The Impact Assessment Agency of Canada invites your municipality to provide information it has available at this time on the Project and its potential effects or impacts (both positive and negative) to the environment and your community. We also welcome your input on how you would like to be engaged throughout the potential assessment process. Your comments will inform the Summary of Issues¹ with respect to the Project and will be provided to the proponent to address. You may use this form or use another format of your choice.

All comments should be submitted via the **Submit a Comment** feature available on the Project's Canadian Impact Assessment Registry page (Reference 81452 at <https://iaac-aeic.gc.ca/050/evaluations/proj/81452>). Letters and forms can be uploaded using this feature. If you have any difficulties submitting this way, please contact the Agency at IAAC.Waterloo.AEIC@canada.ca for assistance.

1. Changes to the environment

Please describe how the Project could potentially cause changes to the environment that are important to your community

2a. Effects to social conditions

Please describe how the Project could potentially affect social conditions that are important to your community

2b. Effects to health conditions

Please describe how the Project could potentially affect health conditions that are important to your community

¹ The Summary of Issues is a list of issues raised in the Planning Phase prepared by the Agency, as per section 14(1) of the *Impact Assessment Act*. This document provides the proponent with an understanding of issues and allows participants to see how their comments and concerns have been characterized.

2c. Effects to economic conditions

Please describe how the Project could potentially affect economic conditions that are important to your community

3. Views on proposed activities at the airport terminal building

The Agency understands that the proponent proposes to expand or relocate the airport terminal building as part of the Region of Waterloo International Airport Masterplan. Are you satisfied with the proponent's characterization of the activities related to the airport terminal building, as described in the Initial Project Description? Do you have any concerns regarding the proposed expansion and or relocation of the airport terminal building?

4. Additional considerations under the impact assessment process

Are there any additional issues, such as related to impact assessment (i.e. gender based analysis, sustainability, alternative means, and community knowledge) that you wish to note for the Agency's consideration? ²

5. Engagement Preferences

The impact assessment process includes several opportunities for the public to participate through various means, such as in-person or virtual events. Given the ongoing COVID-19 pandemic and the evolving public health measures, how would you prefer to participate throughout the assessment process?
