By email to kitimatcleanrefinery-raffineriedekitimatclean@iaac-aeic.gc.ca

Ms Witherly:

We are in receipt of your letter dated July 16th, summarizing the implications for the Kitimat Clean Energy Project. As you note, the project has not advanced since the temporary suspension of the environmental assessment in 2016. Please be informed that the company does not intend to pursue the project further. This file may be closed.

Thank you for your letter.

Regards,
