Community Group	Date	Method of Communication	Communication Summary	Key Supporting Document(s) Reference
General Public - Community Information Session at the Northern Housing Summit	June 26 – 28, 2018	Meeting – Public	Information session at the Northern Housing Summit to provide an overview of the Project. FMG provided a visual overview of the Project. There was review and comment of presented materials.	Appendix D-2.5 ToR RoC p402
General Public	August 29, 2018	Mail – Outgoing	FMG provided the Notice announcing the commencement of the provincial ToR process.	No
General Public - Community Information Session at the Northwestern Ontario Prospectors Symposium	April 2 – 3, 2019	Meeting – Public	Information session at the Northwestern Ontario Prospectors Symposium to provide an overview of the Project. FMG provided a visual overview of the Project. There was review and comment of presented materials.	Appendix D-2.5 ToR RoC p403
Public Contact List	June 23, 2021	Email – Outgoing	FMG sent a copy of the Summer 2021 Project newsletter and provided a link to the Springpole Environmental Assessment Project Website Portal. FMG noted that the portal will contain up to date and detailed information regarding environmental data collection and engagement programs for the Project.	Appendix D-2.4
General Public	September 7, 2021	Advertisement	A radio advertisement was aired on Wawatay Radio twice a day for the information session scheduled on 2021-09-15 from 6:00 pm to 8:00 pm in Sioux Lookout, ON.	Appendix D-2.4
General Public	September 8, 2021	Notice – Outgoing	A notice was advertised in the Sioux Bulletin for the information session scheduled on 2021-09-15 from 6:00 pm to 8:00 pm in Sioux Lookout, ON. The notice was also posted on the Sioux Bulletin website from 2021-09-08 to 2021-09-15.	Appendix D-2.4
General Public	September 8, 2021	Social media (FB/Twitter)	An advertisement was posted on Facebook for the information session scheduled on 2021-09-15 from 6:00 pm to 8:00 pm in Sioux Lookout, ON.	Appendix D-2.4
General Public	September 8, 2021	Advertisement	A radio advertisement was aired on Wawatay Radio twice a day for the information session scheduled on 2021-09-15 from 6:00 pm to 8:00 pm in Sioux Lookout, ON.	Appendix D-2.4
General Public	September 9, 2021	Advertisement	A radio advertisement was aired on CKDR Radio for the information session scheduled on 2021-09-15 from 6:00pm to 8:00pm in Sioux Lookout, ON.	Appendix D-2.4
General Public	September 9, 2021	Advertisement	A radio advertisement was aired on Wawatay Radio twice a day for the information session scheduled on 2021-09-15 from 6:00 pm to 8:00 pm in Sioux Lookout, ON.	Appendix D-2.4
General Public	September 10, 2021	Advertisement	A radio advertisement was aired on Wawatay Radio twice a day for the information session scheduled on 2021-09-15 from 6:00 pm to 8:00 pm in Sioux Lookout, ON.	Appendix D-2.4
General Public	September 10, 2021	Advertisement	A radio advertisement was aired on CKDR Radio for the information session scheduled on 2021-09-15 from 6:00pm to 8:00pm in Sioux Lookout, ON.	Appendix D-2.4
General Public	September 13, 2021	Advertisement	A radio advertisement was aired on Wawatay Radio twice a day for the information session scheduled on 2021-09-15 from 6:00 pm to 8:00 pm in Sioux Lookout, ON.	Appendix D-2.4
General Public	September 13, 2021	Advertisement	A radio advertisement was aired on CKDR Radio for the information session scheduled on 2021-09-15 from 6:00pm to 8:00pm in Sioux Lookout, ON.	Appendix D-2.4
General Public	September 14, 2021	Advertisement	A radio advertisement was aired on Wawatay Radio twice a day for the information session scheduled on 2021-09-15 from 6:00 pm to 8:00 pm in Sioux Lookout, ON.	Appendix D-2.4
General Public	September 14, 2021	Advertisement	A radio advertisement was aired on CKDR Radio for the information session scheduled on 2021-09-15 from 6:00pm to 8:00pm in Sioux Lookout, ON.	Appendix D-2.4
General Public	September 15, 2021	Advertisement	A radio advertisement was aired on Wawatay Radio twice a day for the information session scheduled on 2021-09-15 from 6:00 pm to 8:00 pm in Sioux Lookout, ON.	Appendix D-2.4
General Public	September 15, 2021	Advertisement	A radio advertisement was aired on CKDR Radio for the information session scheduled on 2021-09-15 from 6:00pm to 8:00pm in Sioux Lookout, ON.	Appendix D-2.4
General Public	September 15, 2021	Meeting – Held	FMG hosted a Public Information Meeting to inform and consult with local community members and stakeholders in the Municipality of Sioux Lookout at an early stage in the EA process. The meeting was organized by FMG to provide information about the Project, to review and seek feedback on the environmental baseline data collected to date, as well as the alternative methods being considered for the Project as part of the EA process. The Public Information Meeting was held as a combination of a presentation and open-house style. Attendees were encouraged to ask questions and provide any comments. A series of poster boards and handouts were setup around the room that provided further detail on the environmental baseline data and project components and methods alternatives. Attendees were encouraged to view the information, maps and figures and ask questions or provide comments regarding the materials. Questions were asked about the tailings facility, employment opportunities, and traplines. A historic portage route was noted at the Project site.	Appendix D-2.4
General Public	November 24, 2021	Notice – Outgoing	FMG advertised the Notice of Commencement of the undertaking of an Environmental Assessment under the Ontario Environmental Assessment Act for the Project in the Sioux Lookout Bulletin.	Appendix D-2.4
General Public	December 2, 2021	Email – Outgoing	FMG provided a poster to the Township of Ear Falls to advertise the open house on 2021-12-16.	Appendix D-2.4
General Public	December 2, 2021	Social media (FB/Twitter)	FMG shared an advertisement for an information session in the Township of Ear Falls scheduled for 2021-12-16 with the Ear Falls Central Facebook group.	Appendix D-2.4
Public Contact List	December 3, 2021	Email – Outgoing	FMG distributed the Notice of Commencement of the Environmental Assessment for the Project.	Appendix D-2.4
Public Contact List	December 10, 2021	Email – Outgoing	FMG sent the Notice of Commencement for the Environmental Assessment for the Project to the Public Contact List.	Appendix D-2.4

**Table D-1.4: Public Stakeholders Communication Log**

Community Group	Date	Method of Communication	Communication Summary	Key Supporting Document(s) Reference
General Public	December 16, 2021	Meeting – Public	FMG held a Public Information Session in the Township of Ear Falls to inform and consult with local community members and stakeholders in Ear Falls. The meeting was organized by FMG to provide information about the Project, to review and seek feedback on the environmental baseline data collected to date, as well as the alternative methods being considered for the Project as part of the EA process. The Public Information Meeting was held as a combination of a presentation and open-house style. Attendees were encouraged to ask questions and provide any comments. A series of poster boards and handouts were setup around the room that provided further detail on the environmental baseline data and project components and methods alternatives. Attendees were encouraged to view the information, maps and figures and ask questions or provide comments regarding the materials. Questions were asked about employment opportunities and conditions that were answered at the meeting.	Appendix D-2.4
Public Contact List	December 21, 2021	Email – Outgoing	FMG distributed the latest copy of the Springpole quarterly newsletter and expressed their well wishes for the holiday season and New Year. The newsletter included another announcement about the commencement of the EA, updates on Project activities and local event participation, information on why the Project is a proposed open pit mine, as well as an environmental baseline study update.	Appendix D-2.4
Public Contact List	January 13, 2022	Email – Outgoing	As a follow up to the Notice of Commencement for the Project Environmental Assessment sent to the public contact list on 2021-12-03, FMG noted that the approved ToR has been uploaded to the FMG website.	No
Public Contact List	April 2022	Email – Outgoing Mail – Outgoing	The third quarterly Springpole Explorer Newsletter was distributed by FMG in April 2022 to the Public contact list via email. The newsletter included information on the economic and employment benefits of the proposed Project. It also included a reminder about the Notice of Commencement of the EA, and a link to the approved amended ToR. The newsletter was also distributed via mail to residents of the Municipality of Sioux Lookout.	No
Public Contact List	May 31, 2022	Email – Outgoing	FMG emailed the Project government and public stakeholders contact list providing them with the website link to the draft Environmental Impact Statement/EA documents review and comment. FMG informed these entities that FMG is planning information sessions in the region and a virtual event to provide a Project overview.	Appendix D-2.4
General Public	July 19, 2022	Meeting – Public	FMG held a Public Information Meeting to inform and consult with local community members in the Township of Ear Falls to provide information about the Project and to review and seek feedback on the draft EIS/EA. FMG presented on the draft EIS/EA, including baseline studies completed, alternative assessment, mitigation measures, and what comments had been received thus far. The meeting was held as a combination of a presentation and open-house style and attendees were encouraged to ask questions and provide any comments. A series of poster boards and handouts were setup around the room that provided further detail on the draft EIS/EA VCs, effects assessment methodology and conclusions, and proposed mitigation measures. Questions were asked about employment opportunities and conditions that were answered at the meeting. Notification of this Public Information Meeting was provided in advance through publishing in local newspapers, radio advertisements and online methods.	Appendix D-2.4
Public Contact List	July 20, 2022	Meeting – Public	FMG held a Public Information Meeting to inform and consult with local community members in the Municipality of Sioux Lookout to provide information about the Project and to review and seek feedback on the draft EIS/EA. FMG presented on the draft EIS/EA, including baseline studies completed, alternative assessment, mitigation measures, and what comments had been received thus far. The meeting was held as a combination of a presentation and open-house style and attendees were encouraged to ask questions and provide any comments. A series of poster boards and handouts were setup around the room that provided further detail on the draft EIS/EA VCs, effects assessment methodology and conclusions, and proposed mitigation measures. Questions were asked about employment opportunities and conditions that were answered at the meeting. Notification of this Public Information Meeting was provided in advance through publishing in local newspapers, radio advertisements and online methods.	Appendix D-2.4
Public Contact List	August 25, 2022	Email – Outgoing Mail	FMG distributed the Summer 2022 Springpole Newsletter to the Public Contact List via email. FMG re-iterated through the front-page article of the Project newsletter that the draft EIS/EA had been published and described how to provide feedback and comment. The newsletter was also distributed via mail to residents of the Municipality of Sioux Lookout.	Appendix D-2.4
General Public	October 6, 2022	Meeting – Held	FMG and WSP (on behalf of FMG) conducted a public webinar regarding water resources, as part of the October 2022 five-part public webinar series. The presentation slides and video recording are both available on FMG's website.	Appendix D-2.4
General Public	October 11, 2022	Meeting – Held	FMG and WSP (on behalf of FMG) conducted a public webinar regarding fish and fish habitat, as part of the October 2022 five-part public webinar series. The presentation slides and video recording are both available on FMG's website.	Appendix D-2.4
General Public	October 13, 2022	Meeting – Held	FMG and WSP (on behalf of FMG) conducted a public webinar regarding human environment, as part of the October 2022 five-part public webinar series. The presentation slides and video recording are both available on FMG's website.	Appendix D-2.4
General Public	October 18, 2022	Meeting – Held	FMG and WSP (on behalf of FMG) conducted a public webinar regarding terrestrial environment, as part of the October 2022 five-part public webinar series. The presentation slides and video recording are both available on FMG's website.	Appendix D-2.4
General Public	October 20, 2022	Meeting – Held	FMG and WSP (on behalf of FMG) conducted a public webinar regarding atmospheric environment, as part of the October 2022 five-part public webinar series. The presentation slides and video recording are both available on FMG's website.	Appendix D-2.4
Public Contact List	January 31, 2023	Email – Outgoing	FMG emailed the Public Contact List providing a hyperlink to the new Springpole Project Overview video. FMG also noted that the draft EIS/EA is published and can be accessed through the hyperlink.	Appendix D-2.4

**Table D-1.4: Public Stakeholders Communication Log**

Community Group	Date	Method of Communication	Communication Summary	Key Supporting Document(s) Reference
General Public	April 25, 2023	Email – Outgoing Mail – Outgoing	FMG provided the sixth issue of the Springpole Explorer Newsletter to the Public Contact List. The newsletter included highlights from 2022 as well as an update on the environmental baseline programs, including the Caribou and wolverine studies. The newsletter also included links to the draft EIS/EA, Project video and FMG's 2022 ESG Report. The newsletter was also distributed via mail to residents of the Municipality of Sioux Lookout.	Appendix D-2.4
General Public	May 30, 2023	Meeting – Public	FMG held a Public Information Meeting in the Township of Ear Falls to present an overview of the Project and the draft EIS/EA. FMG provided an update on Project progress over the past year, including related to the CDF, water management, wildlife, and the fisheries compensation plans FMG played a video presentation to community members showing the Springpole mine site, mineral body, and the proposed Project features and components. FMG requested input from attendees regarding potential fish habitat compensation opportunities. Discussions were held regarding access to the Project, Project timelines and employment opportunities, as well as questions regarding the project processing plant and tailings facility. Meeting was provided in advance through publishing in local newspapers, radio advertisements and online methods.	Appendix D-2.4
General Public	May 31, 2023	Meeting – Public	FMG held a Public Information Session in the Municipality of Sioux Lookout providing details and addressing questions on the Project, the draft EIS/EA including alternatives assessment and mitigation measures, ongoing studies in 2023, fisheries compensation plans, access roads, potential economic impacts, and the Co-Disposal Facility.	Appendix D-2.4
Public Contact List	July 24, 2023	Email – Outgoing	FMG emailed a copy of the 7th issue of the Springpole Quarterly Newsletter to the public contact list. The newsletter included an updated on FMG's 2023 ESG priorities, an overview of the Aquatic eDNA sampling program for the baseline studies, as well as a feature on an employee from CLFN. The newsletter was also distributed via mail to residents of the Municipality of Sioux Lookout.	Appendix D-2.4
General Public	September 13, 2023	Meeting – Held	FMG had a booth at the Central Canada Resource Expo held in Thunder Bay on 2023-09-13 and 2023-09-14. Information about the Project was available, including a handout with a QR code and link to the EIS/EA portal website. Job opportunities at FMG were also advertised.	No
General Public	September 14, 2023	Meeting – Held	FMG had a booth at the Central Canada Resource Expo held in Thunder Bay on 2023-09-13 and 2023-09-14. Information about the Project was available, including a handout with a QR code and link to the EIS/EA portal website. Job opportunities at FMG were also advertised.	No
Public Contact List	October 24, 2023	Email – Outgoing	FMG emailed providing the eighth issue of the Springpole Quarterly Newsletter outlining environmental work and community engagement activities conducted over the third quarter of 2023. The Newsletter also included links to upcoming webinars on the Project, as well as information on the upcoming Public Information Sessions planned for November 2023. The newsletter was also distributed via mail to residents of the Municipality of Sioux Lookout.	Appendix D-2.4
Public Contact List	October 26, 2023	Email - Outgoing	FMG emailed the Project Contact List providing an invitation for a webinar series. FMG advised the first presentation on 2023-11-07 would provide an overview of the EIS/EA process and provide updates on optimizations made based on feedback. The second presentation on 2023-11-14 would focus on fish habitat offsetting and compensation measures proposed for the Project. The third presentation on 2023-11-21 would focus on water management and treatment strategy for the Project. The fourth presentation on 2023-11-28 would focus on the alternatives assessment process for the Project.	Appendix D-2.4
Public Contact List	November 3, 2023	Email - Outgoing	FMG emailed the Project Contact List providing a webinar invitation for 2023-11-07 and advised the presentation would focus on the EIS/EA process and provide updates on Project optimizations made based on feedback.	Appendix D-2.4
Public Contact List	November 7, 2023	Email - Outgoing	In follow up to FMG's email on 2023-11-03, FMG emailed the Project Contact List providing a webinar invitation for 2023-11-07 and advised the presentation would focus on the EIS/EA process and provide updates on Project optimizations made based on feedback.	Appendix D-2.4
General Public	November 7, 2023	Meeting – Held	FMG conducted a public webinar regarding the draft EIS/EA and Project optimizations, as part of the November 2023 four-part public webinar series. The presentation slides and video recording are both available on FMG's website.	Appendix D-2.4
Public Contact List	November 9, 2023	Email - Outgoing	FMG emailed the Project Contact List providing a webinar invitation for 2023-11-14 and advised the presentation would focus on fish habitat offsetting and compensation measures proposed for the Project.	Appendix D-2.4
Public Contact List	November 14, 2023	Email - Outgoing	In follow up to FMG's email on 2023-11-09, FMG emailed the Project Contact List providing a webinar invitation for 2023-11-14 and advised the presentation would focus on fish habitat offsetting and compensation measures proposed for the Project.	Appendix D-2.4
General Public	November 14, 2023	Meeting – Held	FMG conducted a public webinar regarding fish and fish habitat, as part of the November 2023 four-part public webinar series. The presentation slides and video recording are both available on FMG's website.	Appendix D-2.4
Public Contact List	November 16, 2023	Email - Outgoing	FMG emailed the Project Contact List providing a webinar invitation for 2023-11-21 and advised the presentation would focus on water management and treatment strategy for the Project.	Appendix D-2.4
Public Contact List	November 21, 2023	Email - Outgoing	In follow up to FMG's email on 2023-11-16, FMG emailed the Project Contact List providing a webinar invitation for 2023-11-21 and advised the presentation would focus on water management and treatment strategy for the Project.	Appendix D-2.4

**Table D-1.4: Public Stakeholders Communication Log**

Community Group	Date	Method of Communication	Communication Summary	Key Supporting Document(s) Reference
General Public	November 21, 2023	Meeting – Held	FMG, WSP (on behalf of FMG) and Veolia Water Technologies (on behalf of FMG) conducted a public webinar regarding water management and treatment, as part of the November 2023 four-part public webinar series. The presentation slides and video recording are both available on FMG's website.	Appendix D-2.4
Public Contact List	November 23, 2023	Email - Outgoing	FMG emailed the Project Contact List providing a webinar invitation for 2023-11-28 and advised the presentation would focus on the alternatives assessment process for the Project.	Appendix D-2.4
Public Contact List	November 28, 2023	Email - Outgoing	In follow up to FMG's email on 2023-11-23, FMG emailed the Project Contact List providing a webinar invitation for 2023-11-28 and advised the presentation would focus on the alternatives assessment process for the Project.	Appendix D-2.4
General Public	November 28, 2023	Meeting – Held	FMG and WSP (on behalf of FMG) conducted a public webinar regarding the alternatives assessment, as part of the November 2023 four-part public webinar series. The presentation slides and video recording are both available on FMG's website.	Appendix D-2.4
Public Contact List	November 29, 2023	Meeting – Community	FMG hosted a public information session in the Municipality of Red Lake, which included a presentation about the Project, including the site plan, benefits, baseline studies, the Fish Habitat offsetting and compensation plan, and the draft EIS/EA. FMG answered various questions about the Project, primarily related to Project design and operations. Display boards were also setup around the room detailing the Project, and highlighted results of the draft EIS/EA including methodology, mitigation strategies and results. A mine model was displayed replicating the proposed Project mine site as well as copies of recent Project newsletters.	Appendix D-2.4
General Public	November 30, 2023	Meeting – Held	FMG hosted a Community Information Session in the City of Dryden which included a presentation about the Project, including the site plan, benefits, baseline studies, the Fish Habitat offsetting and compensation plan, and the draft EIS/EA. FMG answered various questions about the Project, primarily related to Project design and operations. Display boards were also set up around the room detailing the Project, and the draft EIS/EA including methodology, mitigation strategies and results. A mine model was displayed replicating the proposed Springpole mine site as well as copies of recent Project newsletters.	Appendix D-2.4
Public Contact List	January 10, 2024	Email - Outgoing	FMG shared the ninth issue of the Project Newsletter, which included information related to Project updates; the upcoming Final EIS/EA submission; a description and link to the Springpole Gold Project video; a description and link to the 2023 ESG Report; information on the Wolverine and Caribou studies; community and engagement related news including (but not limited to) the public open houses that took place in the Municipality of Red Lake on November 29, 2023 and in the City of Dryden on November 30th, 2023, the fish and fish habitat workshop; as well as links to a series of webinars that FMG held throughout November 2023 on the EA update/optimizations, fish habitat offsetting and compensation strategies, water management and treatment, and alternatives assessment process.	Appendix TBD
Public Contact List	April 3, 2024	Email – Outgoing Mail – Outgoing	FMG emailed providing the tenth issue of the Springpole Quarterly Newsletter outlining environmental work and community engagement activities conducted over the first quarter of 2024. The Newsletter also included job opportunities, as well as information on community information sessions in April 2024. FMG requested the newsletter with community members. The newsletter was also distributed via mail to residents of the Municipality of Sioux Lookout.	Appendix D-2.4
807 Rush Hockey Team	January 14, 2024	Email – Incoming	807 Rush Hockey Team emailed FMG requesting a donation for the 807 Rush Hockey Team.	No
807 Rush Hockey Team	January 16, 2024	Email – Outgoing	In response to an email from 807 Rush Hockey Team on 2024-01-14, FMG provided a letter confirming they would like to sponsor the 807 Rush Hockey Team. FMG requested a team photo to feature in one of their upcoming community newsletters and/or on social media.	No
Barry's Bait and Plow Inc.	February 28, 2023	Email – Outgoing	FMG provided Barry's Bait and Plow with a Draft Environmental Assessment Notice and link to the FMG website to review the draft EIS/EA.	Appendix D-2.4
Barry's Bait and Plow Inc.	January 18, 2024	Email – Outgoing	FMG emailed Barry's Bait and Plow providing a Project and EIS/EA update letter and Project site map as a follow up to a previous Project and EIS/EA notification letter. FMG informed Barry's Bait and Plow that their Bait Harvest Areas are located within the Project's Regional Study Area, and they have therefore been identified as a potentially interested stakeholder. FMG offered to address any questions or concerns.	Appendix D-2.4
Bearskin Airlines	November 1, 2022	Email – Outgoing	FMG indicated to Bearskin Airlines that they would provide a donation to support for the 11th Annual Bearskin Airlines Skip to Equip Classic during November 11-13th, 2022.	No
Bearskin Airlines	December 8, 2022	Email Exchange	Bearskin Airlines emailed FMG providing a picture from their Equip Curling event and provided details on how FMG's donation will be used. FMG responded thanking Bearskin Airlines for the photo.	No
Best Baits Service (539990 Ontario Ltd.)	February 28, 2023	Email – Outgoing	FMG provided Best Baits Service with the Draft Environmental Assessment Notice and informed them that their Bait Harvest Area is located within the Project's Regional Study Area, and they have therefore been identified as a potentially interested stakeholder. FMG welcomed any comments or questions related to the Project.	Appendix D-2.4
Birch Lake Lodge	September 18, 2018	Email – Incoming	Email received noting interest in the Project and requesting to be included on Public Contact List.	No
Birch Lake Lodge	September 27, 2018	Email – Outgoing	Proposed to meet.	No
Birch Lake Lodge	September 28, 2018	Email – Incoming	Available to meet on October 9th, would like to discuss the EA.	No
Birch Lake Lodge	October 1, 2018	Email – Outgoing	Proposing to meet October 10th in Red Lake.	No
Birch Lake Lodge	October 7, 2018	Email– Incoming	Correspondence related to arranging a meeting.	No

**Table D-1.4: Public Stakeholders Communication Log**

Community Group	Date	Method of Communication	Communication Summary	Key Supporting Document(s) Reference
Birch Lake Lodge	October 9, 2018	Email – Outgoing	Correspondence related to arranging a meeting.	No
Birch Lake Lodge	October 9, 2018	Email – Incoming	Correspondence related to arranging a meeting.	No
Birch Lake Lodge	March 26, 2019	Email – Outgoing	Proposed to meet to provide update on project.	No
Birch Lake Lodge	March 27, 2019	Email – Incoming	Correspondence related to availability to meet.	No
Birch Lake Lodge	March 27, 2019	Email – Outgoing	Correspondence related to availability to meet.	No
Birch Lake Lodge	August 5, 2020	Email – Outgoing	Correspondence to get in touch.	No
Birch Lake Lodge	August 7, 2020	Email – Incoming	Inquiring when FMG will be in Thunder Bay.	No
Birch Lake Lodge	August 7, 2020	Email – Outgoing	Shared schedule, proposed to meet for lunch or dinner to discuss project.	No
Birch Lake Lodge	August 7, 2020	Email – Incoming	Proposed to meet for dinner on August 13, 2020. Requested available material about the project.	No
Birch Lake Lodge	August 11, 2020	Email – Outgoing	Confirmed to meet for dinner and make reservations. FMG will have the ToR ready by August 21, 2020 and make sure Birch Lake Lodge receives a copy.	No
Birch Lake Lodge	August 13, 2020	Meeting – Held	Met for dinner, provided updates on the project, and gave a hard copy of the ToR.	No
Birch Lake Lodge	October 6, 2020	Email – Incoming	MECP provided comments from the Birch Lake Lodge Resort regarding the Springpole Gold Project ToR.	No
Birch Lake Lodge	January 11, 2021	Email – Outgoing	FMG provided responses to Birch Lake Lodge comments received on the ToR directly.	No
Birch Lake Lodge	May 31, 2022	Email – Outgoing	FMG emailed the Project government and public stakeholders contact list providing them with the website link to the draft Environmental Impact Statement/Environmental Assessment documents for review and comment. FMG informed these entities that FMG is planning information sessions in the region and a virtual event to provide a Project overview.	Appendix D-2.4
Birch Lake Lodge	September 27, 2022	Email – Outgoing	FMG provided an invite to a series of five virtual public presentations on the Springpole Gold Project and its draft EIS/EA to be held over the month of October. The 5 presentation themes are: water resources, fish and fish habitat, human environment, terrestrial environment and atmospheric environment. The invitation noted that the sessions will include a presentation followed by a question-and-answer period with WSP (FMG's consultants). The invitation was sent to the entire Public Contact List.	Appendix D-2.4
Birch Lake Lodge	January 31, 2023	Email – Outgoing	FMG emailed the Public Contact List providing a hyperlink to the new Springpole Project Overview video. FMG also noted that the draft EIS/EA is published and can be accessed through the hyperlink.	Appendix D-2.4
Blue Heron Environmental	October 20, 2021	Email Exchange	Blue Heron Environmental thanked FMG (FMG for reaching out regarding Environmental Monitor Training. FMG noted that they would like to start the training in the next few months. FMG included that the Environmental Monitors for the Project will represent their respective communities on the Project site as baseline data is collected to support the Environmental Assessment Process. FMG noted that they would like to hold the training in Sioux Lookout as this is a central location for participants. Blue Heron Environmental noted that they have several modules that align with the desired training, and a list will be provided to review. Blue Heron Environmental noted that their Training Coordinator will contact FMG to set up an initial call to discuss some of the initial details. FMG thanked Blue Heron Environmental.	No
Blue Heron Environmental	October 27, 2021	Email – Incoming	Blue Heron Environmental provided FMG with a revised draft agenda for the Environmental Monitor training. Blue Heron Environmental noted to disregard the previous version and that the start and end times of training are flexible to meet the needs of the participants.	No
Boreal Prospectors Association	May 31, 2022	Email – Outgoing	FMG emailed the Project government and public stakeholders contact list providing them with the website link to the draft Environmental Impact Statement/Environmental Assessment documents for review and comment. FMG informed these entities that FMG is planning information sessions in the region and a virtual event to provide a Project overview.	Appendix D-2.4
Boreal Prospectors Association	September 27, 2022	Email – Outgoing	FMG provided an invite to a series of five virtual public presentations on the Springpole Gold Project and its draft EIS/EA to be held over the month of October. The 5 presentation themes are: water resources, fish and fish habitat, human environment, terrestrial environment and atmospheric environment. The invitation noted that the sessions will include a presentation followed by a question-and-answer period with WSP (FMG's consultants). The invitation was sent to the entire Public Contact List.	Appendix D-2.4
Canada North Lodge	February 28, 2023	Email – Outgoing	FMG provided Canada North Lodge with a Draft Environmental Assessment Notice and informed them that their Bear Management Area is located within the Project's Regional Study Area, and they have therefore been identified as a potentially interested stakeholder. FMG welcomed any comments or questions related to the Project.	Appendix D-2.4
Canada North Lodge	January 18, 2024	Email – Outgoing	FMG emailed Canada North Lodge providing a Project and EIS/EA update letter and Project site map as a follow up to a previous Project and EIS/EA notification letter sent in March 2023. FMG informed Canada North Lodge that their Bear Management Area is located within the Project's Regional Study Area, and they have therefore been identified as a potentially interested stakeholder. FMG offered to address any questions or concerns.	Appendix D-2.4
Cat Island Lodge (2004) Ltd.	February 28, 2023	Email – Outgoing	FMG provided Cat Island Lodge with a Draft Environmental Assessment Notice and informed them that their Bait Harvest Area is located within the Project's Regional Study Area, and they have therefore been identified as a potentially interested stakeholder. FMG welcomed any comments or questions related to the Project.	Appendix D-2.4

**Table D-1.4: Public Stakeholders Communication Log**

Community Group	Date	Method of Communication	Communication Summary	Key Supporting Document(s) Reference
Cat Island Lodge (2004) Ltd.	January 18, 2024	Email Exchange	FMG emailed Cat Island Lodge providing a Project and EIS/EA update letter and Project site map as a follow up to a previous Project and EIS/EA notification letter sent in February 2023. FMG informed Cat Island Lodge that their Bear Management Area is located within the Project's Regional Study Area, and they have therefore been identified as a potentially interested stakeholder. FMG offered to address any questions or concerns. Cat Island Lodge advised they are not currently concerned with the Bear Management Area but emphasized the importance of their two boat caches on Springpole Lake used for guest camping and fishing activities. They anticipate potential impacts to those amenities when the Project advances and requested to remain on the Public Contact List until they can decide on the appropriate course of action.	Appendix D-2.4
Cat Island Lodge (2004) Ltd.	January 22, 2024	Email – Outgoing	In response to an email from Cat Island Lodge on 2024-01-18, FMG confirmed that Cat Island Lodge will remain on the contact list and offered to address any inquiries or facilitate a meeting as needed.	Appendix D-2.4
Cat Island Lodge (2004) Ltd.	February 5, 2024	Email – Outgoing	In response to an email from Cat Island Lodge on 2024-01-18, FMG confirmed that Cat Island Lodge will remain on the contact list and will continue to receive Project updates. FMG also offered to address any questions regarding the Project schedule or potential impacts to camping and fishing on Springpole Lake.	Appendix D-2.4
Chukuni Communities Development Corporation	August 29, 2018	Mail – Outgoing	Notification announcing the commencement of the provincial ToR process.	No
Chukuni Communities Development Corporation	May 11, 2021	Email – Outgoing	FMG sent an invitation to a member of Chukuni Communities Development Corporation to participate in the socio-economic study conducted by WSP on behalf of FMG as part of the Springpole Gold Project environmental assessment. FMG included contact information for the WSP team who will be following up with the recipient with more information. A letter detailing the study and project was included in the communication.	No
Chukuni Communities Development Corporation	May 17, 2021	Email – Outgoing	Following an email on 2021-05-11, WSP on behalf of FMG to the Chukuni Communities Development Corporation, sent a second request for participation in the Socio-Economic Study for the Springpole Gold Project environmental assessment. WSP inquired about availability to participate in the Study.	No
Chukuni Communities Development Corporation	May 28, 2021	Email Exchange	Following an email from 2021-05-17, WSP on behalf of FMG inquired if Chukuni Communities Development Corporation is available to participate in the Socio-Economic Study for FMG's Springpole Gold Project. Chukuni Communities Development Corporation responded that they are out of the office but will return on 2021-06-01 and will let WSP know their schedule. WSP responded thanking Chukuni Communities Development Corporation and requested that they let them know their availability once they return to the office.	No
Chukuni Communities Development Corporation	June 4, 2021	Email Exchange	Following an email on 2021-05-28, WSP on behalf of FMG reached out to Chukuni Communities Development Corporation to set up a virtual meeting regarding the Socio-Economic Study for the Springpole Gold Project. WSP inquired about availability on 2021-06-08 or 2021-06-09. Chukuni Communities Development Corporation responded noting their availability on 2021-06-08 from 9:00am to 11:00 am EST or 2021-06-09 after 2:00pm EST. WSP responded confirming 2021-06-09 at 2:00pm CDT for the meeting and noted that that they will be sending a meeting invitation.	No
Chukuni Communities Development Corporation	June 8, 2021	Email – Outgoing	Following an email on 2021-06-04, WSP thanked Chukuni Communities Development Corporation for participating in the Socio-Economic Study for the Springpole Gold Project. WSP included the interview questions and research information to review before the meeting on 2021-06-09.	No
Chukuni Communities Development Corporation	June 9, 2021	Meeting – Held	WSP on behalf of FMG met with Chukuni Communities Development Corporation to gather and validate information on the local economy for the Springpole Gold Project Socio-Economic Study.	No
Chukuni Communities Development Corporation	June 10, 2021	Email – Outgoing	WSP on behalf of FMG thanked Chukuni Communities Development Corporation for participating in the Socio-Economic Study for the Springpole Gold Project. WSP attached the draft notes from the meeting on 2021-06-09 and asked that they be reviewed.	No
Chukuni Communities Development Corporation	January 31, 2023	Email – Outgoing	FMG emailed the Public Contact List providing a hyperlink to the new Springpole Project Overview video. FMG also noted that the draft EIS/EA is published and can be accessed through the hyperlink.	Appendix D-2.4
Clark's Resorts and Outposts	February 28, 2023	Email – Outgoing	FMG provided Clark's Resorts and Outposts with a Draft Environmental Assessment Notice and informed them that their business is located within the Project's Regional Study Area, and they have therefore been identified as a potentially interested stakeholder. FMG welcomed any comments or questions related to the Project.	Appendix D-2.4
Clark's Resorts and Outposts	March 5, 2023	Telephone Call - Incoming	FMG received a call from Clark's Resorts and Outposts on 2023-03-05, requesting to be added to the mailing list and offer business opportunities.	No
Clark's Resorts and Outposts	March 14, 2023	Email – Outgoing	Following a call from Clark's Resorts and Outposts on 2023-03-05, FMG confirmed that Clark's Resorts would be on the mailing list for future notices. FMG also noted that information regarding Clark's Air Service and potential resources they may be able to provide over the life of the project has been passed on to the FMG team.	No
Clark's Resorts and Outposts	January 18, 2024	Email – Outgoing	FMG emailed Clark's Resorts and Outposts providing a Project and EIS/EA update letter and Project site map as a follow up to a previous Project and EIS/EA notification letter sent in March 2023. FMG informed Clark's Resorts and Outposts that their business is located within the Project's Regional Study Area, and they have therefore been identified as a potentially interested stakeholder. FMG offered to address any questions or concerns.	Appendix D-2.4
Clean Harbors	November 1, 2021	Email – Incoming	Clean Harbors inquired if FMG needs camp facilities for the Project during the construction phase. Clean Harbors noted they can provide services and included information on their portable camp facilities and their Indigenous and Community relations.	No
Clean Harbors	November 4, 2021	Email – Outgoing	Following an email dated 2021-11-01, FMG informed Clean Harbors they would be happy to speak to them regarding their portable camp facilities.	No

Commercial Outpost Camp	January 16, 2024	Letter – Outgoing	FMG mailed a Project and EIS/EA notification letter and Project site map to a Commercial Outpost Camp registered to a sole proprietor. FMG informed the Commercial Outpost Camp that their business is located within the Project's Regional Study Area, and they have therefore been identified as a potentially interested stakeholder. FMG offered to address any questions or concerns.	No
Commercial Outpost Camp	April 2, 2024	Letter – Incoming	A commercial outpost camp sent FMG a letter and a marked-up map outlining how FMG's proposed transmission line route would impact their business operations and requested that FMG reconsider the proposed path of the route.	No
Commercial Outpost Camp	May 31, 2024	Email Exchange	In response to an email from FMG 2024-05-07, Commercial Outpost Camp sent an email to FMG providing a letter requesting to discuss the Project EIS/EA as it poses significant challenges to Commercial Outpost Camp business operations. FMG replied requesting a meeting on either 204-06-04 or 2024-06-06 to discuss the proposed transmission line route.	No
Commercial Outpost Camp	May 7, 2024	Email – Outgoing	FMG emailed Commercial Outpost Camp providing confirmation of receipt of Commercial Outpost Camp's letter regarding the proposed Project transmission line sent on 2024-04-02. FMG provided a written response attached to the email and informed Commercial Outpost Camp to contact via email or phone to discuss further.	No
Commercial Outpost Camp	June 3, 2024	Email Exchange	In response to an email from FMG on 2024-05-31, Commercial Outpost Camp emailed FMG requesting to have a meeting on 2024-06-06 to discuss the proposed transmission line route. FMG replied confirming an in-person meeting location and time for 2024-06-06.	No
Commercial Outpost Camp	July 8, 2024	Email – Outgoing	In follow up to an email from FMG on 2024-06-03, FMG emailed Commercial Outpost Camp (COC) providing FMG's response to COC's letter from 2024-05-31.	No
Dryden Fibre (formerly Domtar Forestland)	February 27, 2024	Email – Outgoing	In response to an email from Dryden Fibre (formerly Domtar Forestland) on 2024-02-23, FMG proposed to schedule an in-person meeting to discuss winter road construction between 2024-03-11 and 2024-03-15.	No
Dryden Fibre (formerly Domtar Forestland)	March 7, 2024	Email – Outgoing	As a follow up to an email on 2024-02-27, FMG emailed Dryden Fibre (formerly Domtar Forestland) requesting to arrange an in-person meeting the week of 2024-03-11 to discuss winter road construction.	No
Ear Falls Canada Day Committee	June 17, 2022	Email	FMG emailed the Ear Falls Canada Day Committee informing them of their interest in donating to support Ear Falls' Canada Day celebrations.	No
Ear Falls Hunters & Anglers	May 31, 2022	Email – Outgoing	FMG emailed the Project government and public stakeholders contact list providing them with the website link to the draft Environmental Impact Statement/Environmental Assessment documents for review and comment. FMG informed these entities that FMG is planning information sessions in the region and a virtual event to provide a Project overview.	Appendix D-2.4
Ear Falls Hunters & Anglers	September 27, 2022	Email – Outgoing	FMG provided an invite to a series of five virtual public presentations on the Springpole Gold Project and its draft EIS/EA to be held over the month of October. The 5 presentation themes are: water resources, fish and fish habitat, human environment, terrestrial environment and atmospheric environment. The invitation noted that the sessions will include a presentation followed by a question-and-answer period with WSP (FMG's consultants). The invitation was sent to the entire Public Contact List.	Appendix D-2.4
Ear Falls Trappers Council/ Northwestern Fur Trappers Association	August 29, 2018	Mail – Outgoing	Notification announcing the commencement of the provincial ToR process.	No
Earth Rangers	July 22, 2022	Email – Outgoing	FMG reached out to Earth Rangers to connect them with CLFN to provide more information to CLFN on the sponsorship of Cat Lake school and proposed dates for program delivery. FMG then shared that FMG's Community Relations Manager's is leaving the company and provided FMG's Community Relations Assistant Coordinator's contact information as the new primary contact going forward.	No
Earth Rangers	August 31, 2022	Phone call – Incoming	FMG followed up on a previous email to Earth Rangers on 2022-07-22 inquiring if Earth Rangers have been in contact with Cat Lake School regarding the program that FMG is sponsoring. FMG then asked if they could provide any additional support to Earth Rangers on this.	No
Earth Rangers	September 13, 2022	Email Exchange	In response to an email FMG on 2022-08-31, CLFN inquired about whether there were any tentative dates scheduled for the Earth Rangers program. CFLN indicated traditional week dates for moose hunt which they would not be available. FMG replied that there were no tentative dates scheduled yet and identified a contact at Earth Rangers to arrange a meeting date.	No
FIREFLY	May 11, 2021	Email – Outgoing	FMG sent an invitation to the Chair of FIREFLY to participate in the socio-economic study conducted by WSP on behalf of FMG as part of the Springpole Gold Project Environmental Assessment. FMG included contact information for the WSP team who will be following up with the recipient with more information. A letter detailing the study and project was included in the communication.	No
FIREFLY	May 17, 2021	Email – Outgoing	Following an email on 2021-05-11, WSP on behalf of FMG, sent a second request to the Chair of FIREFLY, for participation in the Socio-Economic Study for the Springpole Gold Project Environmental Assessment. WSP inquired about availability to participate in the Study.	No
FIREFLY	May 28, 2021	Email – Outgoing	Following an email on 2021-05-17, WSP on behalf of FMG inquired if the chair of FIREFLY is available to participate in the Socio-Economic Study for FMG's Springpole Gold Project Environmental Assessment.	No

**Table D-1.4: Public Stakeholders Communication Log**

Community Group	Date	Method of Communication	Communication Summary	Key Supporting Document(s) Reference
FIREFLY	June 11, 2021	Email – Outgoing	Following an email on 2021-05-28, WSP on behalf of FMG sent the fourth request to the Chair of FIREFLY, for participation in the Socio-Economic Study for FMG's Springpole Gold project Environmental Assessment. WSP inquired if they are the correct contact and if not, if they could provide direction to the appropriate contact.	No
First Nations Safety and Training	July 8, 2022	Email – Incoming	First Nations Safety and Training reached out to FMG to inquire if FMG would be interested in supporting an upcoming training session or the upcoming program graduation ceremonies.	No
First Nations Safety and Training	July 28, 2022	Email – Outgoing	In response to an email from 2022-07-08, FMG responded to First Nations Safety and Training with a donation offer for the support of First Nations Safety and Training's upcoming Surface Miner Program graduates.	
Fly North Outfitters	February 28, 2023	Email – Outgoing	FMG provided Fly North Outpost with a Draft Environmental Assessment Notice and link to the FMG website to review the draft EIS/EA.	Appendix D-2.4
Fly North Outfitters	March 27, 2023	Email Exchange	In response to an email from FMG on 2023-02-28, Fly North Outfitters emailed FMG to note that the Springpole project does not seem to be a concern to their bait harvest blocks but there is a concern about a Land Use Permit on Springpole Lake that they were planning to use for bait harvesting purposes. FMG forwarded the email to the Ministry of Natural Resources and Forestry (MNRF) asking for them to provide coordinates of the Land Use Permit's location. MNRF responded to FMG with details and the location of a bait harvest cabin owned by Fly North Outfitters. MNRF recommended that FMG speak to Fly North Outfitters for more details relating to the use of the cabin and company who previously owned it.	No
Fly North Outfitters	March 27, 2023	Email – Incoming	In response to an email from FMG on 2023-02-28, Fly North Outfitters noted that the Springpole project does not seem to be a concern to their bait harvest blocks but there is a concern about a Land Use Permit on Springpole Lake that they were planning to use for bait harvesting purposes. Fly North Outfitters provided the Land Use Permit number on the lake.	No
Fly North Outfitters	April 6, 2023	Meeting – Held	FMG met with Fly North Outfitters regarding Bait Harvesting Areas and the Land Use Permit that is associated with the Fly North Outfitters cabin. Fly North Outfitters was open to selling the cabin to FMG.	No
Fly North Outfitters	April 6, 2023	Email – Outgoing	In response to an email on 2023-03-27 from Fly North Outfitters, FMG emailed Fly North Outfitters providing possible dates for a call regarding Fly North Outfitter's Land Use Permit.	No
Fly North Outfitters	April 26, 2023	Email Outgoing	In response to an email from Fly North Outfitters on 2023-03-27, FMG emailed Fly North Outfitters and offered to schedule a call to discuss Fly North Outfitters' Land Use Permit.	No
Fly North Outfitters	April 27, 2023	Phone call – Outgoing	FMG had a phone call with Fly North Outfitters who stated that they will sell FMG their cabin and land use permit. Once the purchase agreement is in place, Fly North Outfitters will contact the Ministry of Natural Resources and Forestry to have the Land Use Permit transferred to FMG. It was also discussed that Fly North Outfitters will be keeping the bait harvest block to trap minnows in a couple of lakes located outside the local study area.	No
Fly North Outfitters	June 17, 2023	Voicemail – Incoming	Fly North Outfitters left a voicemail with FMG regarding moving forward on a property agreement.	No
Fly North Outfitters	June 20, 2023	Email – Outgoing	Following a voicemail from Fly North Outfitters on 2023-06-17, FMG emailed Fly North Outfitters to note that FMG's legal team is reviewing the legal agreement and the Land Use Permit cancellation. FMG noted that if Fly North Outfitters would like a call, it could be arranged but that follow-up would be forthcoming.	No
Fly North Outfitters	July 13, 2023	Email – Outgoing	FMG emailed Fly North Outfitters providing a Land Use Permit agreement and additional details on the Land Use Permit. FMG offered to address any comments and requested that Fly North Outfitters sign and return the agreement.	No
Fly North Outfitters	July 21, 2023	Email – Incoming	In response to an email from FMG on 2023-07-13, Fly North Outfitters inquired about who will be responsible for restoring the property in the Land Use Permit agreement.	No
Fly North Outfitters	July 24, 2023	Email Exchange	In response to an email from Fly North Outfitters on 2023-07-21 regarding the Land Use Permit agreement, FMG provided details on cabin clean up and removal plans and provided an alternative option if Fly North Outfitters would prefer to expedite the process. FMG also attached a pdf version of the Land Use Permit agreement for Fly North Outfitters to sign.	No
Fly North Outfitters	August 1, 2023	Email – Outgoing	Following up to an email sent to Fly North Outfitters on 2023-07-24, FMG emailed a final signed agreement and a New Vendor Form for the payment processing for the Land Use Permit.	No
Fly North Outfitters	March 26, 2024	Email – Incoming	Fly North Outfitters emailed FMG inquiring about the timeline for an invoice.	No
Fly North Outfitters	March 27, 2024	Email – Outgoing	In response to an email from Fly North Outfitters on 2024-03-26, FMG provided details on the timeline for an invoice.	No
Fort Frances Northern Wilderness Outfitters	January 18, 2024	Email – Outgoing	FMG emailed Fort Frances Northern Wilderness Outfitters providing a Project and EIS/EA update letter and Project site map. FMG informed Fort Frances Northern Wilderness Outfitters that the Project development area overlaps with their Bear Management Areas, and they have therefore been identified as a potentially interested stakeholder. FMG offered to address any questions or concerns.	Appendix D-2.4
Friends of Cedar Bay	April 19, 2024	Email – Incoming	Friends of Cedar Bay emailed FMG thanking FMG for supporting the Friends of Cedar Bay Smile Cookie campaign. Friends of Cedar Bay requested logistical details for FMG's cookie order.	No

**Table D-1.4: Public Stakeholders Communication Log**

Community Group	Date	Method of Communication	Communication Summary	Key Supporting Document(s) Reference
Friends of Cedar Bay	April 23, 2024	Email – Outgoing	In response to an email from Friends of Cedar Bay on 2024-04-19, FMG provided a letter outlining FMG's sponsorship of the Friends of Cedar Bay Smile Cookie campaign and provided logistical details for FMG's cookie order.	No
Grand Council Treaty #3	February 21, 2024	Email – Incoming	Grand Council Treaty #3 (GCT3) emailed FMG and IAAC requesting to arrange a meeting with IAAC to discuss consultation for the Project and the EIS/EA, as the Project is situated adjacent to GCT3 traditional territory. GCT3 also requested to be added to the Project's distribution list and for the request to be forwarded to the appropriate FMG Indigenous liaison.	No
Grand Council Treaty #3	February 22, 2024	Email Exchange	In response to an email from GCT3 on 2024-02-21, IAAC emailed GCT3 providing potential meeting dates to discuss the federal assessment for the Project. IAAC informed GCT3 of a funding opportunity through the Agency's Participant Funding Program to support review of the EIS/EA. IAAC informed GCT3 that applications would be accepted until 2024-03-25 and provided a link for further information and application form. IAAC informed GCT3 that contact information is now included on the Agency's distribution list and that FMG has been brought into the email for following up about the Project engagement work. GCT3 replied confirming a meeting date of 2024-03-11 and requested IAAC provide an invitation for the meeting between GCT3 and IAAC.	Appendix D-2.4
Hidden Bay Lodge	May 31, 2022	Email – Outgoing	FMG emailed the Project government and public stakeholders contact list providing them with the website link to the draft Environmental Impact Statement/Environmental Assessment documents for review and comment. FMG informed these entities that FMG is planning information sessions in the region and a virtual event to provide a Project overview.	Appendix D-2.4
Hidden Bay Lodge	September 27, 2022	Email – Outgoing	FMG provided an invite to a series of five virtual public presentations on the Springpole Gold Project and its draft EIS/EA to be held over the month of October. The 5 presentation themes are: water resources, fish and fish habitat, human environment, terrestrial environment and atmospheric environment. The invitation noted that the sessions will include a presentation followed by a question-and-answer period with WSP (FMG's consultants). The invitation was sent to the entire Public Contact List.	Appendix D-2.4
Hydro One	July 14, 2022	Email – Incoming	Hydro One provided a letter to FMG confirming that there are no existing Hydro One Transmission assets in the Study Area based on their preliminary assessment.	Appendix D-2.4
Hydro One	February 15, 2024	Meeting – Held	FMG met with Hydro One to discuss specifics concerning the supply of power to the Project site.	No
InclusivAction Pickle Lake	September 12, 2021	Email – Incoming	InclusivAction Pickle Lake inquired to FMG about donating prizes or sponsoring a community clean up event on 2021-09-25.	No
InclusivAction Pickle Lake	September 20, 2021	Email – Outgoing	Following an email dated 2021-09-12, FMG informed InclusivAction Pickle Lake that they will donate \$500 to the community clean up on 2021-09-25 and requested that an acknowledgment letter be sent to them for the donation. FMG wished them success with the event.	No
InclusivAction Pickle Lake	September 23, 2021	Email Exchange	Following an email dated 2021-09-20, InclusivAction Pickle Lake responded to FMG's request for an acknowledgement letter for the donation for the community clean up event. InclusivAction Pickle Lake noted that the donation has not been received yet and they will be purchasing prizes for the event next Saturday. InclusivAction Pickle Lake will provide the acknowledgement letter next week. FMG responded on the same day explaining that these payments are usually completed on Fridays, however FMG will follow-up internally. FMG further responded on the same day providing the security questions for the e-transfer.	No
InclusivAction Pickle Lake	September 24, 2021	Email Exchange	Following an email dated 2021-09-23, InclusivAction Pickle Lake asked FMG if the e-transfer for the community clean-up donation was sent to the correct email address. FMG responded that the Account Payable team are in Vancouver, so the e-transfer may be sent later.	No
InclusivAction Pickle Lake	September 30, 2021	Email – Incoming	Following an email dated 2021-09-24, InclusivAction Pickle Lake provided FMG the letter of acknowledgment for the community clean-up donation.	No
Independent Electricity System Operator	July 12, 2022	Email – Outgoing	FMG emailed the Independent Electricity Systems Operator providing them with the link to the draft EIS/EA documents for review and comment. FMG asked the Independent Electricity Systems Operator for the correct contact from their group. FMG also provided the contact for comment submission and noted that USB sticks with the documents are available upon request.	No
Independent First Nations Alliance	May 31, 2022	Email – Outgoing	FMG emailed the Project government and public stakeholders contact list providing them with the website link to the draft Environmental Impact Statement/Environmental Assessment documents for review and comment. FMG informed these entities that FMG is planning information sessions in the region and a virtual event to provide a Project overview.	Appendix D-2.4
Independent First Nations Alliance	September 27, 2022	Email – Outgoing	FMG provided an invite to a series of five virtual public presentations on the Springpole Gold Project and its draft EIS/EA to be held over the month of October. The 5 presentation themes are: water resources, fish and fish habitat, human environment, terrestrial environment and atmospheric environment. The invitation noted that the sessions will include a presentation followed by a question-and-answer period with WSP (FMG's consultants). The invitation was sent to the entire Public Contact List.	Appendix D-2.4
Independent First Nations Alliance	January 31, 2023	Email – Outgoing	FMG emailed the Public Contact List providing a hyperlink to the new Springpole Project Overview video. FMG also noted that the draft EIS/EA is published and can be accessed through the hyperlink.	Appendix D-2.4
Jack Green's Fly-In Camps	January 31, 2023	Email – Outgoing	FMG emailed the Public Contact List providing a hyperlink to the new Springpole Project Overview video. FMG also noted that the draft EIS/EA is published and can be accessed through the hyperlink.	Appendix D-2.4

**Table D-1.4: Public Stakeholders Communication Log**

Community Group	Date	Method of Communication	Communication Summary	Key Supporting Document(s) Reference
Jack Green's Fly-In Camps	January 18, 2024	Email – Outgoing	FMG emailed Jack Green's Fly-In Camps providing a Project and EIS/EA update letter and Project site map. FMG informed Jack Green's Fly-In Camps that the Project development area overlaps with their Bear Management Area, and they have therefore been identified as a potentially interested stakeholder. FMG offered to address any questions or concerns.	Appendix D-2.4
J and M Camp	February 28, 2023	Email – Outgoing	FMG provided J and M Camps with a Draft Environmental Assessment Notice and informed them that their Bear Management Area is located within the Project's Regional Study Area, and they have therefore been identified as a potentially interested stakeholder. FMG welcomed any comments or questions related to the Project.	Appendix D-2.4
J and M Camp	January 18, 2024	Email – Outgoing	FMG emailed J and M Camp providing a Project and EIS/EA update letter and Project site map as a follow up to a previous Project and EIS/EA notification letter sent in March 2023. FMG informed J and M Camp that their Bear Management Area is located within the Project's Regional Study Area, and they have therefore been identified as a potentially interested stakeholder. FMG offered to address any questions or concerns.	Appendix D-2.4
KaBeeLo Lodge	August 29, 2018	Mail – Outgoing	Notification announcing the commencement of the ToR.	No
Kabeelo Lodge Inc & Kabeelo Airways	May 31, 2022	Email – Outgoing	FMG emailed the Project government and public stakeholders contact list providing them with the website link to the draft Environmental Impact Statement/Environmental Assessment documents for review and comment. FMG informed these entities that FMG is planning information sessions in the region and a virtual event to provide a Project overview.	Appendix D-2.4
Kabeelo Lodge Inc & Kabeelo Airways	September 27, 2022	Email – Outgoing	FMG provided an invite to a series of five virtual public presentations on the Springpole Gold Project and its draft EIS/EA to be held over the month of October. The 5 presentation themes are: water resources, fish and fish habitat, human environment, terrestrial environment and atmospheric environment. The invitation noted that the sessions will include a presentation followed by a question-and-answer period with WSP (FMG's consultants). The invitation was sent to the entire Public Contact List. FMG welcomed any comments or questions related to the Project.	Appendix D-2.4
Knobby's Fly-In Lodge and Outposts	January 18, 2024	Email – Outgoing	FMG emailed Knobby's Fly-In Lodge and Outposts providing a Project and EIS/EA update letter and Project site map as a follow up to a previous Project and EIS/EA notification letter sent in March 2023. FMG informed Knobby's Fly-In Lodge and Outposts that their business is located within the Project's Regional Study Area, and they have therefore been identified as a potentially interested stakeholder. FMG offered to address any questions or concerns.	Appendix D-2.4
K-Net	May 12, 2021	Email Exchange	The Economic Development Manager for Sioux Lookout suggested to WSP on behalf of FMG, a contact from KNet, a subsidiary of Keewaytinook Okimakanak Tribal Council to participate in the Socio-Economic Study. WSP responded thanking for the connection to KNET and that they will reach out to them. WSP emailed KNet informing them of the Socio-Economic Study and the information they are seeking for the Study. WSP inquired if they are available to participate in the Study and a virtual meeting or call can be arranged. KNet responded noting that they are available for a call anytime on 2021-05-17.	No
K-Net	May 13, 2021	Email Exchange	WSP on behalf of FMG responded to an email from KNet on 2021-05-12, thanking them for agreeing to participate in the Study. WSP suggested the call time of 3:00 pm on 2021-05-17 and noted that they will send a meeting invitation. KNet responded confirming the suggested time.	No
K-Net	May 14, 2021	Email – Outgoing	WSP on behalf of FMG responded to an email from KNet on 2021-05-13, with an attached document including the questions and information that will be discussed during the call on 2021-05-17.	No
K-Net	May 17, 2021	Meeting – Held	WSP on behalf of FMG met with K-Net to validate and gather information for the Socio-Economic Study regarding local communication services in Sioux Lookout and surrounding area.	No
K-Net	May 20, 2021	Email – Outgoing	WSP on behalf of FMG thanked K-Net for participating in the Socio-Economic Study. They attached the draft notes from the discussion to review. WSP also asked for the contact information for McDowell Lake First Nation's Band Administrator, as discussed in the meeting.	No
K-Net	May 26, 2022	Email Exchange	In response to an email from a member of K-Net on 2022-05-25, FMG provided confirmation of receiving the resume and cover letter for the general camp labourer position. The member of K-Net responded asking if the applicant should forward any other certificates.	No
K-Net	June 1, 2022	Email – Outgoing	In response to an email from a member of K-Net on 2022-05-26 regarding an applicant for the general camp labourer position, FMG informed the member of K-Net that they will let her know if they need any certificates from the applicant.	No
Lac Seul Rockets Broomball Team	March 22, 2024	Email Exchange	Lac Seul Rockets Broomball Team emailed FMG requesting a donation for a tournament in Dryden between 2024-04-02 and 2024-04-06. FMG replied offering a donation and provided payment instructions, including a new vendor request / change form.	No
Lac Seul Rockets Broomball Team	April 8, 2024	Email Exchange	Lac Seul Rockets Broomball Team emailed FMG providing an update on the team's successes throughout the sponsorship provided by FMG. The team requested stickers with FMG logos to show appreciation for the sponsorship. FMG replied congratulating the team and informed the team that FMG can provide stickers. FMG requested that the team provide the easiest way for FMG to get the stickers to them.	No
Lac Seul Whitewing Resort	May 31, 2022	Email – Outgoing	FMG emailed the Project government and public stakeholders contact list providing them with the website link to the draft Environmental Impact Statement/Environmental Assessment documents for review and comment. FMG informed these entities that FMG is planning information sessions in the region and a virtual event to provide a Project overview.	Appendix D-2.4
Lac Seul Whitewing Resort	September 27, 2022	Email – Outgoing	FMG provided an invite to a series of five virtual public presentations on the Springpole Gold Project and its draft EIS/EA to be held over the month of October. The 5 presentation themes are: water resources, fish and fish habitat, human environment, terrestrial environment and atmospheric environment. The invitation noted that the sessions will include a presentation followed by a question-and-answer period with WSP (FMG's consultants). The invitation was sent to the entire Public Contact List.	Appendix D-2.4
Lac Seul Whitewing Resort	January 31, 2023	Email – Outgoing	FMG emailed the Public Contact List providing a hyperlink to the new Springpole Project Overview video. FMG also noted that the draft EIS/EA is published and can be accessed through the hyperlink.	Appendix D-2.4
Lac Seul Whitewing Resort	January 18, 2024	Email – Outgoing	FMG emailed Lac Seul Whitewing Resort providing a Project and EIS/EA update letter and Project site map as a follow up to a previous Project and EIS/EA notification letter. FMG informed Lac Seul Whitewing Resort that the Project area overlaps with their Bait Harvest Area, and they have therefore been identified as a potentially interested stakeholder. FMG offered to address any questions or concerns.	Appendix D-2.4
Ladies Blueberry Open Committee	July 11, 2023	Email Exchange	The Ladies Blueberry Open Committee emailed FMG providing a letter requesting sponsorship of the 2023 Ladies Blueberry Open Golf Tournament in Sioux Lookout. FMG confirmed that the letter will be sent to the Community Investment Committee for review.	No

**Table D-1.4: Public Stakeholders Communication Log**

Community Group	Date	Method of Communication	Communication Summary	Key Supporting Document(s) Reference
Latreille Lake Lodge	January 31, 2023	Email – Outgoing	FMG emailed the Public Contact List providing a hyperlink to the new Springpole Project Overview video. FMG also noted that the draft EIS/EA is published and can be accessed through the hyperlink.	Appendix D-2.4
Latreille Lake Lodge	January 16, 2024	Letter – Outgoing	FMG mailed Latreille Lake Lodge a Project and EIS/EA update letter and Project site map. FMG informed Latreille Lake Lodge that their Bear Management Areas are located within the Project's Regional Study Area, and they have therefore been identified as a potentially interested stakeholder. FMG offered to address any questions or concerns.	Appendix D-2.4
Little Canada Camp	February 28, 2023	Email – Outgoing	FMG provided Little Canada Camp with a Draft Environmental Assessment Notice and informed them that their Bear Management Area is located within the Project's Regional Study Area, and they have therefore been identified as a potentially interested stakeholder. FMG welcomed any comments or questions related to the Project.	Appendix D-2.4
Little Canada Camp	January 18, 2024	Email – Outgoing	FMG emailed Little Canada Camp providing a Project and EIS/EA update letter and Project site map as a follow up to a previous Project and EIS/EA notification letter sent in March 2023. FMG informed Little Canada Camp that their Bear Management Areas are located within the Project's Regional Study Area, and they have therefore been identified as a potentially interested stakeholder. FMG offered to address any questions or concerns.	Appendix D-2.4
Nishnawbe Aski Nation	June 17, 2022	Email Exchange	Nishnawbe Aski Nation emailed FMG thanking them for their sponsorship for the Nishnawbe Aski Nation Golf Tournament. FMG informed Nishnawbe Aski Nation that they dropped the cash donation off in person and attached the official donation letter to the email.	No
Nishnawbe-Gamik Friendship Centre	March 20, 2024	Email – Outgoing	FMG emailed Nishnawbe-Gamik Friendship Centre providing a Project camp cook employment opportunity letter containing full details on how to apply. FMG requested that Nishnawbe-Gamik Friendship Centre share the job posting with any interested community members and/or post it on any community job boards.	No
Nishnawbe-Gamik Friendship Centre	April 2, 2024	Email Exchange	FMG emailed Nishnawbe-Gamik Friendship Centre on 2024-03-20 and provided a Project Camp laborer employment opportunity letter containing full details on how to apply. FMG requested that Nishnawbe-Gamik Friendship Centre share the job posting with any interested community members and/or post it on any community job boards. Nishnawbe-Gamik Friendship Centre replied to inform FMG that the opportunity will be posted on their resource board. Nishnawbe-Gamik Friendship Centre provided a contact email for future job opportunities. FMG replied with employment opportunity information with new email contacts.	No
North Caribou Lake First Nation	January 10, 2022	Phone call – Outgoing	FMG and North Caribou Lake First Nation discussed a potential worker who is looking for employment, and the status of the Project. FMG recommended North Caribou Lake First Nation email the candidate's resume and FMG would keep it on file.	No
Northern Community Solutions	July 25, 2022	Email Exchange	Northern Community Solutions emailed FMG regarding a sponsorship opportunity and informing them of the prize for the winner of the Slo-pitch tournament, providing cost details of the prize. FMG agreed to this prize and asked for Northern Community Solutions to send the link to the prize and the shipping address to get it to the Training Centre.	No
Northern Community Solutions	July 26, 2022	Email Exchange	In response to an email from FMG on 2022-07-26, Northern Community Solutions confirmed that the prize for the Slo-Pitch tournament can be ordered by FMG and provided a link to the prize item. FMG thanked Northern Community Solutions and asked to confirm the address for shipping. Northern Community Solutions provided the address for shipping.	No
Northern Wilderness Outfitters	March 25, 2021	Email – Incoming	FMG received an email from Northern Wilderness Outfitters regarding Remote tourism in Springpole/Birch Lake.	No
Northern Wilderness Outfitters	March 26, 2021	Email – Outgoing	FMG responded to Northern Wilderness Outfitters noting that they would like to come to a mutually beneficial outcome. FMG noted that they are waiting on some detail on the property from Northern Wilderness Outfitters and once that's received, a discussion will be initiated.	No
Northern Wilderness Outfitters Ltd.	December 3, 2021	Email – Incoming	Northern Wilderness Outfitters Ltd. provided email addresses to FMG and requested to be placed on the Project's distribution list.	No
Northern Wilderness Outfitters Ltd.	December 7, 2021	Email – Incoming	Following an email dated 2021-12-03, FMG thanked the Northern Wilderness Outfitters Ltd. for the contact information to include on the Project's distribution list.	No
Northern Wilderness Outfitters Ltd	May 31, 2022	Email – Outgoing	FMG emailed the Project government and public stakeholders contact list providing them with the website link to the draft Environmental Impact Statement/Environmental Assessment documents for review and comment. FMG informed these entities that FMG is planning information sessions in the region and a virtual event to provide a Project overview.	Appendix D-2.4
Northern Wilderness Outfitters Ltd	January 31, 2023	Email – Outgoing	FMG emailed the Public Contact List providing a hyperlink to the new Springpole Project Overview video. FMG also noted that the draft EIS/EA is published and can be accessed through the hyperlink.	Appendix D-2.4
Northwestern Health Unit	May 11, 2021	Email – Outgoing	FMG sent an invitation to the executive member of the Northwestern Health Unit to participate in the socio-economic study conducted by WSP on behalf of FMG as part of the Springpole Gold Project environmental assessment. FMG included contact information for the WSP team who will be following up with the recipient with more information. A letter detailing the study and project was included in the communication.	No
Northwestern Health Unit	May 11, 2021	Email – Outgoing	FMG sent an invitation to the Vice Chair of the Northwestern Health Unit to participate in the socio-economic study conducted by WSP on behalf of FMG as part of the Springpole Gold Project environmental assessment. FMG included contact information for the WSP team who will be following up with the recipient with more information. A letter detailing the study and project was included in the communication.	No

**Table D-1.4: Public Stakeholders Communication Log**

Community Group	Date	Method of Communication	Communication Summary	Key Supporting Document(s) Reference
Northwestern Health Unit	May 17, 2021	Email – Outgoing	Following an email on 2021-05-11, WSP on behalf of FMG to the Executive Member for the Northwestern Health Unit, sent a second request for participation in the Socio-Economic Study for the Springpole Gold Project environmental assessment. WSP inquired about availability to participate in the Study.	No
Northwestern Health Unit	May 17, 2021	Email – Outgoing	Following an email on 2021-05-11, WSP on behalf of FMG to the Vice Chair of the Northwestern Health Unit, sent a second request for participation in the Socio-Economic Study for the Springpole Gold Project environmental assessment. WSP inquired about availability to participate in the Study.	No
Northwestern Health Unit	May 22, 2021	Email – Incoming	Following an email on 2021-05-17, the Medical Officer of Health with the Northwestern Health Unit responded to WSP indicating that they would be the best person to partake in the interview for the Socio-Economic Study instead of the original Executive contacted.	No
Northwestern Health Unit	May 24, 2021	Email – Incoming	Following an email from 2021-05-22, an administrator for the Northwestern Health Unit suggested the date and times of 2021-05-25 at 3:30pm CST, 2021-05-26 at 10:00 am CST, or 2021-05-27 at 3:30 pm CST to schedule a meeting for WSP and the Medical Officer of Health.	No
Northwestern Health Unit	May 25, 2021	Email – Outgoing	Following an email from 2021-05-24, Wood confirmed availability on 2021-05-27 at 3:30 pm CST to meet with the Medical Officer of Health for the Northwestern Health Unit.	No
Northwestern Health Unit	May 26, 2021	Email – Outgoing	Following an email from 2021-22-05, Wood on behalf of FMG provided the Medical Officer of Health for the Northwestern Health Unit with an attachment containing the questions that will be discussed in their meeting on 2021-05-27.	No
Northwestern Health Unit	May 27, 2021	Meeting – Held	Wood on behalf of FMG met with the Medical Officer of Health for the Northwestern Health Unit to discuss community health services for the Springpole Gold Project Socio-Economic Study.	No
Northwestern Health Unit	June 4, 2021	Email Exchange	Wood thanked the Medical Officer of Health for the Northwestern Health Unit for participating in the Socio-Economic Study discussion on 2021-05-27. Wood included the draft meeting notes for review and included a follow-up question being regarding the Local Health Integration Network (LHIN) and if data is still being collected on a municipal level. The Medical Officer of Health responded to the question from Wood noting that when the current provincial government came into office, they combined 14 LHIN agencies along with some other agencies which has become Ontario Health. They also noted that some of the staff of the LHIN now work at the regional offices of Ontario Health.	No
Northwestern Health Unit	June 10, 2022	Email – Incoming	Cat Lake First Nation emailed FMG to inform them that the Project Meeting link for 2022-06-16 will be sent.	No
NWO Knights youth hockey team	February 17, 2023	Email – Outgoing	FMG informed NWO Knights youth hockey team that a donation was approved for the upcoming spring tournament in Winnipeg. Also, FMG provided a letter to the NWO Knights youth hockey team outlining the donation. FMG requested a picture of the team for their community newsletter and asked how NWO Knights youth hockey team would prefer the payment be made.	No
NWO Mystix Hockey Club	February 23, 2023	Email Exchange	FMG acknowledged the receipt of a donation request for the first annual Regional Girls Hockey Team made on 2023-02-23 and noted that it would be forwarded to the Community Investment Committee for review.	No
NWO Mystix Hockey Club	March 15, 2023	Email – Outgoing	FMG provided the NWO Mystix first annual Regional Girls Hockey Team with a sponsorship letter confirming a \$500 donation. FMG asked how the payment would like to be received.	No
NWO Mystix Hockey Club	January 8, 2024	Email – Incoming	NWO Mystix Hockey Club emailed FMG providing a donation request letter to support the 2024 U13 NWO Mystix Hockey Club toward costs associated with new jerseys, ice time, and games.	No
NWO Mystix Hockey Club	January 16, 2024	Email – Outgoing	In response to an email from NWO Mystix Hockey Club on 2024-01-08, FMG provided a letter confirming they would like to sponsor the 2024 U13 NWO Mystix Hockey Club toward costs associated with new jerseys, ice time, and games. FMG requested a team photo to feature in one of their upcoming community newsletters and/or on social media.	No
Obishkokaang Resources Corporation	May 30, 2024	Email – Outgoing	FMG emailed Obishkokaang Resources Corporation (ORC) providing a follow up on a conversation that same day which provided a summary of the Project. FMG requested to have an introductory virtual meeting with ORC to discuss potential opportunities for Caribou habitat restoration within the Lac Seul Forest, providing availability on 2024-06-04 or 2024-06-06. FMG informed ORC that meeting in Thunder Bay or Sioux Lookout is easiest if an in-person meeting is preferred.	Appendix D-2.4
Ontario Mining Association	May 31, 2022	Email – Outgoing	FMG emailed the Project government and public stakeholders contact list providing them with the website link to the draft Environmental Impact Statement/Environmental Assessment documents for review and comment. FMG informed these entities that FMG is planning information sessions in the region and a virtual event to provide a Project overview.	Appendix D-2.4
Ontario Mining Association	June 1, 2022	Email Exchange	In response to an email from FMG on 2022-06-01 the Ontario Mining Association (OMA) thanked FMG for providing the draft EIS/EA and informed FMG that they will share with the rest of the OMA team. FMG thanked OMA.	No
Ontario Mining Association	January 31, 2023	Email – Outgoing	FMG emailed the Public Contact List providing a hyperlink to the new Springpole Project Overview video. FMG also noted that the draft EIS/EA is published and can be accessed through the hyperlink.	Appendix D-2.4

**Table D-1.4: Public Stakeholders Communication Log**

Community Group	Date	Method of Communication	Communication Summary	Key Supporting Document(s) Reference
Ontario Prospectors Association	May 31, 2022	Email – Outgoing	FMG emailed the Project government and public stakeholders contact list providing them with the website link to the draft Environmental Impact Statement/Environmental Assessment documents for review and comment. FMG informed these entities that FMG is planning information sessions in the region and a virtual event to provide a Project overview.	Appendix D-2.4

The 5 presentation themes are: water resources, fish and fish habitat, human environment, terrestrial environment and atmospheric environment. The invitation noted that the sessions will include a presentation followed by a question-and-answer period with WSP (FMG's consultants). The invitation was sent to the entire Public Contact List.	Appendix D-2.4
Ontario Prospectors Association	January 31, 2023	Email – Outgoing	FMG emailed the Public Contact List providing a hyperlink to the new Springpole Project Overview video. FMG also noted that the draft EIS/EA is published and can be accessed through the hyperlink.	Appendix D-2.4
Pakwash Lake Camp	November 7, 2023	Meeting – Held	FMG conducted a public webinar regarding the draft EIS/EA and Project optimizations, as part of the November 2023 four-part public webinar series. The presentation slides and video recording are both available on FMG's website.	Appendix D-2.4
Patricia Fly-In Camps Ltd.	February 28, 2023	Email – Outgoing	FMG provided Patricia Fly-In Camps Ltd. with a Draft Environmental Assessment Notice and informed them that their Bear Management Area is located within the Project's Regional Study Area, and they have therefore been identified as a potentially interested stakeholder. FMG welcomed any comments or questions related to the Project.	Appendix D-2.4
Patricia Fly-In Camps Ltd.	January 18, 2024	Email – Outgoing	FMG emailed Patricia Fly-In Camps providing a Project and EIS/EA update letter and Project site map as a follow up to a previous Project and EIS/EA notification letter sent in March 2023. FMG informed Patricia Fly-In Camps that their Bear Management Areas are located within the Project's Regional Study Area, and they have therefore been identified as a potentially interested stakeholder. FMG offered to address any questions or concerns.	Appendix D-2.4
Perron Contracting	December 1, 2022	Email – Incoming	Perron Contracting sent a letter to FMG informing them that they will not be participating in the winter ice road project for the 2022/2023 period. Perron informed FMG if FMG decides to construct an all-season High Ground Winter Road, Perron would be ready to execute that project.	No
Red Lake Mixed Slow Pitch League	June 18, 2024	Email – Incoming	Red Lake Mixed Slow Pitch League (RLMSPL) emailed FMG requesting sponsorship for the RLMSPL Norseman Day Tournament as the past couple of years FMG had previously provided sponsorship. RLMSPL attached a letter for the sponsorship request.	No
Red Lake Mixed Slow Pitch League	June 24, 2024	Email – Outgoing	In response to an email from Red Lake Mixed Slow Pitch League on 2024-06-18, FMG emailed Red Lake Mixed Slow Pitch League informing them that a monetary donation for the Norseman Day Slow Pitch Tournament has been provided. FMG attached a letter detailing the donation, payment process, and a new vendors request form.	No
Red Pine Lodge & Outposts	May 31, 2022	Email – Outgoing	FMG emailed the Project government and public stakeholders contact list providing them with the website link to the draft Environmental Impact Statement/Environmental Assessment documents for review and comment. FMG informed these entities that FMG is planning information sessions in the region and a virtual event to provide a Project overview.	Appendix D-2.4
Red Pine Lodge & Outposts	September 27, 2022	Email – Outgoing	FMG provided an invite to a series of five virtual public presentations on the Springpole Gold Project and its draft EIS/EA to be held over the month of October. The 5 presentation themes are: water resources, fish and fish habitat, human environment, terrestrial environment and atmospheric environment. The invitation noted that the sessions will include a presentation followed by a question-and-answer period with WSP (FMG's consultants). The invitation was sent to the entire Public Contact List.	Appendix D-2.4
Red Pine Lodge & Outposts	January 31, 2023	Email – Outgoing	FMG emailed the Public Contact List providing a hyperlink to the new Springpole Project Overview video. FMG also noted that the draft EIS/EA is published and can be accessed through the hyperlink.	Appendix D-2.4
Red Pine Lodge & Outposts	January 23, 2024	Email – Outgoing	FMG emailed Red Pine Lodge & Outposts providing a Project and EIS/EA update letter and Project site map as a follow up to a previous Project and EIS/EA notification letter. FMG informed Red Pine Lodge & Outposts that their business is located within the Project's Regional Study Area, and they have therefore been identified as a potentially interested stakeholder. FMG offered to address any questions or concerns.	Appendix D-2.4
Shabu Wilderness Outposts	February 28, 2023	Email – Outgoing	FMG provided Shabu Wilderness Outposts with a Draft Environmental Assessment Notice and informed them that their business is located within the Project's Regional Study Area, and they have therefore been identified as a potentially interested stakeholder. FMG welcomed any comments or questions related to the Project.	Appendix D-2.4
Shabu Wilderness Outposts	November 28, 2023	Meeting – Held	FMG and WSP (on behalf of FMG) conducted a public webinar regarding the alternatives assessment, as part of the November 2023 four-part public webinar series. The presentation slides and video recording are both available on FMG's website.	Appendix D-2.4
Shabu Wilderness Outposts	January 18, 2024	Email – Outgoing	FMG emailed Shabu Wilderness Outposts providing a Project and EIS/EA update letter and Project site map as a follow up to a previous Project and EIS/EA notification letter sent in March 2023. FMG informed Shabu Wilderness Outposts that their business is located within the Project's Regional Study Area, and they have therefore been identified as a potentially interested stakeholder. FMG offered to address any questions or concerns.	Appendix D-2.4
Sioux Lookout Anglers and Hunters Association	June 12, 2024	Email – Outgoing	FMG emailed Sioux Lookout Anglers and Hunters Association providing information on how to fill out the 'new vendors' form for FMG to forward a monetary donation for the Jr. Walleye Tournament.	No

**Table D-1.4: Public Stakeholders Communication Log**

Community Group	Date	Method of Communication	Communication Summary	Key Supporting Document(s) Reference
Sioux Lookout Anglers and Hunters Association	June 14, 2024	Email – Incoming	In response to an email from FMG on 2024-06-12, Sioux Lookout Anglers and Hunters Association emailed FMG providing the completed new vendors form for a monetary donation for the Jr. Walleye Tournament.	No
Sioux Lookout Anglers and Hunters Association	June 19, 2024	Email – Outgoing	In response to an email from Sioux Lookout Anglers and Hunters Association on 2024-06-19, FMG emailed Sioux Lookout Anglers and Hunters Association to confirm a monetary donation will be provided for the Jr. Walleye Tournament and attached a confirmation letter. FMG clarified with Sioux Lookout Anglers and Hunters Association if bringing an FMG sign to the event for advertising is still an option. FMG informed Sioux Lookout Anglers and Hunters Association that they are also willing to provide swag bags for Sioux Lookout Anglers and Hunters Association and requested the amount of people registered for the event.	No
Sioux Lookout Anglers and Hunters Association	June 20, 2024	Email Exchange	In response to an email from FMG on 2024-06-19, Sioux Lookout Anglers and Hunters Association emailed FMG providing information as to how the monetary donation for the Jr. Walleyes Tournament will be used. Sioux Lookout Anglers and Hunters Association confirmed swag bags provided by FMG will be handed out on 2024-06-21 and invited FMG to attend the weigh-ins and awards ceremony. FMG replied requesting that Sioux Lookout Anglers and Hunters Association pick up the items for the swag bags promptly, or FMG may drop them somewhere close by. FMG requested more details on the weigh-ins and ceremony. Sioux Lookout Anglers and Hunters Association replied confirming pick up and when the weigh-ins and ceremony will take place. FMG replied confirming swag bag items are ready.	No
Sioux Lookout Blueberry Festival Committee (Sioux Lookout Blueberry Festival)	August 8 – 9, 2019	Meeting – Community	Information session at the Trade and Craft Show during Blue Berry Festival to provide an overview of the Project. Provided a visual overview of the Project (ToR). Review and Comment of presented materials.	No
