Subject: RE: CEAA Milton Logistics Hub Panel - Filing of Closing Remarks

Hello Mr. Northey,

As per your discussion with Mr. Ronzio, the Review Panel will accept Halton Municipalities closing written remarks no later than 2pm, with a copy provided to CN at that time. If required, Halton Municipalities will be permitted to provide an errata to identify and correct any footnotes or references that may be incorrect.

The Review Panel requests that in addition to the errata document, Halton Municipalities also provide a clean version of the final written remarks no later than 5pm on July 17, 2019. Both the version sent at 2pm and the final version (with errata) will be posted on the Canadian Environmental Assessment Registry.

Regards,

Catherine Bailey-Jourdain

Good morning,

On behalf of the Halton Municipalities, I am writing to request an extension to the filing deadline of noon today. We have experienced some significant technical difficulties this morning with the submission. I am confident that we can get the completed submission to the Panel at or before 5:00pm today.

I am available to discuss any suggestions or issues with the Panel at your convenience. Please call me at

Sincerely,
Rod Northey
