Date	Method of Communication	Communication Summary	Key Supporting Document(s) Reference
May 10, 2018	Meeting – Held	Meeting with EDO to provide Municipality Update, and Funding Application for the STPN	Appendix D-2.5 ToR RoC p397
August 29, 2018	Letter – Outgoing	Notification announcing the commencement of the ToR.	No
December 4, 2019	Meeting	FMG provided a presentation to Town Council with a Springpole Project and Corporate Update.	Appendix D-2.5 ToR RoC p400
October 6, 2020	Email – Incoming	MECP provided comments from the Municipality of Sioux Lookout regarding the Springpole Gold Project ToR and Acknowledgement of receipt of ToR.	No
January 19, 2021	Email – Outgoing Letter – Outgoing	FMG provided responses to ToR comments.	No
January 29, 2021	Email / Letter	FMG provided responses to comments from the Municipality of the ToR.	No
Post-ToR RoC			
April 29, 2021	Email – Outgoing	Following a discussion held on 2021-04-28, FMG provided notes to the Municipality of Sioux Lookout regarding Consultation Planning with CLFN, SFN and LSFN. FMG noted that they will keep all parties updated. FMG indicated that representatives for LSFN will be confirmed. FMG noted that they are working on a draft Request for Proposal for an environment committee technical support resourcing. FMG requested Municipality of Sioux Lookout to contact the community representatives. FMG noted that they would like to get a date as soon as possible for the first meeting.	No
April 29, 2021	Email – Outgoing	FMG thanked the Chief of CLFN for the phone call in the afternoon on 2021-04-29. FMG notes that they were pleased to hear that CLFN is satisfied with the commitments for the Amended ToR and that they have been included in the document that will be sent to MECP on 2021-04-29. FMG notes that the MECP will send the ToR document around for final review in May. FMG will continue to work closely with CLFN and the STPN on all matters. FMG is working closely with the Municipality of Sioux Lookout and STPN Environment Committee Coordinator to start the environment committee. The Municipality of Sioux Lookout will be reaching out to the three community representatives to set up a meeting in May. FMG is also working to draft an exploration agreement for CLFN to review and FMG will send this in the next couple weeks.	No
May 3, 2021	Email Exchange	The Sioux Lookout Friendship Accord Project Coordinator was introduced to FMG. The Project Coordinator will be working with the Sioux Lookout Friendship Accord Project Coordinator Executive Director. It was noted that the Project Coordinator has a positive working relationship with the Windigo First Nation communities and Chief of CLFN, as well as a familiarity with LSFN and their Chief. The Project Coordinator noted that they look forward to working with all the stakeholders to ensure success of FMG's project and initiatives. FMG thanked the Project Coordinator for introducing themselves. FMG noted that they would be happy to set up a call the week of 2021-05-10.	No
May 11, 2021	Email – Outgoing	FMG sent an invitation to the Trustee for the Municipality of Sioux Lookout for the Keewatin Patricia District Health Unit to participate in the socio-economic study conducted by WSP (on behalf of FMG) on behalf of FMG as part of the Springpole Gold Project Environmental Assessment. FMG included contact information for the WSP team who will be following up with the recipient with more information. A letter detailing the study and Project was included in the communication.	Appendix D-2.3
May 11, 2021	Email – Outgoing	FMG sent an invitation to the Trustee of Sioux Lookout for the Keewatin Patricia District School Board to participate in the socio-economic study conducted by WSP (on behalf of FMG) on behalf of FMG as part of the Springpole Gold Project Environmental Assessment. FMG included contact information for the WSP team who will be following up with the recipient with more information. A letter detailing the study and Project was included in the communication.	Appendix D-2.3
May 11, 2021	Email – Outgoing	FMG sent an invitation to the Recreation and Culture Manager of Sioux Lookout to participate in the socio-economic study conducted by WSP (on behalf of FMG) on behalf of FMG as part of the Springpole Gold Project Environmental Assessment. FMG included contact information for the WSP team who will be following up with the recipient with more information. A letter detailing the study and Project was included in the communication.	Appendix D-2.3
May 11, 2021	Email – Outgoing	FMG sent an invitation to the Economic Development Manager of Sioux Lookout to participate in the socio-economic study conducted by WSP (on behalf of FMG) on behalf of FMG as part of the Springpole Gold Project Environmental Assessment. FMG included contact information for the WSP team who will be following up with the recipient with more information. A letter detailing the study and Project was included in the communication.	Appendix D-2.3
May 11, 2021	Email – Outgoing	FMG sent an invitation to the Manager of Development Services for Sioux Lookout to participate in the socio-economic study conducted by WSP (on behalf of FMG) on behalf of FMG as part of the Springpole Gold Project Environmental Assessment. FMG included contact information for the WSP team who will be following up with the recipient with more information. A letter detailing the study and Project was included in the communication.	Appendix D-2.3
May 11, 2021	Email Exchange	FMG sent an invitation to the IT & Communications Coordinator of Sioux Lookout to participate in the socio-economic study conducted by WSP (on behalf of FMG) on behalf of FMG as part of the Springpole Gold Project Environmental Assessment. FMG included contact information for the WSP team who will be following up with the recipient with more information. A letter detailing the study and Project was included in the communication. IT & Communications Coordinator for Sioux Lookout responded to FMG indicating that they don't believe they are the correct contact and that they suggest reaching out to the Economic Development Manager.	Appendix D-2.3

Table D-1.3-1: Municipality of Sioux Lookout Communication Log

Date	Method of Communication	Communication Summary	Key Supporting Document(s) Reference
May 12, 2021	Email – Outgoing	WSP (on behalf of FMG) on behalf of FMG responded to IT & Communications for Sioux Lookout to clarify that they were identified as a contact for the socio-economic research as FMG is looking to collect information on communication and internet service providers for Sioux Lookout. WSP requested that if there is another contact that can provide this information and if their contact can be passed along.	No
May 12, 2021	Email – Outgoing	WSP (on behalf of FMG) on behalf of FMG inquired about availability to participate in the study and/or arrange a virtual meeting or call to discuss details further. The Manager of Economic Development responded noting that they would be happy to participate. WSP responded inquiring about availability in the next two weeks to schedule a call. They also indicated that the information will be provided to them prior to the meeting including information and questions that will be asked.	No
May 12, 2021	Email Exchange	The Economic Development Manager for Sioux Lookout suggested to WSP (on behalf of FMG) on behalf of FMG a contact from KNet, a subsidiary of Keewaytinook Okimakanak Tribal Council to participate in the Socio-Economic Study. WSP responded thanking for the connection to KNET and that they will reach out to them. WSP emailed KNet informing them of the Socio-Economic Study and the information they are seeking for the Study. WSP inquired if they are available to participate in the Study and a virtual meeting or call can be arranged. KNet responded noting that they are available for a call anytime on 2021-05-17.	No
May 13, 2021	Email Exchange	In response to correspondence on 2021-05-12, The Economic Development Manager for Sioux Lookout suggested 2021-05-19 in the morning to have a meeting with WSP (on behalf of FMG) on behalf of FMG, noting that they are in Central Standard Time (CST) time zone. WSP responded inquiring if 11:00 am Eastern Standard Time (EST) is a time that works. Sioux Lookout asked if the time can be moved to 10:00 am EST / 9:00 am CST. WSP confirmed a call at 10:00 am EST and noted a meeting invitation will be sent.	No
May 13, 2021	Email Exchange	The Economic Development Manager of the Municipality of Sioux Lookout sent WSP (on behalf of FMG) their Socio-Economic Profile and noted the document is currently being updated. WSP responded thanking them for the documents and noted that they will be reviewed, and relevant information will be incorporated into the Study.	No
May 17, 2021	Email – Outgoing	Following an email on 2021-05-11, WSP (on behalf of FMG) on behalf of FMG to the Sioux Lookout Trustee for the Keewatin Patricia District School Board, sent a second request for participation in the Socio-Economic Study for the Springpole Gold Project Environmental Assessment. WSP inquired about availability to participate in the Study.	No
May 17, 2021	Email Exchange	Following an email on 2021-05-11, WSP (on behalf of FMG) on behalf of FMG to the Manager of Development Services for the Municipality of Sioux Lookout, sent a second request for participation in the Socio-Economic Study for the Springpole Gold Project Environmental Assessment. WSP inquired about availability to participate in the Study. The Manager of Development Services responded confirming they will participate and suggested the date of 2021-05-20 or a time the week of 2021-05-24.	No
May 17, 2021	Email – Outgoing	Following an email on 2021-05-11, WSP (on behalf of FMG) on behalf of FMG to the Acting Recreation and Culture Manager for the Municipality of Sioux Lookout, sent a second request for participation in the Socio-Economic Study for the Springpole Gold Project Environmental Assessment. WSP inquired about availability to participate in the Study. The Acting Recreation and Culture Manager responded looking for more details on the information WSP is looking to gather. They also copied the Chief Administrative Officer of the Municipality of Sioux Lookout as they would like to be present for the meeting.	No
May 18, 2021	Email Exchange	Following an email on 2021-05-17, WSP (on behalf of FMG) on behalf of FMG thanked the Manager of Development Services for the Municipality of Sioux Lookout for participating in the Socio-Economic Study. WSP asked about availability for the call on 2021-05-25 between 12:00 pm-2:00 pm Eastern Standard Time (EST) or 2021-05-26 between 1:30 pm and 3:30 pm EST. WSP noted that the meeting should take between thirty to forty-five minutes and a list of questions will be provided along with prior research before the meeting. The Manager of Development Services responded confirming the date and time of 2021-05-26 at 2:30 pm EST. WSP responded noting that they will send a meeting invitation.	No
May 18, 2021	Email – Outgoing	Following an email from 2021-05-13, WSP (on behalf of FMG) on behalf of FMG sent a document to the Manager of Economic Development for the Municipality of Sioux Lookout outlining the questions that will be asked during their meeting as well as information WSP has gathered through their research to confirm during the meeting.	No
May 19, 2021	Email – Outgoing	FMG provided the Economic and Development Manager for the Municipality of Sioux Lookout with an example of the economic overview of the Springpole Gold Mine Project. FMG noted that this is very preliminary information and will be verified and refined as the Environmental Assessment modelling advances.	No
May 19, 2021	Email – Incoming	Following an email dated 2021-05-18, the Manager of Development Services of the Municipality of Sioux Lookout shared with WSP (on behalf of FMG) their most up to date Official Plan for the municipality as well as CLFN and SFN Land Use Plans.	No
May 19, 2021	Email – Incoming	Responding to an email from 2021-05-18, the Manager of Economic Development for the Municipality of Sioux Lookout sent WSP (on behalf of FMG) a copy of their Economic Strategic Plan and current review.	No

Table D-1.3-1: Municipality of Sioux Lookout Communication Log

Date	Method of Communication	Communication Summary	Key Supporting Document(s) Reference
May 19, 2021	Meeting – Held	WSP (on behalf of FMG) on behalf of FMG met with the Manager of Economic Development for the Municipality of Sioux Lookout to gather economic information for the Springpole Gold Project Socio-Economic Study.	Appendix D-2.3
May 20, 2021	Email – Outgoing	Responding to an email from 2021-05-19, WSP (on behalf of FMG) on behalf of FMG thanked the Manager of Development Services of the Municipality of Sioux Lookout for forwarding on the Plans and noted that they look forward to their discussion.	No
May 20, 2021	Email Exchange	Following up to an email on 2021-05-19, the Municipality of Sioux Lookout provided WSP (on behalf of FMG) with documents discussed in their meeting. They also provided contact information for Patricia Area Community Endeavors. WSP responded thanking them for the additional documents and participating in the Socio-Economic Study. WSP attached the draft notes from the discussion and asked for any feedback on the document. The Municipality of Sioux Lookout responded inquiring as to whether they received the Northwest Training and Adjustment Labour Market Report.	No
May 21, 2021	Email – Outgoing	Following an email on 2021-04-27, FMG notified the Municipality of Sioux Lookout, CLFN, and Windigo First Nations Council that Eagle Mapping is in the area and will be flying the mapping route soon for the Cat Lake Road alignment. They noted that the flight will depend on weather and FMG will notify once this has been completed.	No
May 25, 2021	Email – Outgoing	Responding to an email from 2021-05-17, WSP (on behalf of FMG) on behalf of FMG provided the Acting Manager of Recreation and Culture for the Municipality of Sioux Lookout with additional information they are seeking, such as understanding current services, recreational facilities, and programs in the community. A document was attached containing the questions that will be asked in the meeting as well as additional relevant information. WSP suggested two potential meeting dates of 2021-05-31 between 2:00 pm – 4:00 pm Eastern Standard Time (EST) or 2021-06-01 between 10:00 am – 12:00 pm EST.	No
May 25, 2021	Email – Outgoing	Following an email from 2021-05-20, WSP (on behalf of FMG) on behalf of FMG confirmed with the Municipality of Sioux Lookout that they did not receive the Northwest Training and Adjustment Labour Market report and asked that if they can provide this as it would be helpful.	No
May 25, 2021	Email – Outgoing	Following an email on 2021-05-19, WSP (on behalf of FMG) on behalf of FMG provided the Manager of Development Services of the Municipality of Sioux Lookout with a document outlining the questions that will be asked during the meeting as well as relevant research to the Socio-Economic Study.	No
May 26, 2021	Email Exchange	Following an email on 2021-05-25, the Manager of Development Services for the Municipality of Sioux Lookout notified WSP (on behalf of FMG) that they had some unexpected health matters come up and asked if they can postpone their interview to 2021-06-01 or 2021-06-02. WSP on behalf of FMG responded inquiring about availability on 2021-06-01 between 2:00 pm and 4:00 pm East Standard Time (EST) or 2021-06-02 between 10:00 am and 12:00 pm EST. Sioux Lookout confirmed 2021-06-01 at 3:00pm EST. WSP responded noting that they will send the meeting invitation.	No
May 27, 2021	Email Exchange	FMG provided the draft SWC Terms of Reference for review to the STPN Environment Committee Coordinator and Sioux Lookout Friendship Accord. The STPN Environment Committee Coordinator responded that they would circulate the document with the SWC and Chief's for final review. FMG responded noting to look at the comments in the document and if any discussion is needed before sending the next version around.	No
May 28, 2021	Email – Outgoing	Following an email on 2021-05-17, WSP (on behalf of FMG) on behalf of FMG inquired if the Trustee of Red Lake for the Keewatin Patricia School Board is available to participate in the Socio-Economic Study for FMG's Springpole Gold Project Environmental Assessment.	No
May 31, 2021	Email Exchange	The Manager of Economic Development for the Municipality of Sioux Lookout reached out to FMG regarding the access Bridge pertaining to CLFN. The Manager of Economic Development noted that the bridge was constructed, and the community terms required a private-public sector use agreement that has not been completed. Due to this, the Chief of CLFN has requested that the bridge be blocked until an agreement is reached. The Manager of Economic Development included that they have discussed the support of FMG to assist CLFN to install a barricade. It was noted that this task will be included under the Road Committee but will be a stand-alone agreement with CLFN and the private sector users. The Manager of Economic Development asked for confirmation on the details from the Chief of CLFN. The Chief of CLFN responded confirming the details are correct and they look forward to an appropriate agreement for those involved. FMG thanked CLFN and the Manager of Economic Development for the Municipality of Sioux Lookout and noted that they will follow-up.	No
May 31, 2021	Email Exchange	The Manager of Economic Development for the Municipality of Sioux Lookout notified First Mining Golds (FMG) and Windigo First Nations Council that the Chief of CLFN has approved Windigo First Nations Council to work on behalf of CLFN with FMG and the road committee. Windigo First Nations Council confirmed that they received the email authorizing them to assist in the process for the all-season road planning to connect CLFN to the provincial road network. They noted that they will proceed to work with FMG and the Municipality of Sioux Lookout. FMG thanked everyone and noted that they copied a FMG team member who will assist in initiating the work to develop the roadmap plan with Windigo First Nations Council.	No

Table D-1.3-1: Municipality of Sioux Lookout Communication Log

Date	Method of Communication	Communication Summary	Key Supporting Document(s) Reference
June 1, 2021	Meeting – Held	WSP (on behalf of FMG) on behalf of FMG met with the Manager of Development Services for the Municipality of Sioux Lookout regarding land development and services for the Springpole Gold Project Socio-Economic Study.	No
June 4, 2021	Email Exchange	WSP (on behalf of FMG) on behalf of FMG thanked the Manager of Development Services for the Municipality of Sioux Lookout for participating in the Socio-Economic Study. WSP attached the draft notes from the discussion for review. WSP also requested for a copy of the Housing Summit report as discussed in the meeting, along with the contact information for the Airport Manager. The Manager of Economic Development responded with the Housing report and the contact information. WSP thanked the Manager of Economic Development for the information.	No
June 4, 2021	Email – Outgoing	Following an email on 2021-05-31, Domtar provided the Municipality of Sioux Lookout, the Chief of CLFN and FMGs with background information regarding the bridge at CLFN and a barricade to road access. Domtar noted that they are available to meet and understand the goals and objectives of the access agreement and submit an amendment to the Forest Management Plan to address the request of CLFN. Domtar noted that they are available on 2021-06-11 to begin the discussion.	No
June 7, 2021	Email – Outgoing	Following an email from 2021-04-27, FMG informed the Municipality of Sioux Lookout, Windigo First Nations Council, and CLFN that the road LiDAR is being flown on 2021-06-07. FMG noted to keep an eye out for the planes if possible and they will be flying at an elevation of 1,600 metres.	No
June 7, 2021	Email Exchange	Following an email from 2021-06-04, the Municipality of Sioux Lookout informed Domtar, FMG, and CLFN that they are unavailable to meet on 2021-06-11 but available the following week. FMG responded noting that they are available the week of 2021-06-14.	No
June 8, 2021	Email – Outgoing	Following an email on 2021-05-25, WSP (on behalf of FMG) on behalf of FMG requested participation from the Recreation Manager for the Municipality of Sioux Lookout in the Socio-Economic Study for the Springpole Gold Project. Included in the email was research conducted by WSP through the Study so far and a list of questions for the meeting.	No
June 9, 2021	Email Exchange	Following an email from 2021-06-07, Domtar requested a meeting on 2021-06-14 at 1:00 pm Central Time Zone with the Municipality of Sioux Lookout, CLFN and FMG to discuss the bridge at CLFN. The Chief of CLFN responded noting that they will only have a half an hour available.	No
June 10, 2021	Email Exchange	FMG shared a presentation with the Municipality of Sioux Lookout, CLFN, Windigo First Nations Council, LSFN, and the STPN SWC prior to a meeting on 2021-06-10. The Director of Economic Development and Commercial Operations of LSFN responded including an updated email for the Chief of LSFN.	Appendix D-2.3
June 10, 2021	Email – Outgoing	Following an email from 2021-06-09, FMG confirmed their availability for the 2021-06-14 meeting with the Municipality of Sioux Lookout, CLFN and Domtar.	No
June 10, 2021	Meeting – Held	FMG and the Municipality of Sioux Lookout, Windigo First Nations Council and the STPN SWC held a meeting to provide an update on the Project including an overview of the Environmental Assessment process and the value of building long-term relationships with the First Nations in the Project area. In addition, the parties discussed the Wenasaga road extension, a bridge installation at Birch River and mine rock disposal.	Appendix D-2.3
June 10, 2021	Email – Incoming	The STPN SWC Coordinator, shared the new Project specific email addresses for those on the SWC with the SWC and FMG.	No
June 11, 2021	Email – Outgoing	FMG provided the Municipality of Sioux Lookout with sponsorship for Sioux Lookout's 39th Annual Blueberry Festival. FMG included in the email the Sponsorship Registration Form and Donation letter.	No
June 14, 2021	Meeting – Held	FMG met with the Municipality of Sioux Lookout, CLFN and Domtar Forestry to discuss progress on the infrastructure upgrades in the Cat Lake/ Springpole corridor including LiDAR Mapping progress and results, road development and potential energy projects.	No
June 14, 2021	Email – Outgoing	The Municipality of Sioux Lookout contacted FMG, Domtar, Windigo First Nations Council and CLFN indicating that a meeting was held today between FMG, Domtar and CLFN to discuss the bridge at Birch River and a public/private access agreement moving forward. The Municipality of Sioux Lookout suggested to arrange a road committee meeting to provide an update on the outcome and the LiDAR of the road that started last week. The email provided approval to Windigo First Nations Council to participate on behalf of CLFN.	No
June 18, 2021	Email – Outgoing	Following an email on 2021-06-14 from the Municipality of Sioux Lookout, FMG responded noting that the four foot by four-foot closed sign that is being made and will be placed on the bridge. FMG will provide a photo of the sign once installed. FMG will send a meeting invite later next week for a road committee update meeting.	No
June 21, 2021	Email – Outgoing	Following an email on 2021-06-18, FMG shared the camp labourer and kitchen assistant job postings with the Sioux Lookout Friendship Accord.	No
June 21, 2021	Email – Outgoing	Following an email on 2021-06-18 from FMG, FMG provided a picture of the sign installed at the bridge to the Municipality of Sioux Lookout, CLFN, Domtar, and Windigo First Nations Council.	No

Table D-1.3-1: Municipality of Sioux Lookout Communication Log

Date	Method of Communication	Communication Summary	Key Supporting Document(s) Reference
June 23, 2021	Email – Outgoing	FMG sent a copy of the Summer 2021 Project newsletter and provided a link to the Springpole Environmental Assessment Project Website Portal. FMG noted that the portal will contain up to date and detailed information regarding environmental data collection and engagement programs for the Project.	Appendix D-2.3
June 24, 2021	Email – Incoming	The STPN SWC Coordinator provided FMG, the Municipality of Sioux Lookout and Sioux Lookout Friendship Accord with their plan for a successful transition from the project.	No
June 28, 2021	Email – Outgoing	Following an email on 2021-06-28, FMG responded to the STPN SWC Coordinator noting that they would like to get the Amended ToR approved by MECP as soon as possible. FMG included that they hope this can get sorted out over the week and that the STPN can communicate to the MECP their approval of the ToR.	No
July 5, 2021	Email Exchange	FMG informed CLFN, SFN, LSFN, Sioux Lookout Friendship Accord, Municipality of Sioux Lookout and the STPN SEC Coordinator of a forest fire at the Springpole Camp.	No
July 6, 2021	Email – Outgoing	FMG contacted the Municipality of Sioux Lookout to distribute the Project Facebook page link with the Municipality's network.	No
July 6, 2021	Email – Outgoing	Following the email dated 2021-07-05, FMG updated CLFN, SFN, LSFN, Sioux Lookout Friendship Accord, Municipality of Sioux Lookout and the STPN SEC Coordinator of the forest fire on the Springpole Camp. FMG explained that crews are still trying to control the fires, and the camp is still intact. FMG provided a link to track the fire and will update everyone on how the situation develops.	No
July 13, 2021	Email – Outgoing	Following an email dated 2021-07-05, FMG provided an update on the forest fire at the Project site to CLFN, LSFN, SFN, the Sioux Lookout Friendship Accord and the Municipality of Sioux Lookout.	No
August 17, 2021	Email – Outgoing	FMG informed the Municipality of Sioux Lookout that they will be in Sioux Lookout the week of 2021-08-23. FMG asked if the Mayor of Sioux Lookout might be available for a meeting and indicated that if the Economic Development Manager was available that FMG would like to meet with them as well.	No
August 31, 2021	Email – Outgoing	FMG asked the Municipality of Sioux Lookout who FMG should connect with regarding the biomass plans. FMG is looking for clarity on what has been completed with the biomass plans and what the next steps are.	No
October 25, 2021	Email – Outgoing	FMG requested feedback from the Municipality of Sioux Lookout regarding having a virtual open house instead of in-person events.	No
October 25, 2021	Email – Outgoing	FMG requested feedback from the Chief Administrative Officer of the Municipality of Sioux Lookout regarding having a virtual open house instead of in-person events.	No
October 29, 2021	Email – Outgoing	FMG provided members of CLFN, the Municipality of Sioux Lookout, Windigo First Nations Council, and Domtar Forestry with two attachments, the presentation from the Cat Lake Road Group on 2021-10-28 and the LIDAR Report. FMG provided the next steps for the Cat Lake Road work. FMG noted that the next meeting will be after they receive a proposal from TBT Engineering.	No
November 1, 2021	Email Exchange	Following an email dated 2021-10-25, the Chief Administrative Officer for the Municipality of Sioux Lookout provided input to FMG on hosting in person meetings. The Chief Administrative Officer noted that if there were a venue in Sioux Lookout that would permit in person meetings, it may be beneficial to have them in person with sufficient advertising. However, it is difficult to determine the publics' comfort level with attending in person meetings and may prefer virtual.	No
December 3, 2021	Email – Outgoing	FMG's Community Relations Team distributed the Notice of Commencement of the Environmental Assessment for the Project to the Project contact list.	Appendix D-2.3
December 21, 2021	Email – Outgoing	FMG distributed the latest copy of the Springpole quarterly newsletter and expressed their well wishes for the holiday season and New Year.	Appendix D-2.3
March 4, 2022	Meeting – Held	FMG held a meeting with the mayor of Sioux Lookout to provide an update on the Project. FMG informed the Mayor that FMG was preparing a draft EIS/EA, which would be submitted in April 2022 to the regulator and that there would be a 90-day review period.	No
March 4, 2022	Email – Outgoing	FMG provided the presentation document via email following the meeting in which FMG met with the mayor of the Municipality of Sioux Lookout to present updates on the Project.	Appendix D-2.3
May 31, 2022	Email – Outgoing	FMG emailed the Project government and public stakeholders contact list providing them with the website link to the draft EIS/EA documents for review and comment. FMG informed these entities that FMG is planning open house events in the region and a virtual event to provide a project overview.	Appendix D-2.3
		Post-Draft EIS/EA Submission	

Table D-1.3-1: Municipality of Sioux Lookout Communication Log

Date	Method of Communication	Communication Summary	Key Supporting Document(s) Reference
September 27, 2022	Email – Outgoing	FMG provided an invite to a series of five virtual public presentations on the Springpole Gold Project and its draft EIS/EA to be held over the month of October. The five presentation themes are: water resources, fish and fish habitat, human environment, terrestrial environment, and atmospheric environment. The invitation noted that the sessions will include a presentation followed by a question-and-answer period with WSP (FMG's consultants). The invitation was sent to the entire project contact list.	Appendix D-2.3
January 31, 2023	Email – Outgoing	FMG emailed the Project contact list providing a hyperlink to the new Springpole Project Overview video. FMG also noted that the draft EIS/EA is published and can be accessed through the hyperlink.	Appendix D-2.3
May 30, 2023	Meeting – Held	FMG met with the Municipality of Sioux Lookout Mayor and Council to present an overview of the Project and the draft EIS/EA and updates over the past year, including related to the co-disposal facility, water management, wildlife, and the fisheries compensation plans. Topics discussed included economic impacts of the Project, encouragements from the Municipality for FMG to utilize municipal services such as Springpole office sites and procurement contracts, road access to the mine site, new developers investing in Sioux Lookout (hotels and business), capacity for access to power to the mine site, inclusion of Indigenous organizations and businesses in the Project, and the Sioux Lookout airport expansion.	Appendix D-2.3
June 12, 2023	Email – Incoming	The Municipality of Sioux Lookout emailed FMG and provided a letter of support for the Project from the mayor.	Appendix D-2.3

WSP inquired if they are the correct contact and if not if they could provide direction to the appropriate contact.	No
July 6, 2021	Email – Outgoing	FMG contacted the Township of Ear Falls to distribute the Project Facebook page link with the Township's network.	No
July 8, 2021	Email Exchange	Following an email dated 2021-07-06, the Township of Ear Falls thanked FMG for sharing the Facebook page.	No
July 15, 2021	Email – Incoming	The Lac Seul Walleye Cup Committee from the Township of Ear Falls requested a donation from FMG for the Walleye Cup Event.	No
July 21, 2021	Email – Outgoing	Following a request for sponsorship sent on 2021-07-15, FMG thanked the Lac Seul Walleye Cup committee for considering FMG for sponsorship of their event and noted that they will review the request.	No
October 21, 2021	Email Exchange	FMG informed the Township of Ear Falls that FMG is planning open house events in each municipality and inquired if a virtual open house or in-person would yield better results. FMG also introduced their new Community Relations Manager. The Township of Ear Falls noted that an in-person event would generate more interest.	No
October 22, 2021	Email – Outgoing	Following an email dated 2021-10-21, FMG thanked the Township of Ear Falls to their thoughts on the open house. FMG noted they will reach out to schedule the open house in the near future.	No
November 25, 2021	Email – Outgoing	FMG provided the date of 2021-12-14 to host an in-person open house for Ear Falls residents and asked the Township of Ear Falls about available venues.	No
November 26, 2021	Email Exchange	Following an email dated 2021-11-25, the Township of Ear Falls provided FMG with contact information for a potential space to host an open house. Ear Falls also suggested the Municipal Office/Council Chambers as an open house venue. FMG noted they will reach out to the contact provided and inquired if Mayor and Council are interested in a meeting before the open house to receive a Project update and meet new team members.	No
November 29, 2021	Email Exchange	Following an email dated 2021-11-29, the Township of Ear Falls and FMG discussed the open house. Ear Falls noted they will be away on the proposed date of the open house (2021-12-14). FMG noted they are available on 2021-12-15 and 2021-12-16.	No
November 30, 2021	Email Exchange	Following an email dated 2021-11-29, the Township of Ear Falls and FMG confirmed the date of 2021-12-16 for a meeting with Mayor and Council to discuss the Project. FMG also noted they booked the legion on 2021-12-16 for the open house. The Township of Ear falls indicated the best spot to advertise the open house is the Facebook group called Ear Falls Central and noted that if FMG shares a poster they can share it locally.	No
December 2, 2021	Email – Outgoing	Following an email dated 2021-11-30, FMG provided a poster to the Township of Ear Falls to advertise the open house on 2021-12-16.	Appendix D-2.3
December 2, 2021	Social media (FB/Twitter)	FMG shared an advertisement for an open house in the Township of Ear Falls scheduled for 2021-12-16 with the Ear Falls Central Facebook group.	Appendix D-2.3
December 3, 2021	Email – Outgoing	FMG's Community Relations Team distributed the Notice of Commencement of the EA for the Project to the Project contact list.	Appendix D-2.3
December 16, 2021	Meeting – Held	FMG held a meeting with the Mayor and Council in the Township of Ear Falls. A discussion regarding the Project and environmental assessment process including timelines occurred. The mayor provided an update on local development.	Appendix D-2.3
February 17, 2022	Email – Outgoing	FMG followed up with the Mayor of Ear Falls regarding their 2021-12-16 conversation about a new refrigeration unit at the Ear Falls arena. FMG inquired if Ear Falls would still be interested in financial support for the unit. If so, FMG could bring it forward with their Community Investment Committee.	No
May 4, 2022	Email – Incoming	Township of Ear Falls sent an open invitation to FMG to participate in an upcoming in-person Family Safety Night and asked that FMG express their interest in participation through a registration form.	No
May 10, 2022	Email – Outgoing	In response to an email from Township of Ear Falls on 2022-05-04, FMG accepted an invitation to participate in an upcoming Ear Falls Family Safety Night and attached a booth registration form.	No
May 31, 2022	Email – Outgoing	FMG emailed the Project government and public stakeholders contact list providing them with the website link to the draft EIS/EA documents review and comment. FMG informed these entities that FMG is planning open house events in the region and a virtual event to provide a Project overview.	Appendix D-2.3
Post-Draft EIS/EA Submission			
June 1, 2022	Meeting – Held	FMG attended the Township of Ear Falls Family Safety Night where FMG had a project information booth set up. Most visitors who stopped by the booth seemed to be familiar with the Project and expressed support along with the economic need for the Project in the Ear Falls Township area.	No
August 18, 2022	Email – Incoming	The Township of Ear Falls Library emailed FMG informing FMG that the draft EIS/EA binders will be moved to the Municipal Office and asked how long the draft EIS/EA will be made available to the public.	No

Table D-1.3-2: Township of Ear Falls Communication Log

Date	Method of Communication	Communication Summary	Key Supporting Document(s) Reference
August 19, 2022	Email – Outgoing	In response to an email from the Township of Ear Falls on 2022-08-18, FMG informed Township of Ear Falls that the draft EIS/EA documents will be available to the public until the final EIS/EA documents are published. FMG asked Township of Ear Falls to confirm these details.	No
September 27, 2022	Email – Outgoing	FMG provided an invite to a series of 5 virtual public presentations on the Springpole Gold Project and its draft EIS/EA to be held over the month of October. The 5 presentation themes are water resources, fish and fish habitat, human environment, terrestrial environment, and atmospheric environment. The invitation noted that the sessions will include a presentation followed by a question-and-answer period with WSP (FMG's consultants). The invitation was sent to the entire project contact list.	Appendix D-2.3
January 31, 2023	Email – Outgoing	FMG emailed the Project contact list providing a hyperlink to the new Springpole Project Overview video. FMG also noted that the draft EIS/EA is published and can be accessed through the hyperlink.	Appendix D-2.3
February 3, 2023	Email – Outgoing	FMG emailed the Township of Ear Falls thanking them for meeting the previous week and informed them that FMG is looking forward to participating in the Family Night scheduled for 2023-05-25.	No
February 8, 2023	Email Exchange	In response to an email from FMG on 2023-02-08, the Township of Ear Falls asked FMG about the type of commercial waste that would be sent to the municipal landfill. FMG replied to the Township of Ear Falls that the waste going to the Ear Falls Landfill would be non-hazardous construction materials.	No
March 15, 2023	Email – Incoming	The Township of Ear Falls provided IAAC, FMG and MECP with a letter of support to confirm that the municipality's waste disposal site has capacity under its existing Environmental Compliance Approval to accept solid, non-hazardous domestic and commercial waste from FMG's Springpole Gold Project.	Appendix D-2.3
March 15, 2023	Letter – Outgoing	The Township of Ear Falls provided IAAC, FMG and MECP with a letter of support to confirm that Ear Falls supported the Project construction and operations because the Project and FMG's commitment to using local suppliers was anticipated to create economic opportunities and benefits in the region.	Appendix D-2.3
April 26, 2023	Email – Outgoing	FMG emailed the Mayor of the Township of Ear Falls requesting a meeting on 2023-05-30 to provide an update on the Springpole Project alongside the planned open house in Ear Falls on that date.	No
May 2, 2023	Email – Outgoing	FMG emailed the mayor of the Township of Ear Falls providing a formal letter of gratitude for receiving a letter of support from the Township of Ear Falls.	No
May 25, 2023	Meeting – Held	FMG attended the Township of Ear Falls 21st Annual Family Safety Night event on 2023-05-25. FMG set up a Springpole Gold Project booth. There were approximately 30 booth participants and approximately 300 people attending the event.	Appendix D-2.3
May 26, 2023	Email Exchange	The Ear Falls Public Library emailed a letter to FMG requesting help to raise funds to purchase new computers. FMG replied informing them that the request would be sent to the Community Investment Committee to review.	No
May 30, 2023	Meeting – Held	FMG met with the Mayor, Councilors and Clerks of the Township of Ear Falls to present an overview of the Project and the draft EIS/EA and updates over the past year, including related to the CDF, water management, wildlife, and the fisheries compensation plans. Topics discussed included the positive economic impacts of the Project for the community, solid non-hazardous waste, access and road networks, Project shift rotations and transportation options, Project accommodations, Project timelines, Project site visits, and access to power to the Project site.	Appendix D-2.3
August 8, 2023	Meeting – Held	FMG held a site visit with the Mayor of Ear Falls. Discussions were held related to the CDF, dikes, labour and economy, water management, Caribou and Wolverine baseline studies. This helped provide context for the Project location and an improved understanding of the Project.	No
October 26, 2023	Email - Outgoing	FMG emailed the Township of Ear Falls providing an invitation for a webinar series. FMG advised the first presentation on 2023-11-07 would provide an overview of the EIS/EA process and provide updates on optimizations made based on feedback. The second presentation on 2023-11-14 would focus on fish habitat offsetting and compensation measures proposed for the Project. The third presentation on 2023-11-21 would focus on water management and treatment strategy for the Project. The fourth presentation on 2023-11-28 would focus on the alternatives assessment process for the Project.	Appendix D-2.3
November 3, 2023	Email - Outgoing	FMG emailed the Township of Ear Falls providing a webinar invitation for 2023-11-07 and advised the presentation would focus on the EIS/EA process and provide updates on Project optimizations made based on feedback.	Appendix D-2.3
November 7, 2023	Email - Outgoing	In follow up to FMG's email on 2023-11-03, FMG emailed the Township of Ear Falls providing a webinar invitation for 2023-11-07 and advised the presentation would focus on the EIS/EA process and provide updates on Project optimizations made based on feedback.	Appendix D-2.3
November 9, 2023	Email - Outgoing	FMG emailed the Township of Ear Falls providing a webinar invitation for 2023-11-14 and advised the presentation would focus on fish habitat offsetting and compensation measures proposed for the Project.	Appendix D-2.3
November 14, 2023	Email - Outgoing	In follow up to FMG's email on 2023-11-09, FMG emailed the Township of Ear Falls providing a webinar invitation for 2023-11-14 and advised the presentation would focus on fish habitat offsetting and compensation measures proposed for the Project.	Appendix D-2.3
November 16, 2023	Email - Outgoing	FMG emailed the Township of Ear Falls providing a webinar invitation for 2023-11-21 and advised the presentation would focus on water management and treatment strategy for the Project.	Appendix D-2.3
November 21, 2023	Email - Outgoing	In follow up to FMG's email on 2023-11-16, FMG emailed the Township of Ear Falls providing a webinar invitation for 2023-11-21 and advised the presentation would focus on water management and treatment strategy for the Project.	Appendix D-2.3

May 17, 2021	Email Exchange	Following an email on 2021-05-11, WSP (on behalf of FMG) to the Community Services Manager for Red Lake, sent a second request for participation in the Socio-Economic Study for the Springpole Gold Project EA. WSP inquired about availability to participate in the Study. The contact for Red Lake responded notifying WSP that their inquiry does not pertain to the department they are in and that it has been forwarded to their supervisor. WSP responded thanking them for forwarding on the original email to their supervisor and that they hope to have them participate in the Study.	No
May 18, 2021	Email Exchange	Responding to an email from 2021-05-12, WSP (on behalf of FMG) thanked the Recreation and Facilities Manager for the Municipality of Red Lake for agreeing to participate in the Socio-Economic Study. WSP suggested the date 2021-05-20 from 12:00-2:00 pm EST for the call and noted that it should take around 30 minutes. The Recreation and Facilities Manager responded noting that the time 12:00 pm EST works for them. WSP responded thanking the Recreation and Facilities Manager and noted that they will send a meeting invitation.	No
May 20, 2021	Email Exchange	WSP (on behalf of FMG) sent the Recreation and Facilities Supervisor of the Municipality of Red Lake a document containing the interview questions and relevant information for the interview. The Supervisor responded noting that they had hoped to have the document sooner as they will not have time to review it before the call. WSP responded apologizing and asked if they would like to reschedule the call to provide more time to review the document. The Supervisor responded noting that they would like to reschedule and asked for a time. WSP asked about availability on 2021-05-27 between 12:00-1:00 pm EST or 2021-05-26 between 10:00 am and 12:00 pm EST. The Supervisor responded confirming the date and time of 2021-05-26 at 10:00 am EST. WSP responded noting that they will send a meeting invitation for 2021-05-26. WSP asked about availability on 2021-05-27 between 12-1 pm EST or 2021-05-26 between 10 am and 12 pm EST. The Supervisor responded confirming the date and time of 2021-05-26 at 10 am EST. WSP responded noting that they will send a meeting invitation for 2021-05--26.	No
May 26, 2021	Meeting – Held	WSP (on behalf of FMG) met with the Recreation Manager of the Municipality of Red Lake to validate and gather information on the recreation and community services in the local area for the Socio-Economic Study.	No
May 28, 2021	Email – Outgoing	Following an email on 2021-05-17, WSP (on behalf of FMG) inquired if the Trustee of Red Lake for the Keewatin Patricia School Board is available to participate in the Socio-Economic Study for FMG's Springpole Gold Project EA.	No

Table D-1.3-3: Municipality of Red Lake Communication Log

Date	Method of Communication	Communication Summary	Key Supporting Document(s) Reference
May 28, 2021	Email Exchange	WSP (on behalf of FMG) provided the Recreation and Facilities Manager of the Municipality of Red Lake with the draft notes from their discussion regarding the Socio-Economic Study. WSP asked for any feedback or comments on the notes. The Recreation and Facilities Manager responded with one change. WSP thanked the Manager and noted that they will implement the change.	No
June 8, 2021	Email Exchange	Following an email from 2021-05-17, WSP (on behalf of FMG) inquired about participation in the Springpole Gold Project Socio-Economic Study from a contact at the Municipality of Red Lake involved in community resources and services. WSP inquired if they are unable to participate if they can provide direction to an individual with knowledge on the subject matter. The Community Services Manager responded with the contact information for the Chief Administrative Officer for the municipality. WSP responded thanking them for the contact information.	No
December 3, 2021	Email – Outgoing	FMG's Community Relations Team distributed the Notice of Commencement of the EA for the Project to the Project contact list.	Appendix D-2.3
May 31, 2022	Email – Outgoing	FMG emailed the Project government and public stakeholders contact list providing them with draft EIS/EA documents for review and comment. FMG informed these entities that FMG is planning open house events in the region and a virtual event to provide a project overview. FMG provided the website link to the draft EIS/EA documents.	Appendix D-2.3
Post-Draft EIS/EA Submission			
September 27, 2022	Email – Outgoing	FMG provided an invite to a series of five virtual public presentations on the Springpole Gold Project and its draft EIS/EA to be held over the month of October. The 5 presentation themes are water resources, fish and fish habitat, human environment, terrestrial environment, and atmospheric environment. The invitation noted that the sessions will include a presentation followed by a question-and-answer period with WSP (FMG's consultants). The invitation was sent to the entire project contact list.	Appendix D-2.3
January 31, 2023	Email – Outgoing	FMG emailed the Project contact list providing a hyperlink to the new Springpole Project Overview video. FMG also noted that the draft EIS/EA is published and can be accessed through the hyperlink.	Appendix D-2.3
