

## **Appendix L.2**

Relative Abundance of Avian Species – March 2021  
Completed for the Updated 2021 Beaver Dam Mine EIS

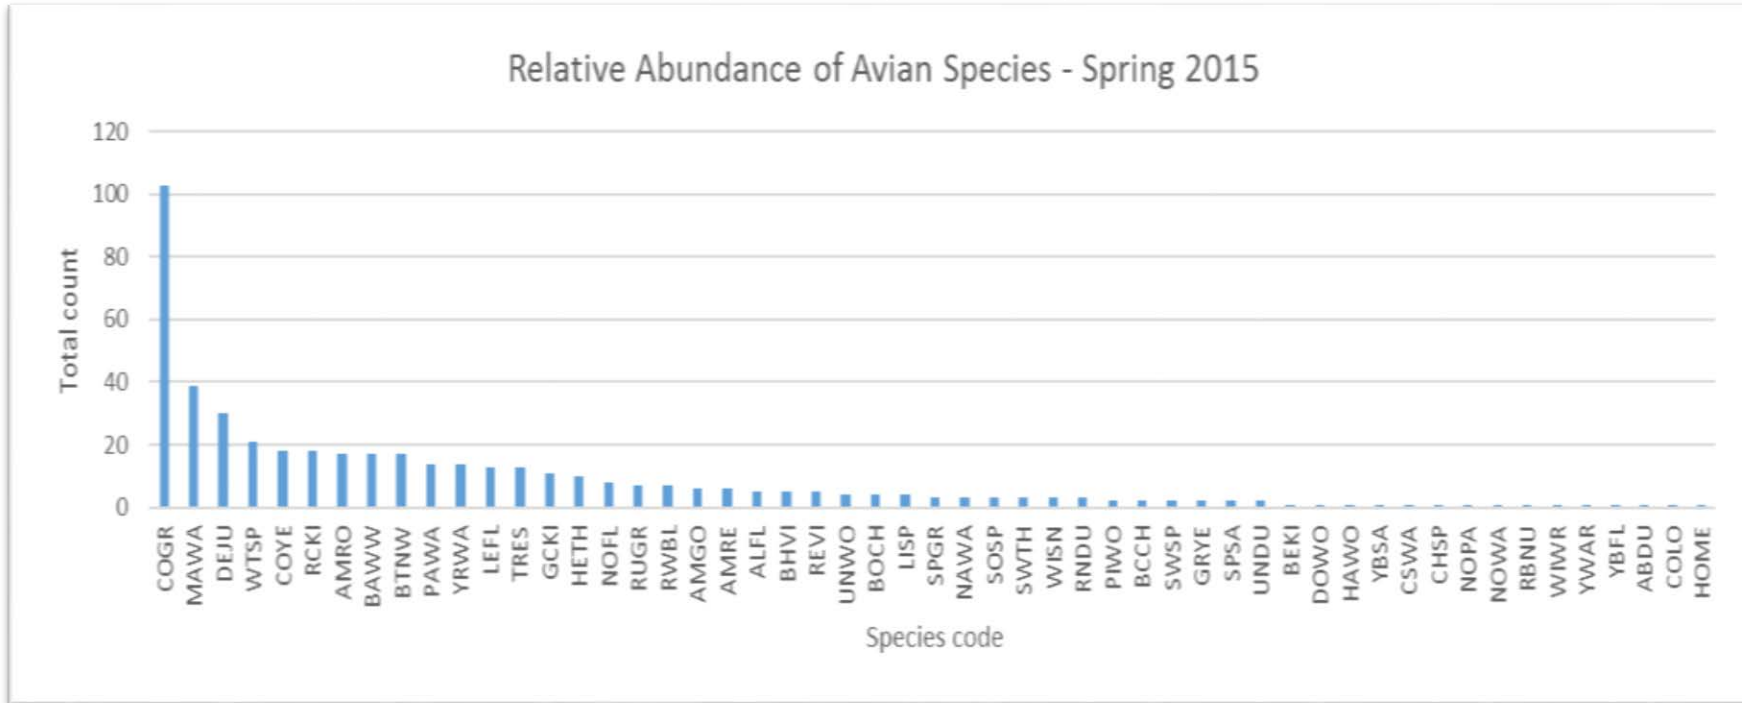

Relative Abundances of Avian Species. Beaver Dam Mine Project

**Figure 1:** Relative abundance of avian species observed during dedicated breeding bird surveys in 2014. This chart presents the four-letter (English Name) alpha codes in accordance with the 56th supplement to the AOU Check-list of North American Birds (Chesser et al., 2015). Unknown species codes are: UNWA (Unknown Warbler) and UNWO (Unknown Woodpecker).

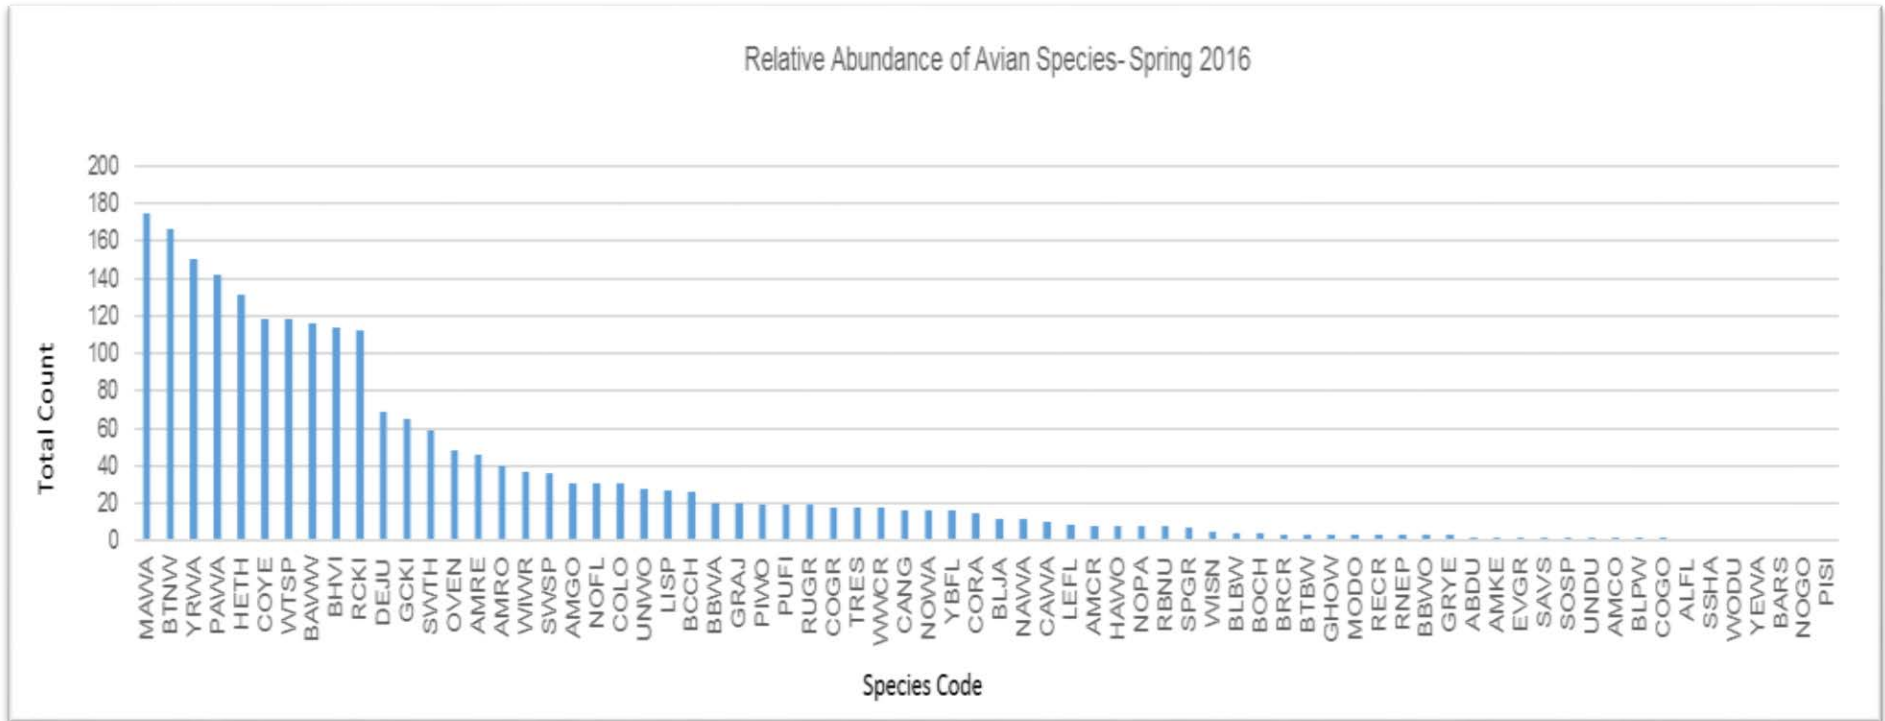

**Figure 2:** Relative abundance of avian species observed during dedicated fall migration surveys in 2014. This chart presents the four-letter (English Name) alpha codes in accordance with the 56th supplement to the AOU Check-list of North American Birds (Chesser et al., 2015). Unknown species codes are: UNWA (Unknown Warbler) and UNWO (Unknown Woodpecker).

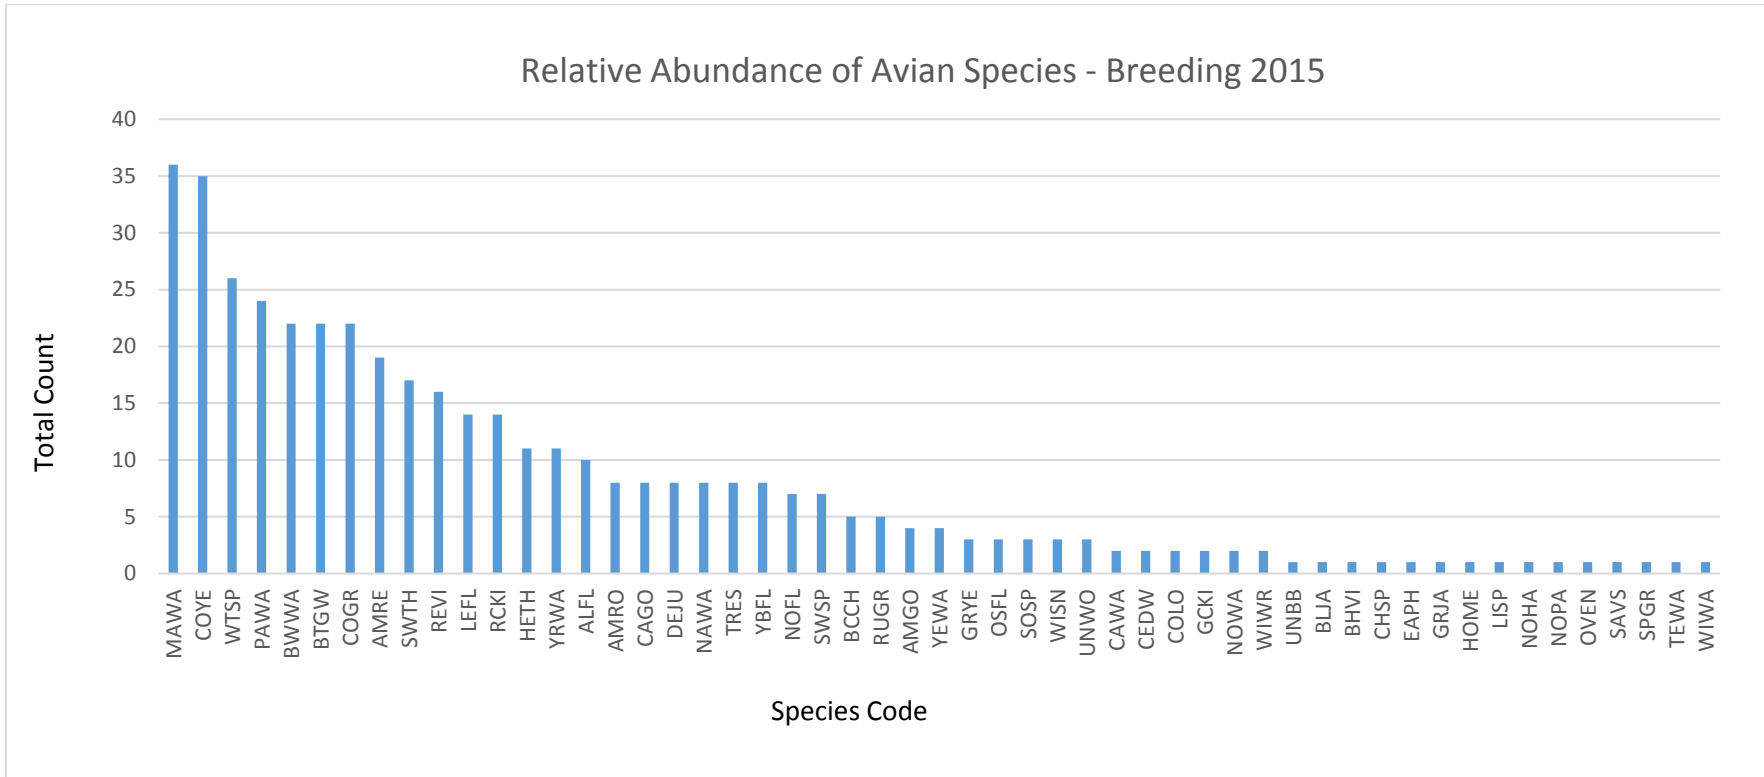

**Figure 3:** Relative abundance of avian species observed during spring migration surveys in 2015 within the mine footprint PA. This chart presents the four-letter (English Name) alpha codes in accordance with the 56th supplement to the AOU Check-list of North American Birds (Chesser et al., 2015). Unknown species code is: UNWO (Unknown Woodpecker).

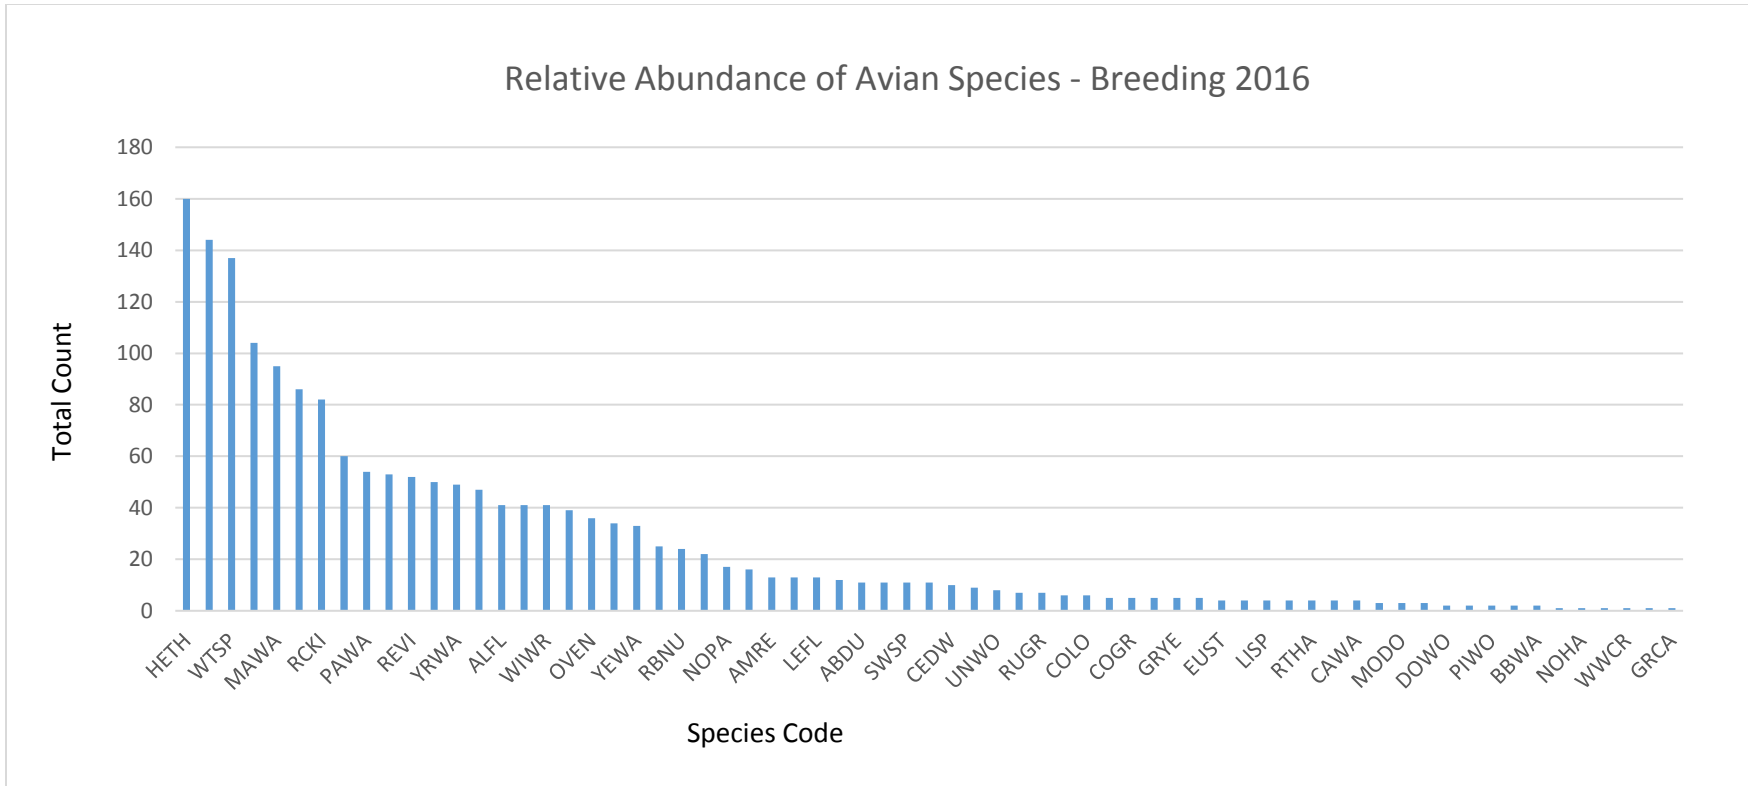

Relative Abundances of Avian Species. Beaver Dam Mine Project

**Figure 4:** Relative abundance of avian species observed during spring migration surveys in 2016 within the haul road PA. This chart presents the four-letter (English Name) alpha codes in accordance with the 56<sup>th</sup> supplement to the AOU *Check-list of North American Birds* (Chesser et al., 2015). Unknown species codes are: UNDU (Unknown Duck) and UNWO (Unknown Woodpecker).

**Figure 5:** Relative abundance of avian species observed during breeding bird point count surveys in 2015. This chart presents the four-letter (English Name) alpha codes in accordance with the 56<sup>th</sup> supplement to the AOU *Check-list of North American Birds* (Chesser et al., 2015).

**Figure 6:** Relative abundance of avian species observed during breeding bird point count surveys in 2016. This chart presents the four-letter (English Name) alpha codes in accordance with the 56th supplement to the AOU Check-list of North American Birds (Chesser et al., 2015).
