

**FIRST MINING
GOLD**

APPENDIX A

PHOTOGRAPHIC SUMMARY

**APPENDIX A
LIST OF PHOTOGRAPHS**

	PAGE
Photograph A-1: Springpole Gold Project - Existing exploration camp (fall).....	A-1
Photograph A-2: Springpole Gold Project – Existing exploration camp (winter)	A-1
Photograph A-3: Typical Drilling Operation	A-2
Photograph A-4: Drill core sample	A-2
Photograph A-5: Proposed open pit area	A-3
Photograph A-6: Proposed coffer dam locations in Springpole Lake.....	A-3
Photograph A-7: Proposed process plant area east of the camp site	A-4
Photograph A-8: Proposed co-disposal facility area (West of Unnamed Lake 5)	A-4
Photograph A-9: Proposed ore stockpile area, northeast of the camp.....	A-5
Photograph A-10: Transmission Line west of Slate Falls	A-5
Photograph A-11: Wenesaga Road south of Springpole Gold Project near Cook Lake.....	A-6
Photograph A-12: Springpole Lake, shoreline of the north basin of (May 2017).....	A-6
Photograph A-13: Cromarty Lake inlet into Springpole Lake.....	A-7
Photograph A-14: Springpole Lake, southeast arm, looking west	A-7
Photograph A-15: Birch River crossing at the Springpole Lake outlet.....	A-8
Photograph A-16: Shoreline of Birch Lake, north of the Project site.....	A-8
Photograph A-17: Birch Lake, looking north from the Project Site.....	A-9
Photograph A-18: Unnamed Lake 1	A-9
Photograph A-19: Unnamed Lake 2	A-10
Photograph A-20: Unnamed Lake 3	A-10
Photograph A-21: Unnamed Lake 4	A-11
Photograph A-22: Unnamed Lake 5	A-11
Photograph A-23: Unnamed Lake 16.....	A-12
Photograph A-24: Unnamed Lake 17.....	A-12
Photograph A-25: Unnamed Lake 18.....	A-13
Photograph A-26: Unnamed Lake 19.....	A-13
