Subject: Outcome of CNSC Staff Completeness Check of the August 18, 2023, Responses to Federal-Indigenous Review Team (FIRT) Information Requests for the Wheeler River Project

Dear Ms. Switzer,

On August 18, 2023, Denison Mines Corp. (Denison) submitted responses to Information Requests (IRs) and Advice to the Proponent comments for the proposed Wheeler River Project [1]. CNSC staff have determined that the submission has the required information for the FIRT to proceed with the Environmental Impact Statement (EIS) technical review.

The technical review of the complete package of information, including technical supporting documentation, will commence on August 30, 2023, taking up to 90 days to complete and ending no later than November 27, 2023.

Should you have any questions, please do not hesitate to contact me, directly by phone at 343-540-6213 or by email at Jessica.Way@cnsccsn.gc.ca.

Sincerely,

Jessica Way
Environmental Review Officer
Environmental Review Division
