The Impact Assessment Agency of Canada invites Mississaugas of the Credit First Nation to provide information it has available at this time on the Project and its potential effects or impacts (both positive and negative) to the environment and to your community and your Aboriginal and/or treaty rights. We also welcome your input on how you would like to be engaged throughout the potential assessment process. Your comments will inform the Summary of Issues¹ with respect to the Project and will be provided to the Proponent to address. You may use this form or use another format of your choice.

All comments should be submitted via the **Submit a Comment** feature available on the Project's Canadian Impact Assessment Registry page (Reference 81452 at <https://iaac-aeic.gc.ca/050/evaluations/proj/81452>). Letters and forms can be uploaded using this feature. If you have any difficulties submitting this way, please contact the Agency at IAAC.Waterloo.AEIC@canada.ca for assistance.

Based on information shared during Mississaugas of the Credit First Nation's meeting with the Region of Waterloo International Airport (the proponent) and the Agency on July 29, 2020, the Agency summarized your previous comments under the appropriate heading below for your verification. Please add any further detail to assist the Agency's understanding of your community's views.

1. General environmental effects

Please identify any environmental effects of the Project that are of concern to your community, including any that you think of that were not identified in the Initial Project Description.

¹ The Summary of Issues is a list of issues raised in the Planning Phase prepared by the Agency, as per section 14(1) of the *Impact Assessment Act*. This document provides the proponent with an understanding of issues and allows participants to see how their comments and concerns have been characterized.

2. Effects to physical and cultural heritage

Please describe how the potential change, resulting from project effects to the environment, could result in changes to your community's physical and cultural heritage (e.g. ceremonial sites, burial sites, cultural landscapes)

3. Effects to current use of lands and resources for traditional purposes

During the meeting on July 29, 2020, the following was noted:

- Expressed an interest in impacts to water from the Project

Please add any further detail, and please describe how any other potential change, resulting from a project effect to the environment, could result in changes to your community's current use of lands and resources for traditional purposes (e.g. hunting, fishing, trapping)

4. Effects to structures, sites or things of historical, archaeological, paleontological or architectural significance.

During the meeting on July 29, 2020, the following was noted:

- Commented about the Project's effects on archaeology and expressed interest in the next steps of the archaeological study for the Project

Please add any further detail, and please describe how the potential change, resulting from a project effect to the environment, could result in changes to your community's structures, sites or things of historical, archaeological, paleontological or architectural significance (e.g. artifacts, important historic buildings or symbols)

5a. Effects to social conditions

Please describe how the Project could potentially affect social conditions that are important to your community

5b. Effects to health conditions

Please describe how the Project could potentially affect health conditions that are important to your community

5c. Effects to economic conditions

Please describe how the Project could potentially affect economic conditions that are important to your community

6. Impact to exercise of rights

During the meeting on July 29, 2020, the following was noted:

- Indicated that Mississaugas of the Credit First Nation has a water claim against the Crown for all floodplains in their treaty lands including groundwater, as the water was never surrendered in the treaties.

Please add any further detail, and if you expect the Project may impact your community's exercise of rights as protected under section 35 of the *Constitution Act, 1982*, please describe how.

7. Views on proposed activities at the airport terminal building

The Agency understands that the proponent proposes to expand or relocate the airport terminal building as part of the Region of Waterloo International Airport Masterplan. Are you satisfied with the proponent's characterization of the activities related to the airport terminal building, as described in the Initial Project Description? Do you have any concerns regarding the proposed expansion and or relocation of the airport terminal building?

8-9. Consultation and Engagement

Assuming a federal assessment is required for the Project, please provide information on the how you would like to be consulted by the Agency.

If a federal assessment is required for the Project, please provide information on the how you would like the proponent to engage your community.

10. Additional considerations under the impact assessment process

Are there any additional issues, such as issues considered under the impact assessment process (i.e. gender based analysis, sustainability, Indigenous knowledge or Indigenous cultures) that you wish to note for the Agency's consideration?²
