

October 31, 2019 – Indigenous Services Canada has determined that the proposed Agricultural permit – Fishing Lake – C. Fehr #2 is not likely to cause significant adverse environmental effects.

The determination was based on a consideration of the following factors:

- Impacts on rights of Indigenous peoples;
- Indigenous knowledge;
- Community knowledge;
- Comments received from the public;
- Mitigation measures.

Indigenous Services Canada is satisfied that the carrying out of the project is not likely to cause significant adverse environmental effects.
