Nations' Rights and Interests	25-49

25.7	Assessment of the Effects of Changes to the Environment on the Stoney Nakoda Nations	25-54
25.7.1	Thresholds for Determining the Significance of Residual Effects.....	25-54
25.7.2	Assessment Methods.....	25-55
25.7.2.1	Assessment Boundaries for the Effects of Changes to the Environment on Stoney Nakoda Nations	25-56
25.7.3	Potential Effects of Changes to the Environment on the Stoney Nakoda Nations	25-57
25.7.3.1	Project Components and Interactions	25-61
25.7.3.2	Characterization of Potential Residual Effects of the Changes to the Environment on Stoney Nakoda Nations	25-74
25.7.3.3	Summary of Potential Residual Effects of Changes to the Environment on the Stoney Nakoda Nations.....	25-99
25.7.4	Cumulative Effects Assessment.....	25-99
25.7.4.1	Cumulative Effects Assessment Methods	25-102
25.7.4.2	Identifying Past, Present, and Reasonably Foreseeable Projects and/or Activities	25-104
25.7.4.3	Identification of Potential Cumulative Effects of Changes to the Environment on the Stoney Nakoda Nations.....	25-109
25.7.4.4	Potential Residual Cumulative Effects of Changes to the Environment on the Stoney Nakoda Nations.....	25-112
25.7.4.5	Summary of Cumulative Effects Assessment of the Changes to the Environment on the Stoney Nakoda Nations.....	25-122
25.8	Overview of the Changes to the Environment on the Stoney Nakoda Nations	25-125
25.9	Indigenous Impact Management Plan	25-126
25.9.1	Use of Lands and Resources for Traditional Fishing Purposes.....	25-128
25.9.2	Use of Lands and Resources for Traditional Hunting and Trapping Purposes	25-129
25.9.3	Use of Lands and Resources for Traditional Harvesting and Gathering Purposes.....	25-131
25.9.4	Physical and Cultural Heritage, and Change to any Structure, Site, or Thing that is of Historical, Archaeological, Paleontological, or Architectural Significance Impact Management	25-132
25.9.5	Social, Health, and Economic Conditions Impact Management	25-133
25.9.6	Summary of the Indigenous Impact Management Plan	25-135
25.10	Assessment of Potential Impacts on the Stoney Nakoda Nations' Rights and Interests ..	25-145
25.10.1	Assessment Methods.....	25-145
25.10.1.1	Limitations of the Impact on Rights and Interests Assessment	25-146
25.10.1.2	Assessment Boundaries	25-147
25.10.2	Potential Impact on the Stoney Nakoda Nations' Rights and Interests.....	25-147
25.10.2.1	Characterization of Severity of Adverse Impacts on the Stoney Nakoda Nations' Rights and Interests	25-148
25.10.2.2	Summary of the Assessment on the Impacts to the Stoney Nakoda Nations' Rights and Interests Assessment	25-182

26.4 Introduction to the Métis Nation of British Columbia	26-20
26.4.1 Information Sources	26-21
26.4.1.1 Limitations of Information Sources	26-21
26.5 Métis Nation of British Columbia Consultation and Engagement Summary	26-22
26.5.1 Engagement Protocols	26-22
26.5.2 Project Development and Pre-Application Engagement	26-22
26.5.3 Future Engagement	26-24
26.5.4 Preliminary Understanding of Rights and Interests	26-24
26.6 Métis Nation of British Columbia Baseline Conditions and Rights and Interests	26-25
26.6.1 Governance	26-26
26.6.2 History and Ethnography	26-28
26.6.3 Language	26-30
26.6.4 Population	26-31
26.6.5 Community and Traditional Territory	26-31
26.6.5.1 Community	26-32
26.6.6 MNBC and EVM Nation’s Rights and Interests: Historic and Current Use of Lands and Resources for Traditional Purposes	26-33
26.6.6.1 Fishing	26-38
26.6.6.2 Hunting and Trapping	26-39
26.6.6.3 Harvesting and Gathering	26-40
26.6.6.4 Ceremonial/Sacred Areas	26-41
26.6.6.5 Access and Travel Routes	26-41
26.6.6.6 Physical and Cultural Heritage	26-42
26.6.6.7 Social and Health Conditions	26-43

	26.6.6.8	Economic Conditions	26-47
	26.6.7	Summary of Métis Nation B.C.'s Rights and Interests	26-48
26.7		Assessment of the Effects of the Changes to the Environment on Métis Nation B.C.....	26-50
	26.7.1	Thresholds for Determining the Significance of Residual Effects ..	26-51
	26.7.2	Assessment Methods	26-52
	26.7.2.1	Assessment Boundaries for the Effects of Changes to the Environment on MNBC	26-53
	26.7.3	Potential Effects of Changes to the Environment on the MNBC	26-55
	26.7.3.1	Project Components and Interactions	26-58
	26.7.3.2	Characterization of Potential Residual Effects to the Environment on MNBC	26-72
	26.7.3.3	Summary of Potential Residual Effects of the Changes to the Environment on the MNBC	26-100
	26.7.4	Cumulative Effects Assessment of the Changes to the Environment on the MNBC.....	26-100
	26.7.4.1	Cumulative Effects Assessment Methods	26-103
	26.7.4.2	Identifying Past, Present, and Reasonably Foreseeable Projects and/or Activities	26-105
	26.7.4.3	Identification of Potential Cumulative Effects of Changes to the Environment on the MNBC	26-110
	26.7.4.4	Potential Residual Cumulative Effects of the Changes to the Environment on MNBC	26-113
	26.7.4.5	Summary of Cumulative Effects Assessment of the Changes to the Environment on MNBC	26-122
26.8		Overview of the Changes to the Environment on Métis Nation of British Columbia and their Perspectives	26-125
26.9		Indigenous Impact Management Plan	26-126
	26.9.1	Use of Lands and Resources for Traditional Fishing Purposes	26-128
	26.9.2	Use of Lands and Resources for Traditional Hunting and Trapping Purposes	26-139
	26.9.3	Use of Lands and Resources for Traditional Harvesting and Gathering Purposes	26-141
	26.9.4	Physical and Cultural Heritage, and Change to any Structure, Site, or Thing that is of Historical, Archaeological, Paleontological, or Architectural Significance Impact Management.....	26-142
	26.9.5	Social, Health, and Economic Conditions Impact Management ...	26-143
	26.9.6	Summary of Indigenous Impact Management Plan Commitments	26-145
26.10		Assessment of Potential Impacts on Métis Nation of British Columbia's Rights and Interests	26-145
	26.10.1	Assessment Methods	26-146
	26.10.1.1	Limitations of the Impact on Rights and Interests Assessment	26-147
	26.10.1.2	Assessment Boundaries	26-148
	26.10.2	Potential Impact on MNBC Rights and Interests	26-148

26.10.2.1	Characterization of Severity of Adverse Impacts on MNBC's Rights and Interests	26-149
26.10.2.2	Summary of the Assessment on the Impacts to MNBC's (including EVM Nation) Rights and Interests	26-182
26.11	Follow-up Strategy	26-188
26.12	References	26-189

Appendix 26-A.	Summary of Indigenous Consultation
----------------	------------------------------------

Table of Contents

27. Kainai (Blood Tribe)	27-1
27.1 Introduction	27-1
27.1.1 Indigenous Communities	27-1
27.1.2 Regulatory and Policy Setting	27-2
27.1.2.1 Indigenous Communities	27-2
27.1.2.2 Regulatory Setting	27-3
27.1.2.3 Regional Land Use Policies and Plans	27-6
27.2 Environmental Setting	27-7
27.2.1 Atmospheric Environment	27-8
27.2.2 Acoustic Environment	27-9
27.2.3 Soils and Terrain	27-9
27.2.4 Groundwater and Surface Water	27-10
27.2.5 Fish and Fish Habitat	27-11
27.2.6 Terrestrial Ecosystems and Vegetation	27-13
27.2.7 Wildlife and Wildlife Habitat	27-14
27.2.8 Physical and Cultural Heritage	27-16
27.2.9 Social and Economic Conditions	27-17
27.3 Overview of the Assessment Methodology	27-17
27.4 Introduction to the Kainai	27-20
27.4.1 Information Sources	27-20
27.4.1.1 Limitations of Information Sources	27-21
27.5 Kainai Consultation and Engagement Summary	27-21
27.5.1 Engagement Protocols	27-21
27.5.2 Project Development and Pre-Application Engagement	27-21
27.5.3 Future Engagement	27-23
27.5.4 Preliminary Understanding of Rights and Interests	27-24
27.6 Kainai Baseline Conditions and Rights and Interests	27-25
27.6.1 Governance	27-26
27.6.2 History and Ethnography	27-26
27.6.3 Language	27-28
27.6.4 Population	27-28
27.6.5 Community, Reserves, and Traditional Territory	27-28
27.6.5.1 Community and Reserve Lands	27-31
27.6.6 Kainai's Rights and Interests: Historic and Current Use of Lands and Resources for Traditional Purposes	27-32
27.6.6.1 Fishing	27-37
27.6.6.2 Hunting and Trapping	27-38
27.6.6.3 Harvesting and Gathering	27-39
27.6.6.4 Ceremonial/Sacred Areas	27-40
27.6.6.5 Access and Travel Routes	27-41
27.6.6.6 Physical and Cultural Heritage	27-43
27.6.6.7 Social and Health Conditions	27-44
27.6.6.8 Economic Conditions	27-47
27.6.7 Summary of the Kainai's Rights and Interests	27-48

27.7	Assessment of the Effects of Changes to the Environment on the Kainai	27-53
27.7.1	Thresholds for Determining the Significance of Residual Effects.....	27-53
27.7.2	Assessment Methods.....	27-54
27.7.2.1	Assessment Boundaries for the Effects of Changes to the Environment on the Kainai.....	27-55
27.7.3	Potential Effects of the Changes to the Environment on the Kainai	27-59
27.7.3.1	Project Components and Interactions	27-60
27.7.3.2	Characterization of Potential Residual Effects of the Changes to the Environment on the Kainai.....	27-73
27.7.3.3	Summary of Potential Residual Effects of Changes to the Environment on the Kainai.....	27-96
27.7.4	Cumulative Effects Assessment of the Changes to the Environment on the Kainai	27-96
27.7.4.1	Cumulative Effects Assessment Methods	27-99
27.7.4.2	Identifying Past, Present, and Reasonably Foreseeable Projects and/or Activities	27-101
27.7.4.3	Identification of Potential Cumulative Effects of the Changes to the Environment on the Kainai.....	27-106
27.7.4.4	Potential Residual Cumulative Effects of the Changes to the Environment on the Kainai.....	27-109
27.7.4.5	Summary of Cumulative Effects Assessment of the Changes to the Environment on the Kainai.....	27-119
27.8	Overview of the Changes to the Environment on the Kainai and their Perspectives.....	27-122
27.9	Indigenous Impact Management Plan	27-123
27.9.1	Use of Lands and Resources for Traditional Fishing Purposes.....	27-125
27.9.2	Use of Lands and Resources for Traditional Hunting and Trapping Purposes	27-136
27.9.3	Use of Lands and Resources for Traditional Harvesting and Gathering Purposes.....	27-138
27.9.4	Physical and Cultural Heritage, and Change to any Structure, Site, or Thing that is of Historical, Archaeological, Paleontological, or Architectural Significance Impact Management.....	27-139
27.9.5	Social, Health, and Economic Conditions Impact Management	27-140
27.9.6	Summary of the Indigenous Impact Management Plan	27-142
27.10	Assessment of Potential Impacts on the Kainai's Rights and Interests.....	27-142
27.10.1	Assessment Methods.....	27-143
27.10.1.1	Limitations of the Impact on Rights and Interests Assessment.....	27-144
27.10.1.2	Assessment Boundaries	27-145
27.10.2	Potential Impacts on the Kainai's Rights and Interests	27-145
27.10.2.1	Characterization of Severity of Adverse Impacts on the Kainai's Rights and Interests.....	27-146
27.10.2.2	Summary of the Assessment on the Impacts to the Kainai's Rights and Interests.....	27-180
27.11	Follow-up Strategy	27-186
27.12	References	27-187

Appendix 27-A. Summary of Indigenous Consultation

Table of Contents

28. Piikani Nation (Aapátóhsipikáni)	28-1
28.1 Introduction	28-1
28.1.1 Indigenous Communities	28-2
28.1.2 Regulatory and Policy Setting.....	28-3
28.1.2.1 Indigenous Communities.....	28-3
28.1.2.2 Regulatory Setting.....	28-4
28.1.2.3 Regional Land Use Policies and Plans	28-6
28.2 Environmental Setting.....	28-8
28.2.1 Atmospheric Environment	28-8
28.2.2 Acoustic Environment.....	28-9
28.2.3 Soils and Terrain	28-9
28.2.4 Groundwater and Surface Water	28-11
28.2.5 Fish and Fish Habitat.....	28-12
28.2.6 Terrestrial Ecosystems and Vegetation	28-13
28.2.7 Wildlife and Wildlife Habitat	28-15
28.2.8 Physical and Cultural Heritage.....	28-16
28.2.9 Social and Economic Conditions.....	28-17
28.3 Overview of Assessment Methodology.....	28-18
28.4 Introduction to the Piikani Nation (Aapátóhsipikáni)	28-20
28.4.1 Information Sources	28-21
28.4.1.1 Limitations of Information Sources	28-21
28.5 Piikani Nation Consultation and Engagement Summary.....	28-21
28.5.1 Engagement Protocols.....	28-22
28.5.2 Project Development and Pre-Application Engagement	28-22
28.5.3 Future Engagement	28-25
28.5.4 Preliminary Understanding of Rights and Interests.....	28-25
28.6 Piikani Nation Baseline Conditions and Rights and Interests	28-29
28.6.1 Governance	28-30
28.6.2 History and Ethnography	28-30
28.6.3 Language	28-31
28.6.4 Population.....	28-32
28.6.5 Community, Reserve, and Traditional Territory.....	28-32
28.6.5.1 Community and Reserve Lands	28-36
28.6.6 Piikani Nation’s Rights and Interests: Historic and Current Use of Lands and Resources for Traditional Purposes.....	28-36
28.6.6.1 Fishing.....	28-40
28.6.6.2 Hunting and Trapping	28-41
28.6.6.3 Harvesting and Gathering	28-43
28.6.6.4 Ceremonial/Sacred Areas.....	28-44
28.6.6.5 Access and Travel Routes.....	28-46
28.6.6.6 Physical and Cultural Heritage.....	28-47
28.6.6.7 Social and Health Conditions.....	28-50
28.6.6.8 Economic Conditions	28-53
28.6.7 Summary of Piikani Nation’s Rights and Interests.....	28-54

28.7	Assessment of the Effects of Changes to the Environment on Piikani Nation	28-59
28.7.1	Thresholds for Determining the Significance of Residual Effects	28-59
28.7.2	Assessment Methods	28-60
28.7.2.1	Assessment Boundaries for the Effects of Changes to the Environment on Piikani Nation	28-62
28.7.3	Potential Effects of the Changes to the Environment on Piikani Nation	28-66
28.7.3.1	Project Components and Interactions	28-66
28.7.3.2	Characterization of Potential Residual Effects of the Changes to the Environment on Piikani Nation	28-67
28.7.3.3	Summary of Potential Residual Effects of Changes to the Environment on Piikani Nation	28-105
28.7.4	Cumulative Effects Assessment of the Changes to the Environment on Piikani Nation	28-108
28.7.4.1	Cumulative Effects Assessment Methods	28-108
28.7.4.2	Identifying Past, Present, and Reasonably Foreseeable Projects and/or Activities	28-111
28.7.4.3	Identification of Potential Cumulative Effects of Changes to the Environment on the Piikani Nation	28-116
28.7.4.4	Potential Residual Cumulative Effects of Changes to the Environment on Piikani Nation	28-119
28.7.4.5	Summary of Cumulative Effects Assessment of the Changes of the Environment on Piikani Nation	28-128
28.8	Overview of the Changes to the Environment on Piikani Nation and their Perspectives.	28-131
28.9	Indigenous Impact Management Plan	28-132
28.9.1	Use of Lands and Resources for Traditional Fishing Purposes	28-134
28.9.2	Use of Lands and Resources for Traditional Hunting and Trapping Purposes	28-135
28.9.3	Use of Lands and Resources for Traditional Harvesting and Gathering Purposes	28-137
28.9.4	Physical and Cultural Heritage, and Change to any Structure, Site, or Thing that is of Historical, Archaeological, Paleontological, or Architectural Significance Impact Management	28-138
28.9.5	Social, Health, and Economic Conditions Impact Management	28-139
28.9.6	Summary of Indigenous Impact Management Plan Commitments	28-141
28.10	Assessment of Potential Impacts on Piikani Nation’s Rights and Interests	28-151
28.10.1	Assessment Methods	28-151
28.10.1.1	Limitations of the Impact on Rights and Interests Assessment	28-152
28.10.1.2	Assessment Boundaries	28-153
28.10.2	Potential Impact on Piikani Nation’s Rights and Interests	28-153

Appendix 28-A. Summary of Indigenous Consultation

Table of Contents

29. Siksika Nation	29-1
29.1 Introduction	29-1
29.1.1 Indigenous Communities	29-1
29.1.2 Regulatory and Policy Setting	29-2
29.1.2.1 Indigenous Communities	29-2
29.1.2.2 Regulatory Setting	29-3
29.1.2.3 Regional Land Use Policies and Plans	29-6
29.2 Environmental Setting	29-7
29.2.1 Atmospheric Environment	29-8
29.2.2 Acoustic Environment	29-9
29.2.3 Soils and Terrain	29-9
29.2.4 Groundwater and Surface Water	29-10
29.2.5 Fish and Fish Habitat	29-11
29.2.6 Terrestrial Ecosystems and Vegetation	29-13
29.2.7 Wildlife and Wildlife Habitat	29-14
29.2.8 Physical and Cultural Heritage	29-16
29.2.9 Social and Economic Conditions	29-17
29.3 Overview of the Assessment Methodology	29-17
29.4 Introduction to the Siksika Nation	29-20
29.4.1 Information Sources	29-20
29.4.1.1 Limitations of Information Sources	29-21
29.5 Siksika Nation Consultation and Engagement Summary	29-21
29.5.1 Engagement Protocols	29-21
29.5.2 Project Development and Pre-Application Engagement	29-21
29.5.3 Future Engagement	29-24
29.5.4 Preliminary Understanding of Rights and Interests	29-24
29.6 Siksika Nation Baseline Conditions and Rights and Interests	29-26
29.6.1 Governance	29-26
29.6.2 History and Ethnography	29-27
29.6.3 Language	29-27
29.6.4 Population	29-28
29.6.5 Community, Reserve, and Traditional Territory	29-28
29.6.6 Siksika Nation’s Rights and Interests: Historic and Current Use of Lands and Resources for Traditional Purposes	29-34
29.6.6.1 Fishing	29-37
29.6.6.2 Hunting and Trapping	29-37
29.6.6.3 Harvesting and Gathering	29-40
29.6.6.4 Ceremonial/Sacred Areas	29-41
29.6.6.5 Access and Travel Routes	29-42
29.6.6.6 Physical and Cultural Heritage	29-43
29.6.6.7 Social and Health Conditions	29-44
29.6.6.8 Economic Conditions	29-48
29.6.7 Summary of the Siksika Nation’s Rights and Interests	29-49
29.7 Assessment of the Effects of the Changes to the Environment on Siksika Nation	29-52

29.7.1	Thresholds for Determining the Significance of Residual Effects	29-53
29.7.2	Assessment Methods.....	29-54
29.7.2.1	Assessment Boundaries for the Effects of Changes to the Environment on Siksika Nation	29-55
29.7.3	Potential Effects of the Changes to the Environment on the Siksika Nation	29-59
29.7.3.1	Project Component and Interactions.....	29-60
29.7.3.2	Characterization of Potential Residual Effects of the Changes to the Environment on the Siksika Nation	29-74
29.7.3.3	Summary of Potential Residual Effects of Changes to the Environment on the Siksika Nation	29-97
29.7.4	Cumulative Effects Assessment of the Changes to the Environment on Siksika Nation.....	29-97
29.7.4.1	Cumulative Effects Assessment Methods	29-100
29.7.4.2	Identifying Past, Present, and Reasonably Foreseeable Projects and/or Activities	29-103
29.7.4.3	Identification of Potential Cumulative Effects of Changes to the Environment on the Siksika Nation	29-107
29.7.4.4	Potential Residual Cumulative Effects of the Changes to the Environment on the Siksika Nation	29-110
29.7.4.5	Summary of Cumulative Effects Assessment of the Changes to the Environment on the Siksika Nation	29-120
29.8	Overview of the Changes to the Environment on Siksika Nation and their Perspectives.	29-123
29.9	Indigenous Impact Management Plan	29-124
29.9.1	Use of Lands and Resources for Traditional Fishing Purposes	29-126
29.9.2	Use of Lands and Resources for Traditional Hunting and Trapping Purposes	29-127
29.9.3	Use of Lands and Resources for Traditional Harvesting and Gathering Purposes.....	29-129
29.9.4	Physical and Cultural Heritage, and Change to any Structure, Site, or Thing that is of Historical, Archaeological, Paleontological, or Architectural Significance Impact Management	29-130
29.9.5	Social, Health, and Economic Conditions Impact Management.....	29-131
29.9.6	Summary of the Indigenous Impact Management Plan	29-133
29.10	Assessment of Potential Impacts on Siksika Nation’s Rights and Interests.....	29-143
29.10.1	Assessment Methods	29-143
29.10.1.1	Limitations of the Impact on Rights and Interests Assessment	29-144
29.10.1.2	Assessment Boundaries	29-145
29.10.2	Potential Impact on Siksika Nation’s Rights and Interests	29-145
29.10.2.1	Characterization of Severity of Adverse Impacts on the Siksika Nation’s Rights and Interests	29-146
29.10.2.2	Summary of the Assessment on the Impacts to Siksika Nation’s Rights and Interests.....	29-179
29.11	Follow-up Strategy	29-185
29.12	References	29-186

Appendix 29-A. Summary of Indigenous Consultation

Table of Contents

30.	Tsuut'ina Nation	30-1
30.1	Introduction	30-1
30.1.1	Indigenous Communities	30-1
30.1.2	Regulatory and Policy Setting	30-2
30.1.2.1	Indigenous Communities	30-2
30.1.2.2	Regulatory Setting	30-3
30.1.2.3	Regional Land Use Policies and Plans	30-6
30.2	Environmental Setting	30-7
30.2.1	Atmospheric Environment	30-8
30.2.2	Acoustic Environment	30-9
30.2.3	Soils and Terrain	30-9
30.2.4	Groundwater and Surface Water	30-10
30.2.5	Fish and Fish Habitat	30-11
30.2.6	Terrestrial Ecosystems and Vegetation	30-13
30.2.7	Wildlife and Wildlife Habitat	30-14
30.2.8	Physical and Cultural Heritage	30-16
30.2.9	Social and Economic Conditions	30-17
30.3	Overview of the Assessment Methodology	30-17
30.4	Introduction to the Tsuut'ina Nation	30-20
30.4.1	Information Sources	30-20
30.4.1.1	Limitations of Information Sources	30-21
30.5	Tsuut'ina Nation Consultation and Engagement Summary	30-21
30.5.1	Engagement Protocols	30-21
30.5.2	Project Development and Pre-Application Engagement	30-21
30.5.3	Future Engagement	30-23
30.5.4	Preliminary Understanding of Rights and Interests	30-23
30.6	Tsuut'ina Nation Baseline Conditions and Rights and Interests	30-27
30.6.1	Governance	30-27
30.6.2	History and Ethnography	30-28
30.6.3	Language	30-28
30.6.4	Population	30-29
30.6.5	Community, Reserve, and Traditional Territory	30-29
30.6.5.1	Community and Reserve Lands	30-33
30.6.6	Tsuut'ina Nation's Rights and Interests: Historical and Current Use of Lands and Resources for Traditional Purposes	30-33
30.6.6.1	Fishing	30-37
30.6.6.2	Hunting and Trapping	30-38
30.6.6.3	Harvesting and Gathering	30-40
30.6.6.4	Ceremonial/Sacred Areas	30-41
30.6.6.5	Access and Travel Routes	30-42
30.6.6.6	Physical and Cultural Heritage	30-43
30.6.6.7	Social and Health Conditions	30-44
30.6.6.8	Economic Conditions	30-48
30.6.7	Summary of Tsuut'ina Nation's Rights and Interests	30-49

30.7	Assessment of the Effects of Changes to the Environment on Tsuut'ina Nation	30-55
30.7.1	Thresholds for Determining the Significance of Residual Effects.....	30-55
30.7.2	Assessment Methods.....	30-56
30.7.2.1	Assessment Boundaries for the Effects of Changes to the Environment on Tsuut'ina Nation	30-57
30.7.3	Potential Effects of the Changes to the Environment on Tsuut'ina Nation.....	30-58
30.7.3.1	Project Components and Interactions	30-62
30.7.3.2	Characterization of Potential Residual Effects of the Changes to the Environment on Tsuut'ina Nation	30-63
30.7.3.3	Summary of Potential Residual Effects of the Changes to the Environment on Tsuut'ina Nation	30-97
30.7.4	Cumulative Effects Assessment of the Changes to the Environment on the Tsuut'ina Nation	30-97
30.7.4.1	Cumulative Effects Assessment Methods	30-100
30.7.4.2	Identifying Past, Present, and Reasonably Foreseeable Projects and/or Activities	30-102
30.7.4.3	Identification of Potential Cumulative Effects of Changes to the Environment on Tsuut'ina Nation	30-107
30.7.4.4	Potential Residual Cumulative Effects of the Changes to the Environment on Tsuut'ina Nation	30-110
30.7.4.5	Summary of Cumulative Effects Assessment of the Changes to the Environment on Tsuut'ina Nation	30-120
30.8	Overview of the Changes to the Environment on Tsuut'ina Nation and their Perspectives.....	30-123
30.9	Indigenous Impact Management Plan	30-124
30.9.1	Use of Lands and Resources for Traditional Fishing Purposes.....	30-126
30.9.2	Use of Lands and Resources for Traditional Hunting and Trapping Purposes	30-127
30.9.3	Use of Lands and Resources for Traditional Harvesting and Gathering Purposes.....	30-129
30.9.4	Physical and Cultural Heritage, and Change to any Structure, Site, or Thing that is of Historical, Archaeological, Paleontological, or Architectural Significance Impact Management	30-130
30.9.5	Social, Health, and Economic Conditions Impact Management	30-131
30.9.6	Summary of Indigenous Impact Management Plan Commitments	30-133
30.10	Assessment of Potential Impacts on Tsuut'ina Nation's Rights and Interests.....	30-144
30.10.1	Assessment Methods.....	30-144
30.10.1.1	Limitations of the Impact on Rights and Interests Assessment.....	30-145
30.10.1.2	Assessment Boundaries	30-146
30.10.2	Potential Impact on Tsuut'ina Nation Rights and Interests	30-146
30.10.2.1	Characterization of Severity of Adverse Impacts on Tsuut'ina Nation's Rights and Interests	30-147
30.10.2.2	Summary of the Assessment on the Impacts to the Tsuut'ina Nation's Rights and Interests Assessment	30-184

Appendix 30-A. Summary of Indigenous Consultation

Table of Contents

31. Métis Nation Alberta – Region 3	31-1
31.1 Introduction	31-1
31.1.1 Indigenous Communities	31-2
31.1.2 Regulatory and Policy Setting	31-3
31.1.2.1 Indigenous Communities	31-3
31.1.2.2 Regulatory Setting	31-4
31.1.2.3 Regional Land Use Policies and Plans	31-6
31.2 Environmental Setting.....	31-8
31.2.1 Atmospheric Environment	31-8
31.2.2 Acoustic Environment	31-9
31.2.3 Soils and Terrain	31-9
31.2.4 Groundwater and Surface Water	31-11
31.2.5 Fish and Fish Habitat	31-12
31.2.6 Terrestrial Ecosystems and Vegetation	31-13
31.2.7 Wildlife and Wildlife Habitat	31-15
31.2.8 Physical and Cultural Heritage	31-16
31.2.9 Social and Economic Conditions	31-17
31.3 Overview of the Assessment Methodology.....	31-18
31.4 Introduction to the Métis Nation Alberta – Region 3	31-20
31.4.1 Information Sources	31-21
31.4.1.1 Limitations of Information Sources	31-21
31.5 Métis Nation Alberta – Region 3 Consultation and Engagement Summary.....	31-21
31.5.1 Engagement Protocols	31-22
31.5.2 Project Development and Pre-Application Engagement	31-22
31.5.3 Future Engagement.....	31-24
31.5.4 Preliminary Understanding of Rights and Interests	31-25
31.6 Métis Nation Alberta – Region 3 Baseline Conditions and Rights and Interests	31-26
31.6.1 Governance	31-27
31.6.2 History and Ethnography	31-28
31.6.3 Language	31-29
31.6.4 Population	31-29
31.6.5 Community and Traditional Territory	31-30
31.6.5.1 Community	31-32
31.6.6 MNA – Region 3's Rights and Interests: Historic and Current Use of Lands and Resources for Traditional Purposes	31-34
31.6.6.1 Fishing.....	31-37
31.6.6.2 Hunting and Trapping	31-38
31.6.6.3 Harvesting and Gathering.....	31-38
31.6.6.4 Ceremonial/Sacred Areas	31-39
31.6.6.5 Access and Travel Routes	31-40
31.6.6.6 Physical and Cultural Heritage	31-41
31.6.6.7 Social and Health Conditions	31-42
31.6.6.8 Economic Conditions.....	31-46

31.6.7	Summary of Métis Nation of Alberta – Region 3’s Rights and Interests....	31-47
31.7	Assessment of the Effects of Changes to the Environment on Métis Nation of Alberta – Region 3	31-50
31.7.1	Thresholds for Determining the Significance of Residual Effects	31-51
31.7.2	Assessment Methods	31-51
31.7.2.1	Assessment Boundaries for the Effects of Changes to the Environment on MNA – Region 3	31-53
31.7.3	Potential Effects of the Changes to the Environment on MNA – Region 3	31-57
31.7.3.1	Project Components and Interactions	31-57
31.7.3.2	Characterization of Potential Residual Effects to the Environment on MNA – Region 3	31-58
31.7.3.3	Summary of Potential Residual Effects of the Changes to the Environment on MNA – Region 3	31-89
31.7.4	Cumulative Effects Assessment of the Changes to the Environment on MNA – Region 3	31-92
31.7.4.1	Cumulative Effects Assessment Methods	31-92
31.7.4.2	Identifying Past, Present, and Reasonably Foreseeable Projects and/or Activities	31-95
31.7.4.3	Identification of Potential Cumulative Effects of Changes to the Environment on MNA – Region 3	31-100
31.7.4.4	Potential Residual Cumulative Effects of the Changes to the Environment on MNA – Region 3	31-103
31.7.4.5	Summary of Cumulative Effects Assessment of the Changes to the Environment on Métis Nation Alberta – Region 3	31-113
31.8	Overview of the Changes to the Environment on Métis Nation Alberta – Region 3 and their Perspectives	31-116
31.9	Indigenous Impact Management Plan	31-117
31.9.1	Use of Lands and Resources for Traditional Fishing Purposes	31-119
31.9.2	Use of Lands and Resources for Traditional Hunting and Trapping Purposes	31-120
31.9.3	Use of Lands and Resources for Traditional Harvesting and Gathering Purposes	31-122
31.9.4	Physical and Cultural Heritage, and Change to any Structure, Site, or Thing that is of Historical, Archaeological, Paleontological, or Architectural Significance Impact Management	31-123
31.9.5	Social, Health, and Economic Conditions Impact Management	31-124
31.9.6	Summary of the Indigenous Impact Management Plan	31-126
31.10	Assessment of Potential Impacts on Métis Nation Alberta – Region 3’s Rights and Interests	31-137
31.10.1	Assessment Methods	31-137
31.10.1.1	Limitations of the Impact on Rights and Interests Assessment	31-138
31.10.1.2	Assessment Boundaries	31-139
31.10.2	Potential Impact on MNA – Region 3’s Rights and Interests	31-139

31.10.2.1	Characterization of Severity of Adverse Impacts on MNA – Region 3’s Rights and Interests.....	31-140
31.10.2.2	Summary of the Assessment on the Impacts to MNA – Region 3’s Rights and Interests Assessment.....	31-172
31.11	Follow-up Strategy	31-178

Table of Contents

32.	Assessment of Effects on Matters of Federal Jurisdiction	32-1
32.1	Introduction	32-1
32.2	Changes to Components of the Environment within Federal Jurisdiction	32-5
32.2.1	Assessment Boundaries	32-5
32.2.2	Thresholds for Determining Significance of Residual Effects	32-5
32.2.3	Fish and Fish Habitat	32-5
32.2.3.1	Potential Environmental Effects	32-7
32.2.3.2	Change in Fish and Fish Habitat Due to Blasting	32-11
32.2.3.3	Mitigation Measures	32-15
32.2.3.4	Residual Effects	32-21
32.2.3.5	Cumulative Effects	32-22
32.2.3.6	Summary for Fish and Fish Habitat	32-32
32.2.4	Species at Risk	32-32
32.2.4.1	Aquatic Species at Risk	32-38
32.2.4.2	Terrestrial Species at Risk	32-39
32.2.4.3	Summary for Species at Risk	32-76
32.2.5	Migratory Birds	32-76
32.2.5.1	Potential Environmental Effects	32-79
32.2.5.2	Mitigation Measures	32-81
32.2.5.3	Residual Effects	32-82
32.2.5.4	Cumulative Effects	32-84
32.2.5.5	Summary for Migratory Birds	32-85
32.3	Changes to the Environment on Transboundary Lands	32-86
32.3.1	Assessment Boundaries	32-86
32.3.2	Transboundary Considerations	32-88
32.3.2.1	Atmospheric Environment	32-88
32.3.2.2	Acoustic Environment	32-89
32.3.2.3	Soils and Terrain	32-89
32.3.2.4	Groundwater Quality and Quantity	32-89
32.3.2.5	Surface Water Quantity	32-90
32.3.2.6	Surface Water Quality	32-90
32.3.2.7	Fish and Fish Habitat	32-90
32.3.2.8	Landscapes and Ecosystems	32-91
32.3.2.9	Vegetation	32-92
32.3.2.10	Wildlife and Wildlife Habitat	32-93
32.3.2.11	Archaeological Resources / Physical and Cultural Heritage	32-96
32.3.2.12	Economic Considerations	32-97
32.3.2.13	Socio-Community and Land Use	32-97
32.3.2.14	Human and Ecological Health	32-97
32.3.2.15	Indigenous Communities	32-98
32.3.3	Project Effects Assessment	32-98
32.3.3.1	Thresholds for Determining Significance of Residual Effects	32-98
32.3.3.2	Project Effects on Transboundary Lands	32-101
32.3.3.3	Mitigation Measures	32-107

32.3.3.4	Characterization of Residual Transboundary Effects, Significance, Likelihood, and Confidence.....	32-109
32.3.4	Cumulative Effects Assessment	32-111
32.3.4.1	Assessment Boundaries.....	32-112
32.3.5	Follow-up Strategy	32-118
32.3.6	Summary of Effects to Transboundary Lands	32-119
32.4	Changes to the Environment on Indigenous Peoples	32-119
32.4.1	Assessment Boundaries.....	32-120
32.4.2	Thresholds for Determining Significance of Residual Effects	32-121
32.4.3	Health and Socio-Economic Conditions.....	32-121
32.4.4	Physical and Cultural Heritage, and any Structure, Site, or Thing that is of Historical, Archaeological, Palaeontological, or Architectural Significance	32-122
32.4.5	Current Use of Lands and Resources for Traditional Purposes.....	32-124
32.4.5.1	Water (Ktunaxa Nation).....	32-125
32.4.5.2	Fishing.....	32-126
32.4.5.3	Hunting and Trapping.....	32-128
32.4.5.4	Harvesting and Gathering.....	32-130
32.4.5.5	Ceremonial/Sacred Areas	32-132
32.4.5.6	Access and Travel Routes.....	32-133
32.4.5.7	Mitigation Measures	32-133
32.4.5.8	Cumulative Effects Assessment to the Environment on Indigenous Communities.....	32-137
32.4.6	Impact on Aboriginal and/or Treaty Rights and Interests	32-138
32.4.6.1	Impact on Current Use of Water for Traditional Purposes (Ktunaxa Nation)	32-140
32.4.6.2	Impact on Current Use of Lands and Resources for Traditional Purposes: Fishing.....	32-141
32.4.6.3	Impact on Current Use of Lands and Resources for Traditional Purposes: Hunting and Trapping	32-143
32.4.6.4	Impact on Current Use of Lands and Resources for Traditional Purposes: Harvesting and Gathering.....	32-146
32.4.6.5	Impact on Physical and Cultural Heritage and Change to a Structure, Site, or Item that is of Historical, Archaeological, Paleontological, or Architectural Significance	32-148
32.4.6.6	Impact on Health and Socio-Economic Conditions (Social, Health, and Economic Conditions).....	32-149
32.4.7	Follow-up Strategy	32-152
32.4.8	Summary of the Effects of the Changes to the Environment on Indigenous Communities and the Impact on their Rights and Interests.....	32-152
32.5	Changes to the Environment that are Directly Linked or Necessarily Incidental to Federal Decisions	32-154
32.5.1	Fisheries Act	32-155
32.5.2	Species at Risk Act	32-161
32.5.3	Migratory Birds Convention Act	32-164
32.5.4	Canadian Navigable Waters Act	32-165
32.5.5	Explosives Act.....	32-166
32.5.6	Other Approvals, Licenses, and Permits.....	32-166

32.5.7	Summary of Changes to the Environment that are Directly Linked or Necessarily Incidental to Federal Decisions	32-167
32.6	Effects of a Change to the Environment.....	32-167
32.7	Summary and Conclusions.....	32-168

Table of Contents

33. Management and Monitoring Plans	33-1
33.1 Introduction	33-1
33.2 Environmental Management System Framework	33-1
33.2.1 EMS Scope	33-2
33.2.2 Environmental Policy	33-2
33.2.3 Occupational Health and Safety	33-3
33.2.4 Adaptive Management	33-3
33.2.4.1 Adaptive Management Approach	33-3
33.3 Environmental Management Planning and Structure	33-5
33.4 Management Plans	33-6
33.4.1 Environmental	33-6
33.4.1.1 Air Quality and Greenhouse Gas Management Plan	33-6
33.4.1.2 Archaeology Management Plan	33-15
33.4.1.3 Ecological Restoration Plan	33-25
33.4.1.4 Erosion and Sediment Control Plan	33-44
33.4.1.5 Fish and Fish Habitat Management Plan	33-51
33.4.1.6 Landform Design and Reclamation Plan	33-64
33.4.1.7 Noise and Vibration Management Plan	33-80
33.4.1.8 Site Water Management Plan	33-87
33.4.1.9 Soil Management Plan	33-166
33.4.1.10 Spill Prevention, Control, and Countermeasures Plan	33-178
33.4.1.11 Vegetation and Ecosystems Management and Monitoring Plan	33-184
33.4.1.12 Waste Management Plan	33-197
33.4.1.13 Wildlife Management and Monitoring Plan	33-204
33.4.2 Health and Safety	33-223
33.4.2.1 Access Management Plan	33-223
33.4.2.2 Mine Emergency Response Plan	33-229
33.4.2.3 Health and Safety Management Plan	33-236
33.4.2.4 Traffic Control Plan	33-242
33.4.3 Communication and Reporting	33-249
33.4.3.1 Community Relations and Communications Plan	33-249
33.4.3.2 Compliance Reporting Plan	33-253
33.4.3.3 Indigenous Engagement and Reporting Plan	33-258
33.4.3.4 Indigenous Impact Management Plan	33-264
33.5 References	33-287
