**Subject:** Amended Indigenous Engagement and Partnership Plans for the Webequie Supply Road Project and the Marten Falls Community Access Road Project Posted on the Registry

**Sensitivity:** Normal

---

Good afternoon Chief Leo Friday,

We had hoped to notify you in advance, but we were not successful in reaching you by telephone.

The purpose of this email is to inform you that the Agency has amended Section 4 of the Webequie Supply Road Project Indigenous Engagement and Partnership Plan (IEPP) to include your community.

The Agency also amended Section 4 of the Marten Falls Community Access Road Project IEPP to add Weenusk First Nation.

The amendments and updated versions of the Indigenous Engagement and Partnership Plans are located on the Canadian Impact Assessment Registry at <https://iaac-aeic.gc.ca/050/evaluations/document/140939> (Webequie Supply Road Project) and <https://iaac-aeic.gc.ca/050/evaluations/document/140988?&culture=en-CA> (Marten Falls Community Access Road Project). These amendments are effective as of April 30, 2021.

If you have any questions, please contact myself, Crown Consultation Coordinator, by phone at 647-391-8426 or by email at [webequie@iaac-aeic.gc.ca](mailto:webequie@iaac-aeic.gc.ca) or [martenfalls@iaac-aeic.gc.ca](mailto:martenfalls@iaac-aeic.gc.ca).

Thank you,  
Laura DeCoste  
Crown Consultation Coordinator
