

# Notice of Determination

**Richmond, B.C. – 26 August 2020** – Vancouver Airport Authority has determined that the proposed Riparian Habitat Enhancement - Russ Baker Way Lands is not likely to cause significant adverse environmental effects. This determination was based on a consideration of the following factors:

- impacts on rights of Indigenous peoples;
- Indigenous knowledge;
- community knowledge;
- comments received from the public; and
- technically and economically feasible mitigation measures.

Vancouver Airport Authority is satisfied that the carrying out of the project is not likely to cause significant adverse environmental effects.

Therefore, Vancouver Airport Authority will carry out the project, exercise any power, perform any duty or function, or provide financial assistance to enable the project to be carried out in whole or in part.
